Public Act 94-1039 established the Illinois New Principal Mentoring Program beginning July 1, 2007, and subject to an annual appropriation by the General Assembly. Administrative Rules (Section 35.20) require that each district superintendent shall report to the State Superintendent of Education, the number of first-year principals who are expected to be working in the district in the coming school year and required to participate in the mentoring program and the number of second-year principals for whom a second year of mentoring is being requested.

You are now able to report that information on this system. It is imperative that you provide the data requested so that the State Superintendent may make a determination if the New Principal Mentoring Program is sufficiently funded to serve all participants.
