Policy 5:10

Equal Employment Opportunity and Minority Recruitment

The School District shall provide equal employment opportunities to all persons regardless of their race; color; creed; religion; national origin; sex; sexual orientation; age; ancestry; marital status; arrest record; military status; order of protection status; unfavorable military discharge; citizenship status provided the individual is authorized to work in the United States; use of lawful products while not at work; being a victim of domestic or sexual violence; genetic information; physical or mental handicap or disability, if otherwise able to perform the essential functions of the job with reasonable accommodation; pregnancy, childbirth, or related medical conditions; credit history, unless a satisfactory credit history is an established bona fide occupational requirement of a particular position; or other legally protected categories.

Persons who believe they have not received equal employment opportunities should report their claims to the Nondiscrimination Coordinator and/or a Complaint Manager for the Uniform Grievance Procedure. These individuals are listed below. No employee or applicant will be discriminated or retaliated against because he or she initiated a complaint, was a witness, supplied information, or otherwise participated in an investigation or proceeding involving an alleged violation of this policy or State or federal laws, rules or regulations, provided the employee or applicant did not make a knowingly false accusation nor provide knowingly false information.

Administrative Implementation

The Superintendent shall appoint a Nondiscrimination Coordinator for personnel who shall be responsible for coordinating the District's nondiscrimination efforts. The Nondiscrimination Coordinator may be the Superintendent or a Complaint Manager for the Uniform Grievance Procedure. The Superintendent shall insert into this policy the names, addresses, and telephone numbers of the District's current Nondiscrimination Coordinator and Complaint Managers.

Nondiscrimination Coordinator:

Name	Jason Lind
Address	18550 Millburn Road Wadsworth, IL 60083
Telephone	847-245-2900

Complaint Managers:

Telephone	847-245-2920	847-245-2777

The Superintendent shall also use reasonable measures to inform staff members and applicants that the District is an equal opportunity employer, such as, by posting required notices and including this policy in the appropriate handbooks.

Minority Recruitment

The District will attempt to recruit and hire minority employees. The implementation of this policy may include advertising openings in minority publications, participating in minority job fairs, and recruiting at colleges and universities with significant minority enrollments. This policy, however, does not require or permit the District to give preferential treatment or special rights based on a protected status without evidence of past discrimination.

Equal Employment Opportunity and Minority Recruitment ¹

The School District shall provide equal employment opportunities² to all persons regardless of their race; color; creed; religion;³ national origin; sex;⁴ sexual orientation;⁵ age;⁶ ancestry; marital

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ Federal and State law (see the policy's Legal References) require that all districts have a policy on equal employment opportunities and control this policy's content. **This is a complex, confusing, and highly litigated area of the law; consult the board attorney for advice on the application of these laws to specific fact situations.**

² *Equal employment opportunities* apply to virtually all terms and conditions of employment, e.g., discharge, hire, promotion, pay, demotion, and benefits (see the policy's Legal References). The Ill. Constitution protects the following categories from discrimination in employment: race, color, creed, national ancestry, sex, and handicap. Art. I, §§17, 18, and 19. The Ill. Human Rights Act (IHRA) protects the following categories from discrimination in employment: race, color, religion, sex, national origin, ancestry, age, marital status, physical or mental disability, military status, order of protection status, sexual orientation, pregnancy, unfavorable discharge from military service, and citizenship status. 775 ILCS 5/1-102 and 5/1-103.

The Equal Employment Opportunities Act (EEOA, a/k/a Title VII of the Civil Rights Act of 1964) prohibits discrimination because of an individual's race, color, religion, sex, or national origin. 42 U.S.C. §2000e et seq., amended by The Lilly Ledbetter Fair Pay Act of 2009 (LLFPA), Pub.L. 111-2.

The LLFPA clarifies that a discriminatory compensation decision or other practice occurs each time an employee is paid or receives a last benefits check pursuant to the discriminatory compensation decision as opposed to only from the time when the discriminatory compensation decision or other practice occurred. The Act has no legislative history available to define what the phrase *or other practice* might mean beyond a discriminatory compensation decision.

The Ill. Equal Pay Act of 2003 (EPA) offers additional protection by prohibiting the payment of wages to one sex less than the opposite sex or to an African-American less than a non-African-American *for the same or substantially similar work*. 820 ILCS 112/, amended by P.A. 100-1140. The Ill. Dept. of Labor (IDOL) enforces the EPA.

While not exhaustive, other laws protecting these and additional classifications are named in subsequent footnotes.

³ 775 ILCS 5/2-102 of the IHRA, amended by P.A. 100-100, contains a new *religious discrimination* subsection. It expressly prohibits employers from requiring a person to violate a sincerely held religious belief to obtain or retain employment unless, after engaging in a bona fide effort, the employer demonstrates that it is unable to reasonably accommodate the employee's or prospective employee's sincerely held religious belief, practice, or observance without undue hardship on the conduct of the employer's business. Religious beliefs include, but are not limited to: the wearing of any attire, clothing, or facial hair in accordance with the requirements of his/her religion. 775 ILCS 5/2-102(E-5). Employers may, however, enact a dress code or grooming policy that restricts attire, clothing, or facial hair to maintain workplace safety or food sanitation. *Id.*

In addition to the IHRA and the federal EEOA (discussed in f/n 2), see 775 ILCS 35/, Religious Freedom Restoration Act.

⁴ In addition to the IHRA and the federal EEOA (discussed in f/n 2), see Title IX of the Education Amendments of 1972. 20 U.S.C. §1681 et seq. The federal Equal Pay Act prohibits an employer from paying persons of one sex less than the wage paid to persons of the opposite sex for equal work. 29 U.S.C. §206(d). See f/n 2 above for more information on State equal pay protections, including on the basis of sex. The LLFPA defines *date of underpayment* as each time wages are underpaid. Employees have one year from the time they become aware of the underpayment to file a complaint with the IDOL. 820 ILCS 112/15(b).

⁵ *Sexual orientation* means actual or perceived heterosexuality, homosexuality, bisexuality, or gender-related identity; it does not include a physical or sexual attraction to a minor by an adult. 775 ILCS 5/1-103(O-1).

⁶ Age Discrimination in Employment Act (ADEA) (29 U.S.C. §621 et seq.), amended by LLFPA (see f/n 2). 29 C.F.R. Part 1625, amended the U.S. Equal Employment Opportunity Commission (EEOC) regulations under ADEA to reflect the U.S. Supreme Court's decision in *General Dynamic Systems, Inc. v. Cline*, 540 U.S. 581 (2004), holding the ADEA to permit employers to favor older workers because of age. Thus, favoring an older person over a younger person is not unlawful discrimination, even when the younger person is at least 40 years old.

status;⁷ arrest record;⁸ military status; order of protection status;⁹ unfavorable military discharge;¹⁰ citizenship status provided the individual is authorized to work in the United States;¹¹ use of lawful products while not at work;¹² being a victim of domestic or sexual violence;¹³ genetic information;¹⁴ physical or mental handicap or disability, if otherwise able to perform the essential functions of the job with reasonable accommodation;¹⁵ pregnancy, childbirth, or related medical conditions;¹⁶ credit

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁷ 105 ILCS 5/10-22.4 and 775 ILCS 5/1-103(Q). The term *marital status* means an individual's legal status of being married, single, separated, divorced, or widowed. 775 ILCS 5/1-103(J). This statutory definition does not encompass the identity of one's spouse. Thus, school districts may adopt no-spouse policies. *Boaden v. Dept. of Law Enforcement*, 171 Ill.2d 230 (Ill. 1996).

⁸ Districts may not make employment decisions on the basis of arrest history, but may use job-disqualifying criminal convictions. 775 ILCS 5/2-103. The Job Opportunities for Qualified Applicants Act prohibits an employer from asking about a criminal record until the employer determines that the applicant is qualified for the position; however, this does not apply when employers are required to exclude applicants with certain criminal convictions from employment. School employers should limit their requests for criminal convictions to *job-disqualifying* convictions. 820 ILCS 75/15. See also the EEOC's guidance, *Consideration of Arrest and Conviction Records in Employment Decisions*, at: www.eeoc.gov/laws/guidance/arrest_conviction.cfm.

⁹ 775 ILCS 5/1-103(Q). The term *order of protection status* means a person protected under an order of protection issued pursuant to the Ill. Domestic Violence Act of 1986 or an order of protection issued by a court of another state. 775 ILCS 5/1-103(K-5).

¹⁰ *Military status* means a person's status on active duty or in status as a veteran in the U.S. Armed Forces, veteran of any reserve component of U.S. Armed Forces, or current member or veteran of the Ill. Army National Guard or Ill. Air National Guard. 775 ILCS 5/1-103(J-1). *Unfavorable military discharge* does not include those characterized as RE-4 or *dishonorable*. 775 ILCS 5/1-103(P). The Uniformed Services Employment and Reemployment Rights Act of 1994 prohibits employers from discriminating or retaliating against any person for reasons related to past, present, or future service in a *uniformed service*. 38 U.S.C. §4301 *et seq.*

¹¹ 775 ILCS 5/1-102(C). According to the Immigration Reform and Control Act of 1986, all employers must verify that employees are either U.S. citizens or authorized to work in the U.S. 8 U.S.C. §1324(a) *et seq.*

¹² The Right to Privacy in the Workplace Act prohibits discrimination based on use of lawful products, e.g., alcohol and tobacco, off premises during non-working hours. 820 ILCS 55/5.

¹³ 820 ILCS 180/30, Victims' Economic Security and Safety Act. An employer is prohibited from discriminating against any individual (e.g. an applicant for employment) because he or she "is an employee whose employer is subject to Section 21 of the Workplace Violence Prevention Act." The Workplace Violence Prevention Act allows an employer to seek a *workplace protection restraining order* when there is a credible threat of violence at the workplace. 820 ILCS 275/. Section 21 requires the employer seeking a *workplace protection restraining order* to notify the employee who is a victim of unlawful violence. 820 ILCS 275/21.

¹⁴ Illinois' Genetic Information Protection Act (GIPA) (410 ILCS 513/25) and Title II of Genetic Information Nondiscrimination Act (GINA) (42 U.S.C. §2000ff *et seq.*). Both laws protect job applicants and current and former employees from discrimination based on their genetic information. Note that GIPA provides greater protections to Illinois employees than Title II of GINA. GIPA, amended by P.A. 100-396, prohibits employers from penalizing employees who do not disclose genetic information or do not choose to participate in a program requiring disclosure of the employee's genetic information. See f/n 12 in 2:260, *Uniform Grievance Procedure* for the definition of genetic information and a detailed description of both statutes, including of Title I of GINA affecting the use of genetic information in health insurance. In 2011, the EEOC published an informative guidance letter, *ADA & GINA: Incentives for Workplace Wellness Program* at: www.eeoc.gov/eeoc/foia/letters/2011/ada_gina_incentives.html. Consult the board attorney for guidance regarding specific application of these laws and how they integrate with other related laws, e.g., the Family Medical Leave Act, the Americans with Disabilities Act, and other State laws governing time off for sickness and workers' compensation.

¹⁵ Americans with Disabilities Act of 1990 (ADA) (42 U.S.C. §12101 *et seq.*), amended by the Americans with Disabilities Act Amendments Act of 2008 (ADAAA) (Pub. L. 110-325) and modified by the LLFPA; Rehabilitation Act of 1973 (29 U.S.C. §791 *et seq.*).

¹⁶ 775 ILCS 5/2-102(I). Employers must provide reasonable accommodations to employees with conditions related to pregnancy, childbirth, or related conditions. 775 ILCS 5/2-102(J). Employers are required to post a notice summarizing the right to be free from unlawful discrimination and the right to certain reasonable accommodations. 775 ILCS 5/2-102(K). The IDOL is required to prepare such a notice, retrievable from its website, which employers may use.

Persons who believe they have not received equal employment opportunities should report their claims to the Nondiscrimination Coordinator and/or a Complaint Manager for the Uniform Grievance Procedure. These individuals are listed below. No employee or applicant will be discriminated or retaliated against because he or she: (1) requested, attempted to request, used, or attempted to use a reasonable accommodation as allowed by the Illinois Human Rights Act, or (2) initiated a complaint, was a witness, supplied information, or otherwise participated in an investigation or proceeding involving an alleged violation of this policy or State or federal laws, rules or regulations, provided the

Federal law also prohibits employers from discriminating against employees and applicants on the basis of pregnancy, childbirth, or related medical conditions. 42 U.S.C. §2000e(k). Pregnant workers with pregnancy-related impairments may have disabilities for which they may be entitled to reasonable accommodation under the ADA. Guidance from the EEOC (7-14-14) is available at: www.eeoc.gov/laws/guidance/pregnancy_qa.cfm.

¹⁷ 820 ILCS 70/, Employee Credit Privacy Act. Unless a satisfactory credit history is an *established bona fide occupational requirement* of a particular position, an employer may not: (1) refuse to hire, discharge, or otherwise discriminate against an individual with respect to employment because of the individual's credit history or credit report; (2) inquire about an applicant's or employee's credit history; or (3) order or obtain an applicant's or employee's credit report from a consumer reporting agency. The Act identifies circumstances that permit a satisfactory credit history to be a job requirement, such as, the position's duties include custody of or unsupervised access to cash or marketable assets valued at \$2,500 or more.

¹⁸ Insert the following optional sentence (775 ILCS 5/1-103(a) and 29 U.S.C. §631):

Age, as used in this policy, means the age of a person who is at least 40 years old.

¹⁹ Insert the following optional provision (29 U.S.C. §705(10)(A)-(B), (20)(C)(v), (20)(D) and 42 U.S.C. §12114):

Handicap and disability, as used in this policy, excludes persons:

1. Currently using illegal drugs;
2. Having a currently contagious disease or infection and who, by reason of such disease or infection, would constitute a direct threat to the health or safety of other individuals or who, by reason of the currently contagious disease or infection, are unable to perform the duties of the job; or
3. Whose current alcohol use prevents them from performing the job's duties or constitutes a direct threat to the property or safety of others.

Persons who have successfully completed or are participating in a drug rehabilitation program are considered *disabled*.

²⁰ Districts may not make residency in the district a condition of employment for teachers or educational support personnel. 105 ILCS 5/24-4.1, 5/10-23.5. This ban on residency requirements for teachers applies only to instructional personnel, and not, for example, to assistant principals. *Owen v. Kankakee Sch. Dist.*, 261 Ill.App.3d 298 (3rd Dist. 1994). Districts also may not ask an applicant, or the applicant's previous employer, whether the applicant ever received, or filed a claim for, benefits under the Workers' Compensation Act or Workers' Occupational Diseases Act. 820 ILCS 55/10(a). Districts are also prohibited from requiring, requesting, or coercing an employee or potential employee to provide a user name and password or any password or other related account information to gain or demand access to his or her personal online account. 820 ILCS 55/10(b), amended by P.A. 99-610. While the law does not prohibit employers from viewing public information, consult the board attorney before engaging in this practice.

²¹ School districts must accommodate mothers who choose to continue breastfeeding after returning to work. See 740 ILCS 137/, Right to Breastfeed Act; 820 ILCS 260/, amended by P.A. 100-1003, Nursing Mothers in the Workplace Act; and 29 U.S.C. §207(r), Fair Labor Standards Act. See sample language for a personnel handbook in 5:10-AP, *Workplace Accommodations for Nursing Mothers*.

²² 410 ILCS 130/40; 77 Ill.Admin.Code Part 946. To legally use medical cannabis, an individual must first become a *registered qualifying patient*. Their use of cannabis (e.g. permissible locations) is governed by the Compassionate Use of Medical Cannabis Pilot Program Act. 410 ILCS 130/, amended by P.A. 100-660. There are many situations in which no one, even a registered qualifying patient, may possess or use cannabis except as provided under *Ashley's Law* (105 ILCS 5/22-33, added by P.A. 100-660), including in a school bus or on the grounds of any preschool, or primary or secondary school. 410 ILCS 130/30(a)(2)(3), amended by P.A. 100-660. See policy 5:50, *Drug- and Alcohol-Free Workplace; Tobacco Prohibition*.

employee or applicant did not make a knowingly false accusation nor provide knowingly false information. ²³

Administrative Implementation

The Superintendent shall appoint a Nondiscrimination Coordinator for personnel who shall be responsible for coordinating the District's nondiscrimination efforts. The Nondiscrimination Coordinator may be the Superintendent or a Complaint Manager for the Uniform Grievance Procedure. The Superintendent shall insert into this policy the names, addresses, and telephone numbers of the District's current Nondiscrimination Coordinator and Complaint Managers. ²⁴

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

²³ 775 ILCS 5/6-101. Discrimination on the basis of a request for or use of a reasonable accommodation is a civil rights violation under the IHRA. Id. Most discrimination laws prohibit retaliation against employees who oppose practices made unlawful by those laws, including, for example, the EEOA, Title IX, ADA, ADEA, Victims' Economic Security and Safety Act, the EPA, and the Ill. Whistleblower Act.

The Ill. Whistleblower Act (IWA) specifically prohibits employers from retaliating against employees for: (1) disclosing information to a government or law enforcement agency, where the employee has reasonable cause to believe that the information discloses a violation of a State or federal law, rule, or regulation (740 ILCS 174/15(b)); (2) disclosing information in a court, an administrative hearing, or before a legislative commission or committee, or in any other proceeding where the employee has reasonable cause to believe that the information reveals a violation of a State or federal law, rule or regulation (740 ILCS 174/15(a)); (3) refusing to participate in an activity that would result in a violation of a State or federal law, rule, or regulation, including, but not limited to, violations of the Freedom of Information Act (740 ILCS 174/20); and (4) disclosing or attempting to disclose public corruption or wrongdoing (740 ILCS 174/20.1). The definition of retaliation is expanded to include *other retaliation* and *threatening retaliation*. 740 ILCS 174/20.1, 20.2.

The Ill. False Claims Act defines *State* to include school districts. 740 ILCS 175/2(a). Thus, boards may seek a penalty from a person for making a false claim for money or property. 740 ILCS 175/4. For information regarding the IWA and the tort of retaliatory discharge. See *Thomas v. Guardsmark*, 487 F.3d 531 (7th Cir. 2007)(discussing the elements of retaliatory discharge and IWA); *Sherman v. Kraft General Foods, Inc.*, 272 Ill.App.3d 833 (4th Dist. 1995)(finding employee who reported asbestos hazard had a cause of action for retaliatory discharge).

²⁴ Title IX regulations require districts to identify the name, address, and telephone number of the person who is responsible for coordinating the district's compliance efforts. The U.S. Dept. of Education's Office for Civil Rights prefers that school districts make Title IX information and coordinators visible to the community, and it has provided materials designed to remind schools of their obligation to designate a Title IX coordinator. These materials include: (a) a *Dear Colleague Letter on Title IX Coordinators*; (b) a *Letter to Title IX Coordinators* that provides them with more information about their role; and (c) a *Title IX Resource Guide* that includes an overview of Title IX's requirements with respect to several key issues. See www2.ed.gov/policy/rights/guid/ocr/title-ix-coordinators.html.

While the names and contact information are required by law to be listed, they are not part of the adopted policy and do not require board action. This allows for additions and amendments to the names and contact information when necessary. It is important for updated names and contact information to be inserted into this policy and regularly monitored.

The District will attempt to recruit and hire minority employees. The implementation of this policy may include advertising openings in minority publications, participating in minority job fairs, and recruiting at colleges and universities with significant minority enrollments. The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

25 Sample policy 2:260, *Uniform Grievance Procedure*, states that a district's Nondiscrimination Coordinator also serves as its Title IX Coordinator. Best practice is that throughout the district's board policy manual, the same individual be named as Nondiscrimination Coordinator. In contrast, Complaint Managers identified in individual policies may vary depending upon local district needs.

26 In addition to notifying employees of the Uniform Grievance Procedure, a district must notify them of the person(s) designated to coordinate the district's compliance with Title IX and the Rehabilitation Act of 1973. 34 C.F.R. §§106.8(a), 104.8(a). The Nondiscrimination Coordinator may be the same individual for both this policy and policy 7:10, *Equal Educational Opportunities*, as well as a Complaint Manager for policy 2:260, *Uniform Grievance Procedure*. A comprehensive faculty handbook can provide required notices, along with other important information, to recipients. The handbook can be developed by the building principal, but should be reviewed and approved by the superintendent and school board. Any *working conditions* contained in the handbook may be subject to mandatory collective bargaining.

27 All districts must have a policy on minority recruitment. 105 ILCS 5/10-20.7a. Unlike minority recruitment efforts, affirmative action plans are subject to significant scrutiny because of the potential for reverse discrimination. The U.S. Constitution's guarantee of equal protection prohibits school districts from using racial hiring quotas without evidence of past discrimination. See 29 C.F.R. §1608.1 et seq. (EEOC's guidelines for affirmative action plans); *Wygant v. Jackson Bd. of Ed.*, 476 U.S. 267 (1986) (The goal of remedying societal discrimination does not justify race-based layoffs.); *City of Richmond v. J.A. Croson Co.*, 488 U.S. 469 (1989) (Minority contractor quota struck; quotas must be narrowly tailored to remedy past discrimination and the city failed to identify the need for remedial action and whether race-neutral alternatives existed.).

The IHRA states that it shall not be construed as requiring any employer to give preferential treatment or special rights based on sexual orientation or to implement affirmative action policies or programs based on sexual orientation. 775 ILCS 5/1-101.1.

Equal Employment Opportunity and Minority Recruitment

The School District shall provide equal employment opportunities to all persons regardless of their race; color; creed; religion; national origin; sex; sexual orientation; age; ancestry; marital status; arrest record; military status; order of protection status; unfavorable military discharge; citizenship status provided the individual is authorized to work in the United States; use of lawful products while not at work; being a victim of domestic or sexual violence; genetic information; physical or mental handicap or disability, if otherwise able to perform the essential functions of the job with reasonable accommodation; pregnancy, childbirth, or related medical conditions; credit history, unless a satisfactory credit history is an established bona fide occupational requirement of a particular position; or other legally protected categories. No one will be penalized solely for his or her status as a registered qualifying patient or a registered designated caregiver for purposes of the Compassionate Use of Medical Cannabis Pilot Program Act, 410 ILCS 130/.

Persons who believe they have not received equal employment opportunities should report their claims to the Nondiscrimination Coordinator and/or a Complaint Manager for the Uniform Grievance Procedure. These individuals are listed below. No employee or applicant will be discriminated or retaliated against because he or she: (1) requested, attempted to request, used, or attempted to use a reasonable accommodation as allowed by the Illinois Human Rights Act, or (2) initiated a complaint, was a witness, supplied information, or otherwise participated in an investigation or proceeding involving an alleged violation of this policy or State or federal laws, rules or regulations, provided the employee or applicant did not make a knowingly false accusation nor provide knowingly false information.

Administrative Implementation

The Superintendent shall appoint a Nondiscrimination Coordinator for personnel who shall be responsible for coordinating the District's nondiscrimination efforts. The Nondiscrimination Coordinator may be the Superintendent or a Complaint Manager for the Uniform Grievance Procedure. The Superintendent shall insert into this policy the names, addresses, and telephone numbers of the District's current Nondiscrimination Coordinator and Complaint Managers.

Minority Recruitment

The District will attempt to recruit and hire minority employees. The implementation of this policy may include advertising openings in minority publications, participating in minority job fairs, and recruiting at colleges and universities with significant minority enrollments. This policy, however, does not require or permit the District to give preferential treatment or special rights based on a protected status without evidence of past discrimination.

Professional Personnel

Policy 5:125

Personnel Technology and Social Media; Usage and Conduct

Purpose of this Policy

The Board of Education recognizes that electronic communication, including communication via social networking sites, may be useful for parent/guardian/student/staff member communication regarding District matters. However, electronic communications also have the potential of creating a disruption in the school environment. This policy is intended to minimize that disruption and ensure that electronic communications between employees and students, between employees and parents/guardians, or between employees are appropriate and within the goals and policies of the District.

Definitions

Includes - Means "includes without limitation" or "includes, but is not limited to."

Social media - Refers to media for social interaction, using highly accessible communication techniques through the use of web-based and mobile technologies to turn communication into interactive dialogue. Examples include *Facebook, LinkedIn, MySpace, Twitter, and YouTube*.

Personal technology - Any device that is not owned or leased by the District or otherwise authorized for District use and: (1) transmits sounds, images, text, messages, videos, or electronic information, (2) electronically records, plays, or stores information, or (3) accesses the Internet, or private communication or information networks. This includes laptops, digital cameras, smartphones such as BlackBerry®, Android®, iPhone®, and other devices, such as iPads® and iPods®.

Electronic Communication - For the purposes of this policy, forms of electronic communication include communication via telephone, text messaging, electronic mail, facsimile, instant messaging, and social networking sites.

Use of Electronic Communications for School-Related Matters

Employees who communicate electronically with students and parents/guardians about school-related matters must use District-approved or District-hosted electronic accounts and applications. This paragraph is not intended to prohibit a teacher (or other staff member) from using his/her personal telephone or mobile phone to speak with a parent/guardian after work hours if the parent/guardian is unavailable for a telephone conference during the teacher's (or other staff member's) work hours.

Use of Personal Technology

All District employees who bring personal technology to the workplace and/or who use personal technology and social media to communicate electronically with other employees, students, or parents/guardians shall:

1. Adhere to the high standards for appropriate school relationships in policy 5:120, *Ethics and Conduct* at all times, regardless of the ever-changing social media and personal technology platforms available. This includes District employees posting images or private information about themselves or others in a manner readily accessible to students and other employees that is inappropriate as defined by policy 5:20, *Workplace Harassment Prohibited*; 5:120, *Ethics and Conduct*; 6:235, *Access to Electronic Networks*; 7:20, *Harassment of Students Prohibited*; and the Ill. Code of Educator Ethics, 23 Ill.Admin.Code §22.20.
2. Exercise the same discretion and high standards in communicating with former students and parents/guardians of former students that employees exercise with current students, parents/guardians, and employees.
3. Report instances of abuse or neglect discovered through the use of social media or personal technology pursuant to a teacher's obligations under the *Abused and Neglected Child Reporting Act*.
4. Use such communication in a manner that does not interfere with or disrupt the educational or working environment, or the delivery of education or educational support services.
5. Not disclose student record information including student work, photographs of students, names of students or any other personally identifiable information about students via electronic communication or social media in compliance with policy 5:130, *Responsibilities Concerning Internal Information*.
6. Refrain from using the District's logos without permission.
7. Follow Board policy 5:170, *Copyright*, and all District copyright compliance procedures.
8. Use personal technology and social media for personal purposes only during non-work times or hours. Any duty-free use must occur during times and places that the use will not interfere with job duties or otherwise be disruptive to the school environment or its operation.
9. Assume all risks associated with the use of personal technology and social media at school or school-sponsored activities, including students' viewing of inappropriate Internet materials through the District employee's personal technology or social media. The Board expressly disclaims any responsibility for imposing content filters, blocking lists, or monitoring of its employees' personal technology and social media.
10. Assume all risks associated with the use of electronic communications with students, parents/guardians, or other staff members that are not in compliance with this policy.
11. Be subject to remedial and any other appropriate disciplinary action for violations of this policy ranging from prohibiting the employee from possessing or using any personal technology or social media at school to dismissal and/or indemnification of the District for any losses, costs, or damages, including reasonable attorney fees, incurred by the District relating to, or arising out of, any violation of this policy.

The Superintendent shall:

1. Inform District employees about this policy during an in-service on educator ethics, teacher-student conduct, and school employee-student conduct required by Board policy 5:120, *Ethics and Conduct*.
2. Develop guidelines for the use of electronic communications with students, parents/guardians, other staff members, and entities related to the District.
3. Direct Building Principals to annually:
 - a. Provide their building staff with a copy of this policy, obtain each employee's signed acknowledgment that he/she read, understood, and agrees to comply with such policy, and maintain a copy of such acknowledgement in the employee's personnel file.
 - b. Inform their building staff about the importance of maintaining high standards in their school relationships.
 - c. Remind their building staff that those who violate this policy will be subject to remedial and any other appropriate disciplinary action up to and including dismissal.
4. Annually inform outside vendors of this policy.
5. Build awareness of this policy with students, parents, and the community.
6. Ensure that no one for the District, or on its behalf, requests of an employee or applicant access in any manner to his or her social networking website or requests passwords to such sites.
7. Periodically review this policy and any procedures with District employee representatives and electronic network system administrator(s) and present proposed changes to the Board.

Personal Technology and Social Media; Usage and Conduct ¹

Definitions

Includes - Means “includes without limitation” or “includes, but is not limited to.”

Social media - Media for social interaction, using highly accessible communication techniques through the use of web-based and mobile technologies to turn communication into interactive dialogue.² This includes, but is not limited to, services such as *Facebook*, *LinkedIn*, *Twitter*, *Instagram*, *Snapchat*, and *YouTube*.³

Personal technology - Any device that is not owned or leased by the District or otherwise authorized for District use and: (1) transmits sounds, images, text, messages, videos, or electronic information, (2) electronically records, plays, or stores information, or (3) accesses the Internet, or private communication or information networks.⁴ This includes laptop computers (e.g., laptops, ultrabooks, and chromebooks), tablets (e.g., iPads®, Kindle®, Microsoft Surface®, and other Android® platform or Windows® devices), smartphones (e.g., iPhone®, BlackBerry®, Android® platform phones, and Windows Phone®), and other devices (e.g., iPod®).⁵

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ This policy is optional. Consult the board attorney because personal technology and social media involve an unprecedented area of the law. Public employees’ First Amendment rights involve an unsettled area of the law. Personal technology and social media platforms change continually. Therefore, instead of prohibiting specific actions, this sample policy focuses on what will not change - maintaining appropriate behavior as outlined in 5:120, *Ethics and Conduct*, the Ill. Educators’ Code of Ethics at 23 Ill.Admin.Code §22.20, and 105 ILCS 5/21B-75 (allows suspensions or revocations of certificates for *immorality* and *unprofessional conduct*, among other things). *Immoral* has been defined by one court to mean “shameless conduct showing moral indifference to the opinions of the good and respectable members of the community,” (see *Ahmad v. Board of Education of City of Chicago*, 847 N.E.2d 810, 819 (Ill.App. 1, 2006)).

Consult the board attorney when a board wants to prohibit more specific actions and/or specific speech, e.g., *friending* students on Facebook or similar social media, *tweeting* or otherwise communicating with students on Twitter or similar social media sites, and text messaging or emailing students. See also the discussion in f/ns 6 & 7 below.

This policy also contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. When a policy’s subject matter is superseded by a bargaining agreement, the board policy can state, “Please refer to the applicable collective bargaining agreement.”

² Several definitions of social media exist, and a board may wish to use another definition or create its own with the board attorney. This sample policy’s definition is very broad. It is adapted from a frequently cited Wikipedia definition at en.wikipedia.org/wiki/Social_media. Merriam-Webster’s definition is at www.merriam-webster.com/dictionary/social%20.

³ Optional. A board may want to add other sites. As of October 2010, the publication *eBizMBA Inc.* lists the top four social networking sites as Facebook, Myspace, Twitter, and LinkedIn, respectively.

⁴ *Personal technology* is not yet defined. It is the title of a weekly column in *The Wall Street Journal*. The column was created and is authored by Walt Mossberg, who frequently directs readers to his review of new technologies on a website titled *All Things Digital* at to allthingsd.com/author/walt/. Many of the reviewed devices operate as described in this sample definition.

⁵ Optional.

Usage and Conduct 6

All District employees who use personal technology and social media shall: 7

1. Adhere to the high standards for appropriate school relationships required by policy 5:120, *Employee Ethics; Conduct; and Conflict of Interest*, at all times, regardless of the ever-changing social media and personal technology platforms available. This includes District employees posting images or private information about themselves or others in a manner readily accessible to students and other employees that is inappropriate as defined by policy 5:20, *Workplace Harassment Prohibited*; 5:100, *Staff Development Program*; 5:120, *Employee Ethics; Conduct; and Conflict of Interest*; 6:235, *Access to Electronic Networks*; 7:20, *Harassment of Students Prohibited*; and the Ill. Code of Educator Ethics, 23 Ill.Admin.Code §22.20.
2. Choose a District-provided or supported method whenever possible to communicate with students and their parents/guardians.
3. Not interfere with or disrupt the educational or working environment, or the delivery of education or educational support services.
4. Comply with policy 5:130, *Responsibilities Concerning Internal Information*. This means that personal technology and social media may not be used to share, publish, or transmit information about or images of students and/or District employees without proper approval. For District employees, proper approval may include implied consent under the circumstances. 8
5. Refrain from using the District's logos without permission and follow Board policy 5:170, *Copyright*, and all District copyright compliance procedures. 9

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

6 Whether to discipline an employee for his or her speech is always highly fact sensitive and should always occur after a consultation with the board attorney (see f/n 1 and 7). The discipline will require careful balancing of the district's obligations to protect its students with employees' rights. Further, a board may not discipline its employees for discussing the terms and conditions of their employment with co-workers and others or otherwise interfere with their employees' efforts to work to improve the terms and conditions of their workplace (29 U.S.C. §151 et seq.).

7 The following list is optional and may contain items on which collective bargaining may be required (see f/n 1). To ensure that the listed expectations match local conditions, boards may want to initiate a conversation with the superintendent about these expectations. Expectations will be most effective when they reflect local conditions and circumstances. This conversation provides an additional opportunity for the board and superintendent to examine all current policies, collective bargaining agreements, and administrative procedures applicable to this subject (see f/n 2 of policy 5:120, *Employee Ethics; Conduct; and Conflict of Interest*; for more discussion about how to initiate this conversation and f/n 3 of policy 5:100, *Staff Development Program*). Employee conduct issues may be subjects of mandatory collective bargaining, therefore consulting the board attorney should be a part of this process. After discussing these issues, the board may have further expectations and may choose to reflect those expectations here.

8 Inherent dangers exist when district employees use personal technology and social media without understanding how the information is used within the chosen platform and what choices are available within the platform to control it. Some examples of laws that require the safekeeping of district and school records include: the Federal Educational Rights and Privacy Act, 20 U.S.C. §1232g and the Ill. School Student Records Act, 105 ILCS 10/ (both prohibit the unauthorized disclosure of student school records), 5 ILCS 140/7 (exempts personnel information and other items such as school security and response plans and maps from disclosure), 45 C.F.R. §164.502 (protects the employees' health information), and 820 ILCS 40/ (governs the release of an employee's disciplinary action). For district employees, implied consent may be sufficient in some circumstances, e.g., teachers taking pictures of each other at a birthday party in the teachers' lounge or at a social event off school grounds and later posting those pictures on Facebook.

9 17 U.S.C. §101 et seq.

6. Use personal technology and social media for personal purposes only during non-work times or hours. Any duty-free use must occur during times and places that the use will not interfere with job duties or otherwise be disruptive to the school environment or its operation. **10**
7. Assume all risks associated with the use of personal technology and social media at school or school-sponsored activities, including students' viewing of inappropriate Internet materials through the District employee's personal technology or social media. The Board expressly disclaims any responsibility for imposing content filters, blocking lists, or monitoring of its employees' personal technology and social media. **11**
8. Be subject to remedial and any other appropriate disciplinary action for violations of this policy ranging from prohibiting the employee from possessing or using any personal technology or social media at school to dismissal and/or indemnification of the District for any losses, costs, or damages, including reasonable attorney fees, incurred by the District relating to, or arising out of, any violation of this policy. **12**

The Superintendent shall: **13**

1. Inform District employees about this policy during the in-service on educator ethics, teacher-student conduct, and school employee-student conduct required by Board policy 5:120, *Employee Ethics; Conduct; and Conflict of Interest*.
2. Direct Building Principals to annually:
 - a. Provide their building staff with a copy of this policy.
 - b. Inform their building staff about the importance of maintaining high standards in their school relationships.
 - c. Remind their building staff that those who violate this policy will be subject to remedial and any other appropriate disciplinary action up to and including dismissal.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

10 105 ILCS 5/24-9; Fair Labor Standards Act, 29 U.S.C. §201 *et seq.* See also f/ns 1 and 6 above.

11 The Children's Internet Protection Act (CIPA), 20 U.S.C. §6301, requires school districts to maintain a policy and provide Internet access that protects against access to websites containing material that is obscene, pornographic, or harmful to minors. See 6:235, *Access to Electronic Networks*. Because a district cannot subject its employees' usage of personal technology and social media to the same measures required under CIPA (i.e., content filters, blocking lists, or district monitoring of Internet website traffic for patterns of usage that could indicate inappropriate network usage), this statement seeks to balance the district's duty by shifting responsibility for inappropriate behavior to the individual employee.

12 The Ill. Human Rights Act makes it a civil rights violation to fail to take remedial action, or to fail to take appropriate disciplinary action against any employee, when the district knows that the employee committed or engaged in sexual harassment of a student (775 ILCS 5/5A-102). Sexual harassment of a student is also prohibited by 7:20, *Harassment of Student Prohibited*, and of an employee by 5:20, *Workplace Harassment Prohibited*.

13 105 ILCS 5/10-16.7. The school board directs, through policy, the superintendent in his or her charge of the district's administration. One logical method for a board to address the issue of district employees' use of personal technology and social media is to include its expectations during its in-service trainings required by 105 ILCS 5/10-22.39. Many experts in social media risk management advocate training employees about the expectations concerning social media usage. For boards that do not want to include this as a part of the in-service, delete the phrase "during the in-service on educator ethics, teacher-student conduct, and school employee-student conduct required by Board policy 5:120, *Employee Ethics; Conduct; and Conflict of Interest*."

Public employee First Amendment issues involve the balance between the importance of the speech and the district's interest in maintaining order and effective school operations. The First Amendment "does not entitle primary and secondary teachers, when conducting the education of captive audiences, to cover topics, or advocate viewpoints, that depart from the curriculum adopted by the school system." See *Mayer v. Monroe County Community School Corp.*, 474 F.3d 477 (7th Cir. 2007). Nor is the First Amendment likely to entitle a teacher to protection for purely personal speech that does not touch on a matter of public concern. See *Pickering v. High School Dist.* 205, 391 U.S. 563 (1968). However, when public employees speak as private citizens on their own time about matters of public concern, they may face only those speech restrictions that are necessary for their employers to operate efficiently and effectively (*Garcetti v. Ceballos*, 547 U.S. 410 (2006)).

3. Build awareness of this policy with students, parents, and the community.
4. Ensure that no one for the District, or on its behalf, requests of an employee or applicant access in any manner to his or her social networking website or requests passwords to such sites. **14**
5. Periodically review this policy and any procedures with District employee representatives and electronic network system administrator(s) and present proposed changes to the Board.

14 Right to Privacy in the Workplace Act, 820 ILCS 55/10(b), amended by P.A. 99-610, eff. 1-1-17 (also known as the *Facebook Password Law*). The exception for *professional accounts* is unlikely to be available to school districts; see the explanation in f/n 15 in policy 5:30, *Hiring Process and Criteria*. The statute specifically permits an employer to: (1) maintain workplace policies governing the use of the employer's electronic equipment, including policies regarding Internet use, social networking site use, and electronic mail use; and (2) monitor usage of the employer's electronic equipment and electronic mail.

The statute does not prohibit an employer from (1) obtaining information about an applicant or an employee that is in the public domain or that is otherwise obtained in compliance with the statute, and (2) requesting or requiring an applicant or employee to share specific content that is reported to the employer to: (a) ensure compliance with laws and regulatory requirements, (b) investigate certain allegations as outlined in the law, and (c) prohibit certain outlined behaviors in the law. Finally, the statute does not apply to other types of personal technology that employees may use to communicate with students or other individuals, such as personal email or text messages on a personal phone. However, employers may access online accounts that the employer pays for or that an employee creates or maintains on behalf of the employer in connection with the employee's employment. Consult the board attorney about these issues.

Teacher Qualifications

A teacher, as the term is used in this policy, refers to a District employee who is required to be certified under State law. The following qualifications apply:

1. Each teacher must:
 - a. Have a valid Illinois certificate that legally qualifies the teacher for the duties for which the teacher is employed.
 - b. Provide the District Office with a complete transcript of credits earned in institutions of higher education.
 - c. On or before September 1 of each year, unless otherwise provided in an applicable collective bargaining agreement, provide the District Office with a transcript of any credits earned since the date the last transcript was filed.

2. Through incentives for voluntary transfers, professional development, recruiting programs, or other effective strategies, ensure that minority students and students from low-income families are not taught at higher rates than other students by unqualified, out-of-field, or inexperienced teachers; and
3. Ensure parents/guardians of students in schools receiving Title I funds are notified: (a) of their right to request their students' classroom teachers' professional qualifications, and (b) whenever their child is assigned to, or has been taught for 4 or more consecutive weeks by, a teacher who is not *highly qualified*.

 - b. Provide the District Office with a complete transcript of credits earned in institutions of higher education.

2. All teachers working in a program supported with federal funds under Title I, Part A must meet applicable State certification and licensure requirements.⁴

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law controls this policy's content. This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. This policy concerns an area in which the law is unsettled.

School boards may participate in the Illinois Teacher Corps; however as of 9-1-11 individuals may no longer be admitted to Illinois Teacher Corps programs. 105 ILCS 5/21-11.4, repealed on 6-30-13.

³ Subparagraph 1a is required for all teachers by 105 ILCS 5/21B-15 (qualifications of educators). Four types of educator licenses are listed in 105 ILCS 5/21B-20, amended by P.A. 100-596: (1) Professional Educator License; (2) Educator License with Stipulations (including endorsements for alternative provisional educator, alternative provisional superintendent, career and technical educator, provisional career and technical educator, transitional bilingual educator, language, visiting international educator, paraprofessional educator, chief school business official, provisional in-state educator, school support personnel intern, and special education area); (3) Substitute Teaching License; and (4) until 6-30-23, Short-Term Substitute Teaching License. Districts may not require an individual who holds a valid Professional Educator License or Educator License with Stipulations to seek or hold a Substitute Teaching License to teach as a substitute teacher. 105 ILCS 5/21B-20(3), added by P.A. 100-596. See also 23 Ill.Admin.Code §1.610 *et seq.*, §1.705 *et seq.* and Part 25, amended at 42 Ill.Reg. 8830 (per §25.100, teachers are no longer endorsed in any course subjects in which they earn grades lower than a "C" in college). The Ill. State Board of Education's (ISBE) *Educator Licensure Information System* (ELIS) is a web-based system that allows educators, administrators, and the public to access licensure information. See www.isbe.net/Pages/Educator-Licensure-Information-System.aspx.

Subparagraph 1b and 1c are required of all teachers by 105 ILCS 5/24-23. Some boards add the word "official" to the phrase, "complete official transcript of credits."

Subparagraph 1d is optional but informs the superintendent when a teacher may be eligible to change lanes on the salary schedule.

⁴ The *highly qualified* teacher requirement of the No Child Left Behind Act, formerly found in §6319 of the Elementary and Secondary Education Act (ESEA, 20 U.S.C. §6319), was repealed by the Every Student Succeeds Act (ESSA, Pub. L. 114-95, eff. 12-10-15). ESEA federal implementing regulation 34 C.F.R. §200.55 was updated on 7-7-17 (82 Fed. Reg. 31706), however State implementing regulations at 23 Ill. Admin.Code Part 25, Appendix D have not been updated yet. In *Every Student Succeeds Act (ESSA) Frequently Asked Questions* (8-12-16) (www.isbe.net/Documents/ESSA-faq.pdf), ISBE advised that districts did not need to comply with the *highly qualified* teacher requirement during the 2016-17 school year.

¹ State or federal law controls this policy's content. This policy contains items on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. The local collective bargaining agreement may contain provisions that exceed these requirements. In such cases, the board policy should be amended to state, "Please refer to the applicable collective bargaining agreement."

Evaluation, tenure, and dismissals changed significantly from 2013 to 2016 as P.A.s 96-861, 97-8, and 98-513 were implemented. These public acts are referred to as *Education Reform* or *Education Reform Acts*.

² This paragraph is consistent with the IASB's *Foundational Principles of Effective Governance*. Boards have three options for using this paragraph: (1) use it as an introduction to the policy; (2) use it alone leaving the specific other topics for administrative implementation; or (3) do not use it.

⁵ The length of the school day is left to the board's discretion absent an individual or collective bargaining contract. Prior to the repeal of 105 ILCS 5/18-8.05(F) by P.A. 100-582, with several exceptions, the student attendance day was required to consist of at least five clock hours under the direct supervision of a teacher or non-teaching volunteer providing non-teaching or supervisory duties as specified in 105 ILCS 5/10-22.34(a), in order to qualify as a full day for calculating state aid entitlement. Despite the repeal of 105 ILCS 5/18-8.05(F), Ill. State Board of Education (ISBE) rules implementing it are still in effect at 23 Ill.Admin.Code §1.420(f). See f/n 5 in policy 6:20, *School Year Calendar and Day*, for more information about ISBE's response to this law's repeal.

Substitute Teachers

The Superintendent may employ substitute teachers as necessary to replace teachers who are temporarily absent.

A substitute teacher must hold either a valid teaching or substitute certificate and may teach in the place of a certified teacher who is under contract with the Board. There is no limit on the number of days that a substitute teacher may teach in the District during the school year. However there is a limit on the number of days that a substitute teacher may teach for any one certified teacher under contract with the District in the same school year. The following limitations apply:

1. A substitute teacher holding a substitute certificate may teach only for a period not to exceed 90 school days.
2. A teacher holding a valid early childhood, elementary, high school, or special certificate may teach only for a period not to exceed 120 school days.

The Teachers' Retirement System (TRS) in Illinois limits a substitute teacher who is a TRS annuitant to substitute teaching for a period not to exceed 100 paid days or 500 paid hours in any school year, unless the subject area is one where the Regional Superintendent has certified that a personnel shortage exists.

The School Board establishes a daily rate of pay for substitute teachers. Substitute teachers receive only monetary compensation for time worked and no other benefits.

Emergency Situations

A substitute teacher may teach when no certified teacher is under contract with the Board if the District has an emergency situation as defined in State law. During an emergency situation, a substitute teacher is limited to 30 calendar days of employment per each vacant position. The Superintendent will notify the appropriate Regional Office of Education within 5 business days after the employment of a substitute teacher in an emergency situation.

Substitute Teachers ¹

The Superintendent may employ substitute teachers as necessary to replace teachers who are temporarily absent.

A substitute teacher must hold either a valid teaching or substitute license or short-term substitute license and may teach in the place of a licensed teacher who is under contract with the Board.² There is no limit on the number of days that a substitute teacher may teach in the District during the school year, except as follows: ³

1. A substitute teacher holding a substitute license may teach for any one licensed teacher under contract with the District only for a period not to exceed 90 paid school days in any one school term.
2. A teacher holding a Professional Educator License⁴ or Educator License with Stipulations⁵ may teach for any one licensed teacher under contract with the District only for a period not to exceed 120 paid school days.
3. A short-term substitute teacher holding a short-term substitute teaching license may teach for any one licensed teacher under contract with the District only for a period not to exceed five consecutive school days. ⁶

The Illinois Teachers' Retirement System (TRS) limits a substitute teacher who is a TRS annuitant to substitute teaching for a period not to exceed 120 paid days or 600 paid hours in each school year, but not more than 100 paid days in the same classroom. ¹⁰ 105 ILCS 5/10-20.67 (final citation pending), added by P.A. 100-596, requires boards to conduct this training. This requirement provides an opportunity for each board and the superintendent to examine all current policies, collective bargaining agreements, and administrative procedures on this subject. Each board may then want to have a conversation with the superintendent and direct him or her to develop a curriculum for a short-term substitute teacher training program that provides individuals who hold a Short-Term Substitute Teaching License with information on curriculum, classroom management techniques, school safety, and district and building operations. See also 5:220-AP, *Substitute Teachers*, and f/n 3 in 5:220-AP. These expectations will be most effective when they reflect local conditions and circumstances. Training and curriculum for a short-term substitute teacher training program may be subjects of mandatory collective bargaining, therefore consulting with the board attorney should be a part of this process. A district would commit an unfair labor practice by implementing new programs for staff without first offering to negotiate them with the applicable exclusive bargaining representative.

School boards may choose to also offer this training program to individuals who hold a Substitute Teaching License and/or substitute teachers holding a Professional Educator License. This provision repeals on 7-1-23.

An *emergency situation* is defined as one where an unforeseen vacancy has occurred and (i) a teacher is unable to fulfill his or her contractual duties, or (ii) the district's teacher capacity needs exceed previous indications and the district is actively engaged in advertising to hire a fully licensed teacher for the vacant position.

Suspension ¹

Suspension Without Pay ²

The School Board may suspend without pay: (1) a professional employee pending a dismissal hearing, or (2) a teacher as a disciplinary measure for up to 30 employment days for misconduct that is detrimental to the School District. Administrative staff members may not be suspended without pay as a disciplinary measure. ³

Misconduct that is detrimental to the School District includes:

- Insubordination, including any failure to follow an oral or written directive from a supervisor;
- Violation of Board policy or Administrative Procedure;
- Conduct that disrupts or may disrupt the educational program or process;
- Conduct that violates any State or federal law that relates to the employee's duties; and
- Other sufficient causes.

The Superintendent or designee is authorized to issue a pre-suspension notification to a professional employee. This notification shall include the length and reason for the suspension as well as the deadline for the employee to exercise his or her right to appeal the suspension to the Board or Board-appointed hearing examiner before it is imposed. At the request of the professional employee made within five calendar days of receipt of a pre-suspension notification, the Board or Board-appointed

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State and federal law control this policy's content. The School Code provides that, "[i]f, in the opinion of the board, the interests of the school require it, the board may suspend the teacher **without pay**, pending the hearing, but if the board's dismissal or removal is not sustained, the teacher shall not suffer the loss of any salary or benefits by reason of the suspension," 105 ILCS 5/24-12(d)(1).

This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. If a local collective bargaining agreement contains provisions on suspension, it will supersede this policy for those covered employees. In such cases, the board policy should be amended to state, "Please refer to the applicable collective bargaining agreement." For employees not covered, the policy should reflect the board's current practice.

A superintendent or board should consult the board attorney before taking any action to suspend a licensed employee, with or without pay.

² Under the wage and hours rules, employees who are exempt from overtime requirements become eligible for overtime if they are subject to disciplinary suspensions without pay. *Auer v. Robbins*, 519 U.S. 452 (1997). Teachers are exempt from this rule. Although the U.S. Dept. of Labor modified this rule in 2004, the Illinois legislature rejected these rule changes. 820 ILCS 105/4a. Illinois employers must use the federal rules as they existed on March 30, 2003. This sample policy takes a conservative approach: it does not subject non-teaching professional employees to disciplinary suspensions without pay. Some attorneys believe that non-teaching exempt employees, e.g., administrators, will remain exempt from the Fair Labor Standards Act's overtime requirements as long as suspensions are in increments of a full work week - not day-by-day. Contact the board attorney for an opinion.

The 30-day limit may be modified or deleted.

³ A difference of opinion exists among attorneys concerning whether a board is permitted to authorize the superintendent to suspend teachers without pay. Some attorneys believe such a delegation is void because of the language in 105 ILCS 5/24-12(d)(1), quoted in f/n 1. Others believe that a board may delegate the authority to the superintendent to suspend teachers without pay as a disciplinary measure as opposed to pending a dismissal hearing. Contact the board attorney for advice if the board wants to authorize the superintendent to suspend professional employees without pay.

hearing examiner will conduct a pre-suspension hearing.⁴ The Board or its designee shall notify the professional employee of the date and time of the hearing. At the pre-suspension hearing, the professional employee or his/her representative may present evidence. If the employee does not appeal the pre-suspension notification, the Superintendent or designee shall report the action to the Board at its next regularly scheduled meeting.

Suspension With Pay

The Board or Superintendent or designee may suspend a professional employee with pay: (1) during an investigation into allegations of disobedience or misconduct whenever the employee's continued presence in his or her position would not be in the School District's best interests, (2) as a disciplinary measure for misconduct that is detrimental to the School District as defined above, or (3) pending a Board hearing to suspend a teacher without pay.

The Superintendent shall meet with the employee to present the allegations and give the employee an opportunity to refute the charges. The employee will be told the dates and times the suspension will begin and end.⁵

Employees Under Investigation by Illinois Dept. of Children and Family Services (DCFS)⁶

Upon receipt of a DCFS recommendation that the District remove an employee from his or her position when he or she is the subject of a pending DCFS investigation that relates to his or her employment with the District, the Board or Superintendent or designee,⁷ in consultation with the Board Attorney, will determine whether to:

1. Let the employee remain in his or her position pending the outcome of the investigation; or
2. Remove the employee as recommended by DCFS, proceeding with:
 - a. A suspension with pay; or
 - b. A suspension without pay.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁴ Some case law suggests a separate hearing must be held before any suspension without pay is invoked: Cleveland Bd. of Educ. v. Loudermill, 470 U.S. 532 (1985); Barszcz v. Community College District No. 504, 400 F.Supp. 675 (N.D. Ill., 1975); Massie v. East St. Louis Sch. Dist. No. 189, 203 Ill.App.3d 965 (5th Dist.1990); Spinelli v. Immanuel Lutheran Evangelical Congregation, Inc., 118 Ill.2d 389(1987).

⁵ Only minimal due process is required before a suspension with pay because the property interests at stake are insignificant. Some due process is recommended, however, because a suspension might jeopardize a teacher's good standing in the community and thus infringe the teacher's liberty interests protected by the Constitution. The following option places a ceiling on the number of suspension-with-pay days; the 30-day limit may be modified:

No suspension with pay shall exceed 30 school or working days in length.

⁶ Optional. 325 ILCS 5/7.4(c-5), amended by P.A. 100-176, eff. 1-1-18. Consult the board attorney about suspending an employee without pay pursuant to a *DCFS 325 ILCS 5/7.4(c-5)-recommendation*. This language balances the interests of student safety and employee due process when the district receives a recommendation to remove an employee who is the subject of a DCFS investigation from employment.

Note: Liability may exist when a district receives a *325 ILCS 5/7.4(c-5)-recommendation* and does not remove the employee as a result. Consider In re Estate of Stewart v. Oswego Comm. Unit. Sch. Dist. No. 308, 406 Ill.Dec. 345 (2nd Dist. 2016)(finding district's response to a student health emergency was willful and wanton as it had prior information regarding appropriate response protocols and denying tort immunity to district); In re Estate of Stewart, 412 Ill.Dec. 914 (Ill. 2017)(school district's appeal denied).

Suspension

Suspension Without Pay

The School Board may suspend without pay: (1) a professional employee pending a dismissal hearing, or (2) a teacher as a disciplinary measure for up to 30 employment days for misconduct that is detrimental to the School District. Administrative staff members may not be suspended without pay as a disciplinary measure.

Misconduct that is detrimental to the School District includes:

- Insubordination, including any failure to follow an oral or written directive from a supervisor;
- Violation of Board policy or Administrative Procedure;
- Conduct that disrupts or may disrupt the educational program or process;
- Conduct that violates any State or federal law that relates to the employee's duties; and
- Other sufficient causes.

The Superintendent or designee is authorized to issue a pre-suspension notification to a professional employee. This notification shall include the length and reason for the suspension as well as the deadline for the employee to exercise his or her right to appeal the suspension to the Board or Board-appointed hearing examiner before it is imposed. At the request of the professional employee made within five calendar days of receipt of a pre-suspension notification, the Board or Board-appointed hearing examiner will conduct a pre-suspension hearing. The Board or its designee shall notify the professional employee of the date and time of the hearing. At the pre-suspension hearing, the professional employee or his/her representative may present evidence. If the employee does not appeal the pre-suspension notification, the Superintendent or designee shall report the action to the Board at its next regularly scheduled meeting.

Suspension With Pay

The Board or Superintendent or designee may suspend a professional employee with pay: (1) during an investigation into allegations of disobedience or misconduct whenever the employee's continued presence in his or her position would not be in the School District's best interests, (2) as a disciplinary measure for misconduct that is detrimental to the School District as defined above, or (3) pending a Board hearing to suspend a teacher without pay.

The Superintendent shall meet with the employee to present the allegations and give the employee an opportunity to refute the charges. The employee will be told the dates and times the suspension will begin and end.

Employees Under Investigation by Illinois Dept. of Children and Family Services (DCFS)

Upon receipt of a DCFS recommendation that the District remove an employee from his or her position when he or she is the subject of a pending DCFS investigation that relates to his or her employment with the District, the Board or Superintendent or designee, in consultation with the Board Attorney, will determine whether to:

1. Let the employee remain in his or her position pending the outcome of the investigation; or
2. Remove the employee as recommended by DCFS, proceeding with:
 - a. A suspension with pay; or

- b. A suspension without pay.

Repayment of Compensation and Benefits

If a professional employee is suspended with pay, either voluntarily or involuntarily, pending the outcome of a criminal investigation or prosecution, and the employee is later dismissed as a result of his or her criminal conviction, the employee must repay to the District all compensation and the value of all benefits received by him or her during the suspension. The Superintendent will notify the employee of this requirement when the employee is suspended.

Section 5 - Personnel

Professional Personnel

Policy 5:250

Leaves of Absence

Each of the provisions in this policy applies to all professional personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave

Each full-time professional staff member is granted 13 days sick leave each school year at full pay. Unused days are allowed to accumulate to 340 days. Sick leave is defined in State law as personal illness, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, or placement for adoption.

As a condition for paying sick leave after 3 days absence for personal illness or 30 days for birth or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a chiropractic physician licensed under the Medical Practice Act, (3) an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to perform health examinations, (4) a physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (5) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than 3 days for personal illness, the District shall pay the expenses incurred by the employee.

The use of paid sick leave for adoption or placement for adoption is limited to 30 days unless a longer leave is provided in an applicable collective bargaining agreement. The Superintendent may require that the employee provide evidence that the formal adoption process is underway.

Sabbatical Leave

Sabbatical leave may be granted in accordance with The School Code.

Personal Leave

Professional staff members are granted two personal leave days per year. A personal leave day is defined as a day to allow professional personnel time to conduct personal business (but not vacation, travel, or work stoppage), which is impossible to schedule at a time other than during a school day. Any unused personal leave day in a school year will be credited to the cumulative sick leave.

The use of a personal day is subject to the following conditions:

1. Except in cases of emergency or unavoidable situations, personal leave requests should be submitted to the Building Principal 3 days in advance of the requested date,
2. No personal leave days may be used immediately before or immediately after a holiday unless the Superintendent grants prior approval,
3. Personal leave may not be used in increments of less than one-half day,
4. Personal leave days are subject to a substitute's availability,
5. Personal leave days may not be used during the first and/or last 5 days of the school year,
6. Personal leave days may not be used on in-service and/or institute training days, and
7. Personal leave may not be used by more than 10% of the teaching staff in each building at the same time.

Leave of Absence Without Pay

The Board may grant a leave of absence without pay to tenured professional staff members who have

rendered satisfactory service and desire to return to employment in a similar capacity at a time determined by the Board.

Each leave of absence shall be of the shortest possible duration required to meet the leave's purpose consistent with a reasonable continuity of instruction for students.

Child-Rearing Leave

The Board shall grant a professional staff member's request for a non-paid, child-rearing leave, not to exceed the balance of the school year plus one additional school year (but in no event shall such leave exceed 3 semesters), provided the request complies with this policy. Nothing in this section shall prohibit a professional staff member from using paid sick days as provided in this policy.

A teacher must request, if possible, a child-rearing leave by notifying the Superintendent in writing no later than 90 days before the requested leave's beginning date. The request should include the proposed leave dates. The leave shall end before a new school year begins or before the first day of school after winter recess.

Subject to the insurance carrier's approval, the teacher may maintain insurance benefits at his or her own expense during a child-rearing leave.

A professional staff member desiring to return before the leave's expiration will be assigned to an available vacancy for which the teacher is qualified, subject to scheduling efficiency and instruction continuity.

Leaves for Service in the Military

Leaves for service in the U.S. Armed Services or any of its reserve components and the National Guard, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in military service does not acquire tenure.

General Assembly Leave

Leaves for service in the General Assembly, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in the General Assembly does not acquire tenure.

Leave for Employment in Department of Defense

The Board may grant teachers a leave of absence to accept employment in a Department of Defense overseas school.

School Visitation Leave

An eligible professional staff member is entitled to 8 hours during any school year, no more than 4 hours of which may be taken on any given day, to attend school conferences or classroom activities related to the teacher's child, if the conference or activity cannot be scheduled during non-work hours. Professional staff members must first use all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the professional staff member, except sick, and disability leave.

The Superintendent shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act.

Leaves for Victims of Domestic or Sexual Violence

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic or sexual violence, or (2) has a family or household member who is a victim of domestic or sexual violence whose interests are not adverse to the employee as it relates to the domestic or sexual violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance without suffering adverse employment action.

The Victims' Economic Security and Safety Act governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the District employs at least 50 employees, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 (29 U.S.C. §2601 et seq.).

Leaves to Serve as an Officer or Trustee of a Specific Organization

Upon request, the Board will grant: (1) an unpaid leave of absence to an elected officer of a State or national teacher organization that represents teachers in collective bargaining negotiations, (2) twenty days of paid leave of absence per year to a trustee of the Teachers' Retirement System in accordance with 105 ILCS 5/24-6.3, and (3) a paid leave of absence for the local association president of a State teacher association that is an exclusive bargaining agent in the District, or his or her designee, to attend meetings, workshops, or seminars as described in 105 ILCS 5/24-6.2.

Professional Personnel

Leaves of Absence ¹

Each of the provisions in this policy applies to all professional personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave ²

Each full-time professional staff member is granted 10 days sick leave each school year at full pay. Unused days are allowed to accumulate to 180 days. Sick leave is defined in State law as personal illness, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, or placement for adoption.

As a condition for paying sick leave after three days absence for personal illness or 30 days for birth or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a chiropractic physician licensed under the Medical Practice Act, (3) an advanced practice registered nurse who has a written collaborative agreement

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law controls this policy's content. This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right.

This policy is consistent with the minimum requirements of State law. The local collective bargaining agreement may contain provisions that exceed these requirements. The introductory paragraph recognizes that an applicable collective bargaining agreement or individual employment contract will supersede a conflicting provision of the policy. It also provides policy coverage for those professional personnel who are not included in a bargaining unit or have employment contracts with conflicting provisions. Alternatively, if the policy's subject matter is superseded by a bargaining agreement, the board policy may state, "Please refer to the applicable collective bargaining agreement."

Districts must coordinate leaves provided by State law and the local bargaining agreement with the leave granted by the Family and Medical Leave Act (FMLA) (29 U.S.C. §2612), amended by Sec. 565 of the National Defense Authorization Act for Fiscal Year 2010 (Pub.L. 111-84). The FMLA grants eligible employees 12 weeks unpaid leave each year for: (1) the birth and first-year care of a child; (2) the adoption or foster placement of a child; (3) the serious health condition of an employee's spouse, parent, or child; (4) the employee's own serious health condition; (5) the existence of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is on *covered active duty*; and (6) to care for the employee's spouse, child, parent, or next of kin who is a covered servicemember with a serious injury or illness. Districts are permitted to count paid leave (granted by State law or board policy) taken for an FMLA purpose against an employee's FMLA entitlement. 29 C.F.R. §825.207. See policy 5:185, *Family and Medical Leave*.

A plethora of State laws grant leaves to employees of the State and municipalities but are not applicable to school districts, including the Employee Blood Donation Leave Act (820 ILCS 149/), Local Government Disaster Service Volunteer Act (50 ILCS 122/), Organ Donor Leave Act (5 ILCS 327/), and Civil Air Patrol Leave Act (820 ILCS 148/).

² The provisions in this section are required by 105 ILCS 5/24-6, amended by P.A. 100-513. Each specified number of days in this section is the statutory minimum. Before adopting this policy or applying its provisions, the district should examine any applicable bargaining agreements.

Consult the board attorney about the Employee Sick Leave Act. 820 ILCS 191/, added by P.A. 99-841. It prohibits employers from limiting the use of sick time to an employee's own illnesses and allows employees to use employer-provided sick leave to care for an ill or injured *family member* or to attend a medical appointment with a family member. The law defines family members as a child, stepchild, spouse, domestic partner, sibling, parent, mother- or father-in-law, grandchild, grandparent, or stepparent. *Id.* at 191/10(b). Leave may be taken under the same terms for which the employee would be permitted to take leave for his or her own illness or injury.

with a collaborating physician that authorizes the advanced practice registered nurse to perform health examinations, (4) a physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (5) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

The use of paid sick leave for adoption or placement for adoption is limited to 30 days unless a longer leave is provided in an applicable collective bargaining agreement. The Superintendent may require that the employee provide evidence that the formal adoption process is underway. ³

Child Bereavement Leave ⁴

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, 20 U.S.C. §2601 *et seq.*) to take child bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Child Bereavement Leave Act. Child bereavement leave allows for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of his or her child, (2) making arrangements necessitated by the death of the staff member's child, or (3) grieving the death of the staff member's child, without any adverse employment action.

The leave must be completed within 60 days after the date on which the employee received notice of the death of his or her child. However, in the event of the death of more than one child in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Child Bereavement Leave Act. This policy does not create any right for an employee to take child bereavement leave that is inconsistent with the Child Bereavement Leave Act.

Sabbatical Leave ⁵

Sabbatical leave may be granted in accordance with the School Code.

Personal Leave ⁶

Professional staff members are granted one personal leave day per year. A personal leave day is defined as a day to allow professional personnel time to conduct personal business (but not vacation, travel, or work stoppage), which is impossible to schedule at a time other than during a school day. Any unused personal leave day in a school year will be credited to the cumulative sick leave.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

³ 105 ILCS 5/24-6.

⁴ Child Bereavement Leave Act, 820 ILCS 154/, added by P.A. 99-703. These paragraphs discuss child bereavement leave. 820 ILCS 154/5, added by P.A. 99-703, defines an *eligible employee* under the same terms as an employee under FMLA (29 U.S.C. 2601 *et seq.*). See f/n 1 above.

The Act also provides that the leave must be completed within 60 days of the employee learning of the death of his or her *child*, as defined by 820 ILCS 154/, added by P.A. 99-703. However, that 60 day limitation does not apply where more than one child dies in a 12-month period. There may be times where an employer may want to grant more than 10 unpaid work days, e.g., when a deceased child lived in a foreign country, etc. Consult the board attorney to resolve the complexities of determining whether an employee is an eligible employee under the FMLA that would trigger this Act.

⁵ State law provides guidelines for sabbatical leaves but does not require boards to offer them. 105 ILCS 5/24-6.1.

⁶ State law does not address personal leave. It is not uncommon for professional staff to be granted more than one day of personal leave a year.

The use of a personal day is subject to the following conditions:

1. Except in cases of emergency or unavoidable situations, personal leave requests should be submitted to the Building Principal three days in advance of the requested date,
2. No personal leave days may be used immediately before or immediately after a holiday unless the Superintendent grants prior approval,
3. Personal leave may not be used in increments of less than one-half day,
4. Personal leave days are subject to a substitute's availability,
5. Personal leave days may not be used during the first and/or last five days of the school year,
6. Personal leave days may not be used on in-service and/or institute training days, and
7. Personal leave may not be used by more than 10% of the teaching staff in each building at the same time.

Leave of Absence Without Pay 7

The Board may grant a leave of absence without pay to tenured professional staff members who have rendered satisfactory service and desire to return to employment in a similar capacity at a time determined by the Board.

Each leave of absence shall be of the shortest possible duration required to meet the leave's purpose consistent with a reasonable continuity of instruction for students.

Leave to Serve as an Election Judge 8

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the District, be absent without pay for the purpose of serving as an election judge. The staff member is not required to use any form of paid leave to serve as an election judge. No more than 10% of the District's employees may be absent to serve as election judges on the same Election Day.

Child-Rearing Leave 9

The Board shall grant a professional staff member's request for a non-paid, child-rearing leave, not to exceed the balance of the school year plus one additional school year (but in no event shall such leave

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁷ State law does not address leaves of absence without pay other than stating that a mutually agreed leave will not affect a teacher's contractual continued service. 105 ILCS 5/24-13.

⁸ This paragraph restates 10 ILCS 5/13-2.5. The statute does not state whether the notice requirement is *calendar* days or *business* days. Support for it being *calendar* days is found in 10 ILCS 5/1-6; support for it being *business* days is found in 10 ILCS 5/1-3.

Rather than duplicate the statute's requirements in separate policies, policy 5:330, *Sick Days, Vacation, Holidays, and Leaves*, grants the leave to support personnel on the terms applicable to professional staff.

⁹ The School Code does not address child-rearing. FMLA grants eligible employees a combined total of 12 weeks each year, with exceptions for teachers at the end of the school year, for, among other things, a child's: (1) birth and first-year care, and (2) adoption or foster placement (see policy 5:185, *Family and Medical Leave*). Districts not covered by the FMLA must treat a request for child-care leave to care for an adopted infant on terms comparable to those given biological mothers. *McWright v. Alexander*, 982 F.2d 222 (7th Cir. 1992).

exceed three semesters), provided the request complies with this policy. Nothing in this section shall prohibit a professional staff member from using paid sick days as provided in this policy. **10**

A teacher must request, if possible, a child-rearing leave by notifying the Superintendent in writing no later than 90 days before the requested leave's beginning date.¹¹ The request should include the proposed leave dates. The leave shall end before a new school year begins or before the first day of school after winter recess. **12**

Subject to the insurance carrier's approval, the teacher may maintain insurance benefits at his or her own expense during a child-rearing leave.

A professional staff member desiring to return before the leave's expiration will be assigned to an available vacancy for which the teacher is qualified, subject to scheduling efficiency and instruction continuity.

Leaves for Service in the Military **13**

Leaves for service in the U.S. Armed Services or any of its reserve components and the National Guard, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in military service does not acquire tenure.

General Assembly Leave **14**

Leaves for service in the General Assembly, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in the General Assembly does not acquire tenure.

Leave for Employment in Department of Defense **15**

The Board may grant teachers a leave of absence to accept employment in a Dept. of Defense overseas school.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

10 Districts offering a child-rearing or maternity leave must be very careful not to violate anti-discrimination laws. Districts can prohibit pregnant teachers from combining paid disability leave with an unpaid maternity leave, provided that non-pregnant teachers are likewise prohibited from combining a paid disability leave with an unpaid general leave of absence. *Maganuco v. Leyden Comm. High Sch. Dist.* 212, 939 F.2d 440 (7th Cir., 1991); *U.S. v. Consol. High Sch. Dist.* 230, 983 F.2d 790 (7th Cir. 1993); *E.E.O.C. v. Elgin Teachers' Ass'n.*, 780 F.Supp. 1195 (N.D.Ill. 1991). A sick leave bank exclusion of maternity benefits violates Title VII. *U.S. v. Consol. High Sch. Dist.* 230, *supra*.

11 The length of the notice - here 90 days - is *not* covered by State or federal law. If an employee fails to provide this notice, the employee still has the right to request a family and medical leave which has a much shorter notice requirement (see policy 5:185, *Family and Medical Leave*), and could be followed by a child-rearing leave.

12 For a high school, omit "the first day of school after winter recess" and insert "at the semester break." Alternatively, the board may want to be more flexible by stating:

Every effort shall be made to have the leave minimally interrupt instructional continuity by ending . . .

13 Required by the School Code (105 ILCS 5/10-20.7b, 5/24-13, and 5/24-13.1); the Service Member Employment and Reemployment Rights Act (38 U.S.C. 4301, added by P.A. 100-1101, streamlining several job-related protection laws into one statute, mandating leave for *active service*, and requiring the public employer to make up the difference between military pay and regular compensation); and the Uniformed Services Employment and Reemployment Rights Act (38 U.S.C. §4301 *et seq.*).

14 Required by 105 ILCS 5/24-13.

15 State law provides guidelines for Dept. of Defense leaves but does not require boards to offer them. 105 ILCS 5/24-13.1.

School Visitation Leave

An eligible professional staff member is entitled to eight hours during any school year, no more than four hours of which may be taken on any given day, to attend school conferences or classroom activities related to the teacher's child, if the conference or activity cannot be scheduled during non-work hours.¹⁶ Professional staff members must first use all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the professional staff member, except sick, and disability leave. ¹⁷

The Superintendent shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act. ¹⁸

Leaves for Victims of Domestic or Sexual Violence ¹⁹

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic or sexual violence, or (2) has a family or household member who is a victim of domestic or sexual violence whose interests are not adverse to the employee as it relates to the domestic or sexual violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance without suffering adverse employment action.

The Victims' Economic Security and Safety Act governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the District employs at least 50 employees, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period.²⁰ Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 (29 U.S.C. §2601 *et seq.*). ²¹

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹⁶ 820 ILCS 147/15.

¹⁷ *Id.* The school visitation leave entitlement applies to both professional and educational support personnel. Rather than duplicate its requirements in separate policies, policy 5:330, *Sick Days, Vacation, Holidays, and Leaves*, grants the leave on the same terms applicable to professional staff.

¹⁸ 820 ILCS 147/.

¹⁹ Required by the Victims' Economic Security and Safety Act, (VESSA) (820 ILCS 180/ and 56 Ill.Admin.Code §280). While the law applies to all school districts (820 ILCS 180/10(10), amended by P.A. 99-765), the number of employees determines the number of total workweeks of leave available during any 12-month period (820 ILCS 180/20(a)(2), amended by P.A. 99-765). The term *employee* includes part-time workers. The Ill. Dept. of Labor must furnish to all employers a notice summarizing the law's requirements (*Your Rights Under Illinois Employment Laws* at: www.illinois.gov/idol/Employers/Documents/flsposter.pdf). All districts must post this notice in a conspicuous place where notices to employees are customarily posted.

²⁰ If the district employs fewer than 50 employees, it may substitute the following sentence: "Accordingly, if the District employs at least 15 but not more than 49 employees, an employee is entitled to a total of eight work weeks of unpaid leave during any 12-month period." 820 ILCS 180/20(a)(2).

If the district employs at least one but not more than 14 employees, it may substitute the following sentence: "Accordingly, if the District employs at least one but not more than 14 employees, an employee is entitled to a total four (4) work weeks of leave during any 12-month period." 820 ILCS 180/20(a)(2), amended by P.A. 99-765.

²¹ VESSA states that an employee does not have a right to take unpaid leave that exceeds the unpaid leave time allowed under the FMLA. 820 ILCS 180/20(a)(2). Section 25 creates an ambiguity by stating, "[t]he employer may not require the employee to substitute available paid or unpaid leave for [leave available to victims of domestic or sexual violence]," 820 ILCS 180/25. Contact the board attorney for advice resolving this ambiguity.

Leaves to Serve as an Officer or Trustee of a Specific Organization

Professional Personnel

Leaves of Absence

Each of the provisions in this policy applies to all professional personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave

Each full-time professional staff member is granted 10 days sick leave each school year at full pay. Unused days are allowed to accumulate to 180 days. Sick leave is defined in State law as personal illness, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, or placement for adoption.

As a condition for paying sick leave after three days absence for personal illness or 30 days for birth or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a chiropractic physician licensed under the Medical Practice Act, (3) an advanced practice registered nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice registered nurse to perform health examinations, (4) a physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (5) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

The use of paid sick leave for adoption or placement for adoption is limited to 30 days unless a longer leave is provided in an applicable collective bargaining agreement. The Superintendent may require that the employee provide evidence that the formal adoption process is underway.

Child Bereavement Leave

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, 20 U.S.C. §2601 et seq.) to take child bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Child Bereavement Leave Act. Child bereavement leave allows for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of his or her child, (2) making arrangements necessitated by the death of the staff member's child, or (3) grieving the death of the staff member's child, without any adverse employment action.

The leave must be completed within 60 days after the date on which the employee received notice of the death of his or her child. However, in the event of the death of more than one child in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Child Bereavement Leave Act. This policy does not create any right for an employee to take child bereavement leave that is inconsistent with the Child Bereavement Leave Act.

Sabbatical Leave

Sabbatical leave may be granted in accordance with the School Code.

Personal Leave

Professional staff members are granted one personal leave day per year. A personal leave day is defined as a day to allow professional personnel time to conduct personal business (but not vacation, travel, or work stoppage), which is impossible to schedule at a time other than during a school day. Any unused personal leave day in a school year will be credited to the cumulative sick leave.

The use of a personal day is subject to the following conditions:

1. Except in cases of emergency or unavoidable situations, personal leave requests should be submitted to the Building Principal three days in advance of the requested date,
2. No personal leave days may be used immediately before or immediately after a holiday unless the Superintendent grants prior approval,
3. Personal leave may not be used in increments of less than one-half day,
4. Personal leave days are subject to a substitute's availability,
5. Personal leave days may not be used during the first and/or last five days of the school year,
6. Personal leave days may not be used on in-service and/or institute training days, and
7. Personal leave may not be used by more than 10% of the teaching staff in each building at the same time.

Leave of Absence Without Pay

The Board may grant a leave of absence without pay to tenured professional staff members who have rendered satisfactory service and desire to return to employment in a similar capacity at a time determined by the Board.

Each leave of absence shall be of the shortest possible duration required to meet the leave's purpose consistent with a reasonable continuity of instruction for students.

Leave to Serve as an Election Judge

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the District, be absent without pay for the purpose of serving as an election judge. The staff member is not required to use any form of paid leave to serve as an election judge. No more than 10% of the District's employees may be absent to serve as election judges on the same Election Day.

Child-Rearing Leave

The Board shall grant a professional staff member's request for a non-paid, child-rearing leave, not to exceed the balance of the school year plus one additional school year (but in no event shall such leave exceed three semesters), provided the request complies with this policy. Nothing in this section shall prohibit a professional staff member from using paid sick days as provided in this policy.

A teacher must request, if possible, a child-rearing leave by notifying the Superintendent in writing no later than 90 days before the requested leave's beginning date. The request should include the proposed leave dates. The leave shall end before a new school year begins or before the first day of school after winter recess.

Subject to the insurance carrier's approval, the teacher may maintain insurance benefits at his or her own expense during a child-rearing leave.

A professional staff member desiring to return before the leave's expiration will be assigned to an available vacancy for which the teacher is qualified, subject to scheduling efficiency and instruction continuity.

Leaves for Service in the Military

Leaves for service in the U.S. Armed Services or any of its reserve components and the National Guard, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in military service does not acquire tenure.

General Assembly Leave

Leaves for service in the General Assembly, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in the General Assembly does not acquire tenure.

Leave for Employment in Department of Defense

The Board may grant teachers a leave of absence to accept employment in a Dept. of Defense overseas school.

School Visitation Leave

An eligible professional staff member is entitled to eight hours during any school year, no more than four hours of which may be taken on any given day, to attend school conferences or classroom activities related to the teacher's child, if the conference or activity cannot be scheduled during non-work hours. Professional staff members must first use all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the professional staff member, except sick, and disability leave.

The Superintendent shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act.

Leaves for Victims of Domestic or Sexual Violence

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic or sexual violence, or (2) has a family or household member who is a victim of domestic or sexual violence whose interests are not adverse to the employee as it relates to the domestic or sexual violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance without suffering adverse employment action.

The Victims' Economic Security and Safety Act governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the District employs at least 50 employees, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 (29 U.S.C. §2601 *et seq.*).

Leaves to Serve as an Officer or Trustee of a Specific Organization

Upon request, the Board will grant: (1) an unpaid leave of absence to an elected officer of a State or national teacher organization that represents teachers in collective bargaining negotiations, (2) twenty days of paid leave of absence per year to a trustee of the Teachers' Retirement System in accordance with 105 ILCS 5/24-6.3, and (3) a paid leave of absence for the local association president of a State

teacher association that is an exclusive bargaining agent in the District, or his or her designee, to attend meetings, workshops, or seminars as described in 105 ILCS 5/24-6.2.

Before permitting an individual to student teach or begin a required internship in the District, the Superintendent or designee shall ensure that:³

1. The District performed a *105 ILCS 5/10-21.9(g) Check* as described below; and
2. The individual furnished evidence of physical fitness to perform assigned duties and freedom from communicable disease pursuant to 105 ILCS 5/24-5. ⁴

A *105 ILCS 5/10-21.9(g) Check* shall include:

1. Fingerprint-based checks through (a) the Illinois State Police (ISP) for criminal history records information (CHRI) pursuant to the Uniform Conviction Information Act (20 ILCS 2635/1), and (b) the FBI national crime information databases pursuant to the Adam Walsh Child Protection and Safety Act (P.L. 109-248);

Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right.

This sample policy is consistent with the minimum requirements of State law. The local collective bargaining agreement may contain provisions which exceed these requirements. When a policy's subject matter is superseded by a bargaining agreement, the school board policy may state, "Please refer to the applicable collective bargaining agreement(s)."

See 5:30-AP2, *Investigations*, for a list of these carved-out drug offenses.

Section 5 - Personnel

Educational Support Personnel

Policy 5:280

Duties and Qualifications

All support staff: (1) must meet qualifications specified in job descriptions, (2) must be able to perform the essential tasks listed and/or assigned, and (3) are subject to School Board policies as they may be changed from time to time at the Board's sole discretion.

Paraprofessionals and Teacher Aides

"Paraprofessionals" and "teacher aides" are noncertificated personnel with instructional duties; the terms are synonymous. Service as a paraprofessional or teacher aide requires a "statement of approval" issued by the Illinois State Board of Education (ISBE), unless the individual holds certification of at least a bachelor's degree, a professional vocational certificate, is completing an approved clinical experience, and/or is student teaching.

A paraprofessional or teacher aide in a targeted assistance program that is paid with federal funds under Title, Part A, or in a school-wide program that is supported with such funds, shall hold a "statement of approval," issued by the ISBE, for this purpose.

Individuals with only non-instructional duties (e.g., providing technical support for computers, providing personal care services, or performing clerical duties) are not paraprofessionals or teacher aides and the requirements in this section do not apply. In addition, individuals who are completing their clinical experiences and/or student teaching do not need to comply with this section, provided they otherwise qualify for instructional duties under ISBE rules.

Noncertificated Personnel Working with Students Performing Non-Instructional Duties

Noncertificated personnel performing non-instructional duties may be used:

1. For supervising study halls, long distance teaching reception areas used incident to instructional programs transmitted by electronic media (e.g., computers, video, and audio) detention and discipline areas, and school-sponsored extracurricular activities;
2. As supervisors, chaperones, or sponsors for non-academic school activities; or
3. For non-teaching duties not requiring instructional judgment or student evaluation.

Nothing in this policy prevents a noncertificated person from serving as a guest lecturer or resource person under a certificated teacher's direction and with the administration's approval.

Coaches and Athletic Trainers

Athletic coaches and trainers shall have the qualifications required by any association in which the School District maintains a membership. The coach for an extracurricular athletic activity sponsored or sanctioned by the Illinois High School Association (IHSA) at or above the ninth grade level must have completed the IHSA's educational program and competency testing on preventing abuse of performance-enhancing substances. Regardless of whether the athletic activity is governed by an association, the Superintendent or designee shall ensure that each athletic coach: (1) is knowledgeable regarding coaching principles, (2) has first aid training, and (3) is a trained Automated External Defibrillator user according to rules adopted by the Illinois Department of Public Health. Anyone performing athletic training services shall be licensed under the Illinois Athletic Trainers Practice Act, be an athletic trainer aide performing care activities under the on-site supervision of a licensed athletic trainer, or otherwise be qualified to perform athletic trainer activities under State law.

Bus Drivers

All school bus drivers must have a valid school bus driver permit. The Superintendent or designee shall inform the Illinois Secretary of State, within 30 days of being informed by a school bus driver, that the bus driver permit holder has been called to active duty. New bus drivers and bus drivers who are returning from a lapse in their employment are subject to the requirements contained in Board policy 5:30, *Hiring Process and Criteria* and Board policy 5:285, *Drug and Alcohol Testing for School Bus and Commercial Vehicle Drivers*.

Duties and Qualifications ¹

All support staff: (1) must meet qualifications specified in job descriptions, (2) must be able to perform the essential tasks listed and/or assigned, and (3) are subject to School Board policies as they may be changed from time to time at the Board's sole discretion.

Paraprofessionals ²

Paraprofessionals provide supervised instructional support. Service as a paraprofessional requires an educator license with stipulations endorsed for a paraprofessional educator unless a specific exemption is authorized by the Illinois State Board of Education (ISBE).

Individuals with only non-instructional duties (e.g., providing technical support for computers, providing personal care services, or performing clerical duties) are not paraprofessionals, and the requirements in this section do not apply. In addition, individuals completing their clinical experiences and/or student teaching do not need to comply with this section, provided their service otherwise complies with ISBE rules. ³

Noncertificated and Unlicensed Personnel Working with Students and Performing Non-Instructional Duties

Noncertificated and unlicensed personnel performing non-instructional duties may be used:

1. For supervising study halls, long-distance teaching reception areas used incident to instructional programs transmitted by electronic media (e.g., computers, video, and audio), detention and discipline areas, and school-sponsored extracurricular activities; ⁴
2. As supervisors, chaperones, or sponsors for non-academic school activities; or ⁵
3. For non-teaching duties not requiring instructional judgment or student evaluation.⁶

² Educator licensure replaced the previous system of certification on 7-1-2013. All Illinois teaching, administrative, and school service personnel certificates were converted to a corresponding license. Except as provided in ISBE rule §1.630, all new applicants for a paraprofessional credential must hold an educator license with stipulations endorsed for a paraprofessional educator (23 Ill.Admin.Code §§1.630 and 25.510). See ISBE's explanation at: www.isbe.net/Pages/Educator-Licensure-Requirements.aspx.

A district may continue to use the term *teacher aide* to describe licensed personnel performing instructional support activities. In that situation, use the following alternative for the subhead and first paragraph:

Paraprofessionals and Licensed Teacher Aides

Paraprofessionals and licensed teacher aides provide supervised instructional support. Personnel performing instructional support activities must hold a current educator license with stipulations endorsed for a paraprofessional educator unless a specific exemption is authorized by the Illinois State Board of Education (ISBE).

If a district uses teacher aides to perform non-instructional support activities, *unlicensed teacher aides* may be inserted in the subhead for next section as follows: "Noncertificated and Unlicensed Personnel (Including Unlicensed Teacher Aides) Working with Students and Performing Non-Instructional Duties."

Noncertificated personnel may be used to provide specialized instruction in a field that an individual is particularly qualified by reason of specialized knowledge or skill (23 Ill.Admin.Code §1.630(c)(3)(C)). Districts that frequently use noncertificated individuals to provide such instruction may consider adding the following optional sentence:

When appropriate, the Superintendent may seek approval from the responsible Regional Superintendent for a noncertificated individual to provide specialized instruction, that is not otherwise readily available in the school environment, in the field that the individual is particularly qualified by reason of specialized knowledge or skill.

⁸ A district should consult the handbooks and by-laws of the appropriate associations, e.g., the Illinois High School Association, the Southern Illinois Junior High School Athletic Association, and the Illinois Elementary School Association.

An optional sentence follows:

The coach for an extracurricular athletic activity sponsored or sanctioned by the Illinois High School Association (IHSA) at or above the ninth grade level must have completed the IHSA's educational program and competency testing on preventing abuse of performance-enhancing substances, provided the program is available.

⁹ Optional and may be amended. The first requirement identifies a basic competency, and the second two requirements are intended to ensure coaches are trained emergency responders. ¹¹ The regional superintendent is authorized to conduct school bus driver instruction courses and investigate whether persons hired to operate school buses have valid school bus driver permits (105 ILCS 5/3-14.23).

School bus driver permits are issued by the Secretary of State (625 ILCS 5/6-106.1). Districts must conduct a pre-employment interview with bus driver candidates, distribute bus driver applications and medical forms, and submit the applicant's fingerprint cards to the State Police for criminal background investigations. Districts must also certify in writing to the Secretary of State that all pre-employment conditions were completed, including an Illinois-specific criminal background investigation through the State Police and the submission of necessary fingerprints to the Federal Bureau of Investigation for criminal history information (Id.). The applicant presents this certification to the Secretary of State when submitting the school bus driver permit application (Id.).

A school bus driver operating a school bus at the time of an accident is deemed by the implied consent law to agree to submit to tests at the direction of a law enforcement officer of the driver's breath, blood, or urine to determine the presence of alcohol, or other drugs, in the person's system (625 ILCS 5/6-516).

Anyone driving a bus chartered to transport students to or from interscholastic athletic or interscholastic or school-sponsored activities must have a valid school bus driver permit; this does not apply to any driver employed by a public transportation provider when the bus is on a regularly scheduled route for transporting other fare-paying passengers (625 ILCS 5/6-104(d-5)).

Educational Support Personnel

Duties and Qualifications

All support staff: (1) must meet qualifications specified in job descriptions, (2) must be able to perform the essential tasks listed and/or assigned, and (3) are subject to School Board policies as they may be changed from time to time at the Board's sole discretion.

Paraprofessionals

Paraprofessionals provide supervised instructional support. Service as a paraprofessional requires an educator license with stipulations endorsed for a paraprofessional educator unless a specific exemption is authorized by the Illinois State Board of Education (ISBE).

Individuals with only non-instructional duties (e.g., providing technical support for computers, providing personal care services, or performing clerical duties) are not paraprofessionals, and the requirements in this section do not apply. In addition, individuals completing their clinical experiences and/or student teaching do not need to comply with this section, provided their service otherwise complies with ISBE rules.

Noncertificated and Unlicensed Personnel Working with Students and Performing Non-Instructional Duties

Noncertificated and unlicensed personnel performing non-instructional duties may be used:

1. For supervising study halls, long-distance teaching reception areas used incident to instructional programs transmitted by electronic media (e.g., computers, video, and audio), detention and discipline areas, and school-sponsored extracurricular activities;
2. As supervisors, chaperones, or sponsors for non-academic school activities; or
3. For non-teaching duties not requiring instructional judgment or student evaluation.

Nothing in this policy prevents a noncertificated person from serving as a guest lecturer or resource person under a certificated teacher's direction and with the administration's approval.

Coaches and Athletic Trainers

Athletic coaches and trainers shall have the qualifications required by any association in which the School District maintains a membership. Regardless of whether the athletic activity is governed by an association, the Superintendent or designee shall ensure that each athletic coach: (1) is knowledgeable regarding coaching principles, (2) has first aid training, and (3) is a trained Automated External Defibrillator user according to rules adopted by the Illinois Department of Public Health. Anyone performing athletic training services shall be licensed under the Illinois Athletic Trainers Practice Act, be an athletic trainer aide performing care activities under the on-site supervision of a licensed athletic trainer, or otherwise be qualified to perform athletic trainer activities under State law.

Bus Drivers

All school bus drivers must have a valid school bus driver permit. The Superintendent or designee shall inform the Illinois Secretary of State, within 30 days of being informed by a school bus driver, that the bus driver permit holder has been called to active duty. New bus drivers and bus drivers who are returning from a lapse in their employment are subject to the requirements contained in Board policy 5:30, *Hiring Process and Criteria* and Board policy 5:285, *Drug and Alcohol Testing for School Bus and Commercial Vehicle Drivers*.

¹ State or federal law controls this policy's content. This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right.

This policy's provisions should be customized to meet the district's needs. The local collective bargaining agreement may contain provisions that exceed these requirements. If a collective bargaining agreement contains a provision that supersedes the policy, for those covered employees, the policy should state: "Please refer to the applicable collective bargaining agreement." For employees not covered, the policy should reflect the board's current practice.

The standards listed should be customized to reflect the local board's desires and/or district practices.

Policy 5:310

Compensatory Time-Off

This policy governs the use of compensatory time-off by employees who: (1) are covered by the overtime provisions of the Fair Labor Standards Act, 29 U.S.C. §201 et seq., and (2) are not represented by an exclusive bargaining representative.

Employees may be given 1-1/2 hours of compensatory time-off in lieu of cash payment for each hour of overtime worked. Other than as provided below, at no time may an employee's accumulated compensatory time-off exceed 240 hours, which represents compensation for 160 hours of overtime. An employee whose work regularly includes public safety, emergency response, or seasonal activities may accumulate a maximum of 480 hours of compensatory time, which represents compensation for 320 hours of overtime. If an employee accrues the maximum number of compensatory time-off hours, the employee: (1) is paid for any additional overtime hours worked, at the rate of one and one-half times the employee's regular hourly rate of pay, and (2) does not accumulate compensatory time-off until the employee uses an equal amount of accrued time-off.

An employee who has accrued compensatory time-off shall be permitted to use such time in at least half-day components provided such requests do not unduly disrupt the District's operations. The employee's supervisor must approve a request to use compensatory time-off.

Upon termination of employment, an employee will be paid for unused compensatory time at the higher of:

1. The average regular rate received by such employee during the last three years of employment; or
2. The final regular rate received by such employee.

Compensatory time-off is time during which the employee is not working and is, therefore, not counted as "hours worked" for purposes of overtime compensation.

Implementation

The Superintendent or designee shall implement this policy in accordance with the FLSA. In the event of a conflict between the policy and the FLSA, the latter shall control.

Compensatory Time-Off ¹

This policy governs the use of compensatory time-off by employees who: (1) are covered by the overtime provisions of the Fair Labor Standards Act, 29 U.S.C. §201 *et seq.*, and (2) are not represented by an exclusive bargaining representative.

Employees may be given 1-1/2 hours of compensatory time-off in lieu of cash payment for each hour of overtime worked. Other than as provided below, at no time may an employee's accumulated compensatory time-off exceed 240 hours, which represents compensation for 160 hours of overtime. ² An employee whose work regularly includes public safety, emergency response, or seasonal activities may accumulate a maximum of 480 hours of compensatory time, which represents compensation for 320 hours of overtime. ³ If an employee accrues the maximum number of compensatory time-off hours, the employee: (1) is paid for any additional overtime hours worked, at the rate of one and one-half times the employee's regular hourly rate of pay, and (2) does not accumulate compensatory time-off until the employee uses an equal amount of accrued time-off. ⁴

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ The federal regulations implementing the Fair Labor Standards Act (FLSA) governs the use of "comp-time" (29 C.F.R. §§553.21-553.28 and 553.50, [e-CFR Data](#)). See IASB sample policy 5:35, *Compliance with the Fair Labor Standards Act*, for discussion of the FLSA. In order for a district to offer comp-time, it must have a compensatory time-off policy or the topic must be covered in an applicable collective bargaining agreement. This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. School officials should consult with the board attorney before adopting this policy.

The terms "comp-time" and "compensatory time-off" mean paid time-off that is earned and accrued by a non-exempt employee in lieu of overtime pay for over 40 hours worked in one workweek. Compensatory time-off in lieu of overtime pay must be at the premium rate of 1.5 hours of compensatory time for each hour of overtime worked (just as the monetary rate for overtime is calculated at 1.5 times the regular rate of pay). As a condition for using comp-time in lieu of overtime pay, the employer and employee must have an "agreement or understanding" before the work is performed. Further, the employee's decision to accept comp-time must be made freely. For employees represented by an exclusive bargaining agent, the agreement to use comp-time must be between the district and the bargaining agent.

For non-exempt employees who are not covered by a collective bargaining agreement, the "agreement or understanding" concerning comp-time must be between the district and employee. See exhibit 5:310-E, *Agreement to Receive Compensatory Time-Off*. If the district had a regular practice of comp-time before April 15, 1986, that is deemed an "agreement." Notice to the non-exempt employees that comp-time will be given in lieu of overtime pay for overtime through bulletin board notices is sufficient to constitute an "agreement or understanding," provided that the decision to accept compensatory time-off is made freely.

² This sample policy contains the maximum hours that the FLSA allows an employee to accumulate. It is a ceiling that an employee may hit several times, but never go over without using some of the time-off. A school board may forfeit flexibility and set this ceiling lower.

³ "Seasonal activities" include activities during periods of significantly increased demand, that are of a regular and recurring nature. A seasonal activity is not limited strictly to those operations that are very susceptible to changes in the weather. However, mere periods of short but intense activity do not make an employee's job seasonal. However, the 480-hour accrual limit will not apply to office personnel or other employees who may perform such seasonal activities only in emergency situations, even if they spend substantially all of their time in a particular workweek engaged in such activities.

⁴ The FLSA permits a board to require that employees reduce their accumulated compensatory time or face having their supervisor schedule the compensatory time-off for them. *Christensen et al. v. Harris County et al.*, 529 U.S. 576, 120 S.Ct. 1655, 146 L.Ed.2d 621 (2000). Such an optional provisions follows:

An employee who has accrued compensatory time-off shall be permitted to use such time in at least half-day components provided such requests do not unduly disrupt the District's operations. ⁵ The employee's supervisor must approve a request to use compensatory time-off.

Upon termination of employment, an employee will be paid for unused compensatory time at the higher of:

1. The average regular rate received by such employee during the last three years of employment; or
2. The final regular rate received by such employee.

Compensatory time-off is time during which the employee is not working and is, therefore, not counted as "hours worked" for purposes of overtime compensation.

Implementation

The Superintendent or designee shall implement this policy in accordance with the FLSA. In the event of a conflict between the policy and the FLSA, the latter shall control.

Notwithstanding the above and to avoid hardship to the District, an employee's supervisor may require the employee to reduce accumulated compensatory time, or schedule the compensatory time-off for the employee, so that the employee does not accumulate more than 75 hours of compensatory time, which represents compensation for 50 hours of overtime.

⁵ Optional.
