Rights and Responsibilities

Policy 7:200

Suspension Procedures

In-School Suspension

The Superintendent or designee is authorized to maintain an in-school suspension program. The program shall include, at a minimum, each of the following:

1. Before assigning a student to in-school suspension, the charges will be explained and the student will be given an opportunity to respond to the charges.
2. Students are supervised by licensed school personnel.
3. Students are given the opportunity to complete classroom work during the in-school suspension for equivalent academic credit.

Out-of-School Suspension

The Superintendent or designee shall implement suspension procedures that provide, at a minimum, for each of the following:

1. A conference during which the charges will be explained and the student will be given an opportunity to respond to the charges before he or she may be suspended.
2. A pre-suspension conference is not required, and the student can be immediately suspended when the student's presence poses a continuing danger to persons or property or an ongoing threat of disruption to the educational process. In such cases, the notice and conference shall follow as soon as practicable.
3. An attempted phone call to the student's parent(s)/guardian(s).
4. A written notice of the suspension to the parent(s)/guardian(s) and the student, which shall:
 - a. Provide notice to the parent(s)/guardian(s) of their child's right to a review of the suspension;
 - b. Include information about an opportunity to make up work missed during the suspension for equivalent academic credit;
 - c. Detail the specific act of gross disobedience or misconduct resulting in the decision to suspend;
 - d. Provide rationale or an explanation of how the chosen number of suspension days will address the threat or disruption posed by the student or his or her act of gross disobedience or misconduct; and
 - e. Depending upon the length of the out-of-school suspension, include the following applicable information:

i. For a suspension of 3 school days or less, an explanation that the student's continuing presence in school would either pose:

a) A threat to school safety, or

b) A disruption to other students' learning opportunities.

ii. For a suspension of 4 or more school days, an explanation:

a) That other appropriate and available behavioral and disciplinary interventions have been exhausted,

b) As to whether school officials attempted other interventions or determined that no other interventions were available for the student, and

c) That the student's continuing presence in school would either:

i) Pose a threat to the safety of other students, staff, or members of the school community, or

ii) Substantially disrupt, impede, or interfere with the operation of the school.

iii. For a suspension of 5 or more school days, the information listed in section 4.e.ii., above, along with documentation by the Superintendent or designee determining what, if any, appropriate and available support services will be provided to the student during the length of his or her suspension.

5. A summary of the notice, including the reason for the suspension and the suspension length, must be given to the Board by the Superintendent or designee.

6. Upon request of the parent(s)/guardian(s), a review of the suspension shall be conducted by the Board or a hearing officer appointed by the Board. At the review, the student's parent(s)/guardian(s) may appear and discuss the suspension with the Board or its hearing officer and may be represented by counsel. Whenever there is evidence that mental illness may be the cause for the suspension, the Superintendent or designee shall invite a representative from the Department of Human Services to consult with the Board. After presentation of the evidence or receipt of the hearing officer's report, the Board shall take such action as it finds appropriate. If the suspension is upheld, the Board's written suspension decision shall specifically detail items (a) and (e) in number 4, above.

Suspension Procedures ¹

In-School Suspension ²

The Superintendent or designee is authorized to maintain an in-school suspension program. The program shall include, at a minimum, each of the following:

1. Before assigning a student to in-school suspension, the charges will be explained and the student will be given an opportunity to respond to the charges.
2. Students are supervised by licensed school personnel.
3. Students are given the opportunity to complete classroom work during the in-school suspension for equivalent academic credit.

Out-of-School Suspension

The Superintendent or designee shall implement suspension procedures that provide, at a minimum, for each of the following: ³

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State law requires districts to have a policy on student discipline. 105 ILCS 5/10-20.14; 23 Ill.Admin.Code §1.280. State or federal law controls this policy's content. In 2014 the U.S. Dept. of Education (DOE) and the U.S. Dept. of Justice (DOJ) jointly released a school discipline package, *Guiding Principles: A Resource Guide for Improving School Climate and Discipline*, at: www2.ed.gov/policy/gen/guid/school-discipline/guiding-principles.pdf. However, *Guiding Principles* was among six student discipline guidance documents rescinded by a joint DOE and DOJ *Dear Colleague* letter dated 12-21-18, at: www2.ed.gov/about/offices/list/ocr/letters/colleague-201812.pdf.

Boards may authorize *by policy* the superintendent, building principal, assistant building principal, or dean of students to suspend students guilty of gross disobedience or misconduct from school, including all school functions. 105 ILCS 5/10-22.6(b). See 7:190, *Student Behavior*, for such an authorization.

² An in-school suspension program may focus on promoting non-violent conflict resolution and positive interaction with other students and school personnel, and districts may employ a school social worker or a licensed mental health professional to oversee in-school suspension programs. 105 ILCS 5/10-22.6(l), added by P.A. 100-1035. Providing programming during in-school suspensions is not required; however providing educational programs during in-school suspensions will help distinguish them from exclusionary suspensions. See f/n 3 in policy 5:230, *Maintaining Student Discipline*, for further discussion of in-school suspension programs. Contact the board attorney for advice concerning amending this section.

²⁰ ILCS 1705/76, added by P.A. 101-45, requires the Ill. Dept. of Public Health to create and maintain an online database and resource page on its website that contains mental health resources specifically geared toward school social workers, school counselors, parents, teachers, and school support personnel. See the database at: www.dhs.state.il.us.

³ Suspension procedures are required by State law. 105 ILCS 5/10-22.6. The right to attend school is a property right protected by the due process clause of the U.S. Constitution. *Goss v. Lopez*, 419 U.S. 565 (1975). Imposing a short deprivation of this property right by suspending a student for 10 or fewer days requires only minimal due process. The student must be generally informed of the reasons for the possible suspension, and be permitted to tell his/her version of the story. Making a decision to suspend before the hearing violates the basic due process requirement that the hearing be meaningful. *Sieck v. Oak Park-River Forest High School*, 807 F.Supp. 73 (N.D. Ill. 1992).

105 ILCS 5/10-22.6(b) allows a student who is suspended in excess of 20 school days to be immediately transferred to an alternative program in the manner provided in Article 13A or 13B of the School Code. A student cannot be denied transfer because of the suspension, except in cases in which such transfer is deemed to cause a threat to the safety of students or staff in the alternative program.

Consult the board attorney for assistance if a suspension will exceed 10 consecutive school days. Subsection 10-22.6(b) uses the phrase "is suspended in excess of 20 school days" even though a 20-consecutive day suspension should be treated as an expulsion. *Goss v. Lopez*, 419 U.S. 565 (1975). For further discussion, see f/n 43 in policy 7:190, *Student Behavior*.

4. A written notice of the suspension to the parent(s)/guardian(s) and the student, which shall:
 - a. Provide notice to the parent(s)/guardian(s) of their child's right to a review of the suspension;

⁴ 105 ILCS 5/10-22.6.

Consult the board attorney (1) about the specific documentation required in this portion of the notice, and (2) to ensure that 7:200-E1, *Short Term Out-of-School Suspension (1-3 Days) Reporting Form* and 7:200-E2, *Long Term Out-of-School Suspension (4-10 Days) Reporting Form* reflect the exact practices that the district will use to implement this requirement.

⁵ Required by 105 ILCS 5/10-22.6(b-30).

⁶ 105 ILCS 5/10-22.6(b-15) explains that "threat to school safety or a disruption to other students' learning opportunities" shall be determined by the school board or its designee on a case-by-case basis. **Consult the board attorney for specific advice regarding the application of these statutory terms in this context (see f/n 8, below).**

⁷ 105 ILCS 5/10-22.6(b-20). School officials are granted the sole authority to determine on a case-by-case basis: (1) whether "appropriate and available behavioral and disciplinary interventions have been exhausted;" and (2) whether "the student's continuing presence in school would either (i) pose a threat to the safety of other students, staff, or members of the school community, or (ii) substantially disrupt, impede, or interfere with the operation of the school." Consult the board attorney to request specific training for school officials to apply these statutory terms in this context.

- c) That the student's continuing presence in school would either:
 - i) Pose a threat to the safety of other students, staff, or members of the school community, or
 - ii) Substantially disrupt, impede, or interfere with the operation of the school.
- iii. For a suspension of 5 or more school days, the information listed in section 4.e.ii., above, along with documentation by the Superintendent or designee determining what, if any, appropriate and available support services will be provided to the student during the length of his or her suspension. ⁹
- 5. A summary of the notice, including the reason for the suspension and the suspension length, must be given to the Board by the Superintendent or designee.
- 6. Upon request of the parent(s)/guardian(s), a review of the suspension shall be conducted by the Board or a hearing officer appointed by the Board.¹⁰ At the review, the student's parent(s)/guardian(s) may appear and discuss the suspension with the Board or its hearing officer and may be represented by counsel. Whenever there is evidence that mental illness may be the cause for the suspension, the Superintendent or designee shall invite a representative from the Department of Human Services to consult with the Board.¹¹ After presentation of the evidence or receipt of the hearing officer's report, the Board shall take such action as it finds appropriate. If the suspension is upheld, the Board's written suspension decision shall specifically detail items (a) and (e) in number 4, above. ¹²

⁸ While school officials have discretion to determine the length of suspensions, they must resolve threats, address disruptions, and minimize the length of student exclusions to the greatest extent practicable. 105 ILCS 5/10-22.6(b-20). **Consult the board attorney about the practical implementation of documenting other appropriate and available interventions for the student.**
