

Development and Training Completed by Millburn School District 24 Board Members

All Illinois school board members must receive training in *professional development leadership* (P.A. 97-8) and the *Open Meetings Act* (P.A. 97-504). Mandatory training is also required in conjunction with the new evaluation requirements for teachers. For additional information, see Board policy 2:120, *Board Member Development*.

The following table contains training and development activities that were completed by each Board member. These activities were provided by the Illinois Association of School Boards (IASB).

The Illinois Association of School Board (IASB) is a voluntary organization of local boards of education dedicated to strengthening the Illinois public schools through local citizen control. Although not a part of state government, IASB is organized by member school boards as a private, not-for-profit corporation under authority granted by Article 23 of the Illinois School Code. The mission of the IASB is excellence in local school governance in support of quality public education. For more information regarding IASB and its programs, visit www.iasb.com.
