School Accountability ¹

According to the Illinois General Assembly, the primary purpose of schooling is the transmission of knowledge and culture through which students learn in areas necessary to their continuing development and entry into the world of work.² To fulfill that purpose, the Ill. State Board of Education (ISBE) prepared *State Goals for Learning* with accompanying *Illinois Learning Standards*.³

The School Board gives priority in the allocation of resources, including funds, time, personnel, and facilities, to fulfilling this purpose.

Quality Assurance

The Board continuously monitors student achievement and the quality of the District's work. The Superintendent shall supervise the following quality assurance components, in accordance with State law and ISBE rules, and continuously keep the Board informed:

1. Prepare each school's annual recognition application and quality assurance appraisal, whether internal or external, to assess each school's continuous school improvement. ⁴
2. Continuously assess the District's and each school's overall performance in terms of both academic success and equity. This includes, without limitation, a thorough analysis of ISBE's balanced accountability measure and each school's *Multiple Measure Index* and corresponding *Annual Measurable Objective* provided by ISBE. ⁵
3. If applicable, develop District and School Improvement Plans, present them for Board approval, and supervise their implementation. ⁶

⁵ 105 ILCS 5/2-3.25a, amended by P.A.s 99-193, 99-657, and 100-1046; 5/2-3.64a-5, amended by P.A. 100-1046. First, 105 ILCS 5/2-3.25a, amended by P.A. 99-193, significantly revised the system of standards for school districts and schools. Next, 105 ILCS 5/2-3.25a, amended by P.A. 99-657, delayed certain implementation dates by one school year. Finally, 105 ILCS 5/2-3.25a, amended by P.A. 100-1046, further revised the system of standards for school districts and schools. ISBE must establish recognition standards for student performance and school improvement for all districts and their individual schools. ISBE must outline accountability measures in its State plan that it submits to the U.S. Dept. of Education under the Every Student Succeeds Act (ESSA) (Pub. L. 114-95). If ESSA ceases to require a state plan, then ISBE must develop a written plan in consultation with the Ill. Balanced Accountability Measure (IBAM) Committee. 105 ILCS 5/2-3.25a, amended by P.A.s 99-193, 99-657, and 100-1046.

⁶ The requirements around district and school improvement plans are unknown until ISBE revises its rules at 23 Ill.Admin.Code Part 1, Subpart A: Recognition Requirements following P.A.s 99-193 and 100-1046. P.A. 99-193 deleted the requirements concerning improvement plans as well as the sanctions for failing to make adequate yearly progress contained in 105 ILCS 5/2-3.25d, but then P.A. 100-1046 repealed 105 ILCS 5/2-3.25d in its entirety. 105 ILCS 5/2-3.25f(a) continues to state that ISBE "shall provide technical assistance to assist with the development and implementation of School and District Improvement Plans" and that schools or districts "that fail to make reasonable efforts to implement an approved Improvement Plan may suffer loss of State funds by school district, attendance center, or program as the State Board of Education deems appropriate."

4. Prepare a school report card, present it at a regular Board meeting, and disseminate it as provided in State law. ⁷
5. In accordance with 105 ILCS 5/2-3.153, annually administer a climate survey on the instructional environment within the school to, at minimum, students in grades 4 through 12 and teachers. ⁸

Districts must present the report card at a regular board meeting, post it on the district's website, make it available to newspapers of general circulation in the district, notify parents/guardians of its availability on the district's website, provide it to parents/guardians on request, submit it to the regional superintendent or appropriate Intermediate Service Center, and otherwise disseminate it as required by State law. See 2:250-E2, *Immediately Available District Public Records and Web-Posted Reports and Records*.

⁸ Required by 105 ILCS 5/2-3.153, amended by P.A. 100-1046, and 23 Ill.Admin.Code §1.97. A district may use an alternate learning instrument approved by the State Superintendent at its own cost. These survey instruments are authorized by July 1 each year and posted at: www.isbe.net/Pages/5Essentials-Survey.aspx. 23 Ill.Admin.Code §1.97(g)(1)-(2). To use an alternate survey instrument, the district must submit a form developed for this purpose and posted at www.isbe.net/Pages/5Essentials-Survey.aspx to the State Superintendent on or before a date established by the State Superintendent each year. *Id.*

School Year Calendar and Day ¹

School Calendar

The School Board, upon the Superintendent's recommendation and subject to State regulations, annually establishes the dates for opening and closing classes, teacher institutes and in-services, the length and dates of vacations, and the days designated as legal school holidays.² The school calendar shall have a minimum of 185 days to ensure 176 days of actual student attendance.³

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law controls this policy's content. This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right.

² State-mandated school holidays are found in 105 ILCS 5/24-2. See policy 5:330, *Sick Days, Vacation, Holidays, and Leaves*, for a holiday listing. The law allows a school board to hold school or schedule teachers' institutes, parent-teacher conferences, or staff development on five identified school holidays if: (1) the school board first holds a public hearing on the proposal; and (2) the person or persons honored by the holiday are recognized through instructional activities conducted on the school holiday or on the first school day preceding or following the school holiday. Districts must redo the public hearing process in the event they change plans for use of holidays. See Ill. State Board of Education (ISBE) guidance at: www.isbe.net/Documents/district-holiday-plans13.pdf. This is an item on which collective bargaining may be required, and a board that wishes to implement this law should consult its attorney.

A State mandated school holiday on *Good Friday* is unconstitutional according to *Metzl v. Leininger*, 57 F.3d 618 (7th Cir. 1995). Closing school on religious holidays may still be permissible for those districts able to demonstrate, e.g., through surveys, that remaining open would be a waste of educational resources due to widespread absenteeism. Also, districts may be able to close school on Good Friday by adopting a *spring holiday* rationale or ensuring that it falls within spring break. School districts should discuss all of these options, and collective bargaining implications with their board attorneys.

If the county board or board of election commissioners chooses a school to be a polling place, the school district must make the school available. 10 ILCS 5/11-4.1. For the Election Day, the law encourages a school district to either: (1) close the school; or (2) hold a teachers' institute on that day with the students not in attendance. *Id.*

³ The school calendar must have a minimum 185 days to ensure 176 days of actual pupil attendance. 105 ILCS 5/10-19, amended by P.A. 101-12, and 5/24-1; 23 Ill.Admin.Code §1.420. Schools must be closed during county institute. 105 ILCS 5/24-3. The school calendar may be a mandatory subject of collective bargaining. The calendar for the school term and any changes must be submitted to and approved by the regional superintendent before the calendar or changes may take effect. 105 ILCS 5/10-19.

E-learning days allow a school district to provide instruction to students electronically while they are not physically present due to inclement weather and other unexpected events. 105 ILCS 5/10-20.56, added by P.A. 101-12, opens the use of e-learning days from three pilot districts to all districts that meet the requirements of the statute. Before a school district can implement an e-learning program and use e-learning days it must, along with other requirements (1) hold a public hearing on the initial proposal for the e-learning program, (2) obtain verification from the Regional Office of Education (ROE) or Intermediate Service Center (ISC) for the school district that the initial proposal meets the requirements specified in the law, and (3) by resolution adopt a research-based program for district-wide e-learning days. Before implementing an e-learning program, boards must collectively bargain the impact of the program on the wages, hours, terms and conditions of employment with employee representative(s). More information about e-learning, is available at: www.isbe.net/Pages/Electronic-Learning.aspx.

Commemorative Holidays

The teachers and students shall devote a portion of the school day on each commemorative holiday designated in the School Code to study and honor the commemorated person or occasion.⁴ The Board may, from time to time, designate a regular school day as a commemorative holiday.

School Day

The Board establishes the length of the school day with the recommendation of the Superintendent and subject to State law requirements.⁵ The Superintendent or designee shall ensure that observances required by State law are followed during each day of school attendance. ⁶

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁴ 105 ILCS 5/24-2(c) lists the following as commemorative holidays: Jan. 28 (Christa McAuliffe Day commemorating space exploration); Feb. 15 (Susan B. Anthony's birthday); Mar. 29 (Vietnam War Veterans' Day); Sept. 11 (Sept. 11th Day of Remembrance); the school day immediately preceding Veterans' Day (Korean War Veterans' Day); Oct. 1 (Recycling Day); Oct. 7 (Iraq and Afghanistan Veterans Remembrance Day); and Dec. 7 (Pearl Harbor Veterans' Day).

Other commemorative holidays include, but are not limited to: Arbor and Bird Day on the last Friday in April (105 ILCS 5/27-18); Leif Erickson Day on October 9 if a school day and otherwise on a school day nearest the date (105 ILCS 5/27-19); American Indian Day on the 4th Friday of September (105 ILCS 5/27-20); Ill. Law Week during the first full school week in May (105 ILCS 5/27-20.1); Just Say No Day on a school day in May designated by official proclamation of the Governor (105 ILCS 5/20.2); Ronald Reagan Day on Feb. 6 (5 ILCS 490/2); Barack Obama Day on August 4 (5 ILCS 490/3); Indigenous Peoples Day on the last Monday in September (5 ILCS 490/7); Lincoln's Birthday February 12 (5 ILCS 490/60); Martin Luther King, Jr. Birthday the third Monday in January (5 ILCS 490/65); Prairie Week the third full week in September (5 ILCS 490/75); Retired Teachers' Week the fourth week in May (5 ILCS 490/80); Veterans Day November 11 (5 ILCS 490/90); Preventing Lost Potential Day September 19 (5 ILCS 490/141); Day of Remembrance of the Victims of Slavery and the Transatlantic Slave Trade on March 25 (5 ILCS 490/155); the first full week of January is Emancipation Proclamation Week (5 ILCS 490/160); Mother Mary Ann Bickerdyke Day on the second Wednesday in May (5 ILCS 490/175); and April is Arab American Heritage Month (5 ILCS 490/6, amended by P.A. 100-1150).

⁵ A school day is required to consist of a minimum five clock hours under the direct supervision of a teacher or non-teaching personnel or volunteer personnel that provides non-teaching or supervisory duties as specified in 105 ILCS 5/10-22.34(a), in order to qualify as a full day of attendance. 105 ILCS 5/10-19.05, added by P.A. 101-12. See www.isbe.net/Documents/SB28Instructional-Day.pdf for ISBE's notice regarding this law. See 105 ILCS 5/10-19.05, added by P.A. 101-12, for additional exceptions to the attendance calculation.

Contrast 105 ILCS 5/18-12, amended by P.A. 100-28. It allows a partial day of attendance to be counted as a full day due to an adverse weather condition, condition beyond the control of the school district that poses a health and safety threat, or use of school facilities by local or county authorities for holding a memorial or funeral service in remembrance of a community member (up to two school days per school year) provided one of following conditions is met: (1) the school district has provided at least one hour of instruction prior to the closure of the school district; (2) a school building has provided at least one hour of instruction prior to the closure of the school building; or (3) the normal start time of the school district is delayed. The law also outlines the process to claim attendance prior to providing any instruction when a school district must close a building or buildings, but not the entire district, after consultation with a local emergency response agency or due to a condition beyond the control of the district. Additionally, 105 ILCS 5/18-12.5 outlines the process for claiming attendance when a school district must close a building or buildings, but not the entire district, specifically because of a public health emergency. Attendance for such days may only be claimed if the school building(s) was scheduled to be in operation on those days.

Alternative education programs may provide fewer than five hours under certain circumstances. 105 ILCS 5/2-3.33a and 5/13B-50.

⁶ 105 ILCS 5/27-3 requires the Pledge of Allegiance to be recited every day in elementary and secondary schools. Note that the Illinois statute does not require every student to recite the Pledge – that kind of mandatory participation would violate the U.S. Constitution. Schools may not coerce a student into saying the Pledge, nor may they punish students for refusing to participate in any aspect of the flag ritual, including standing, saluting the flag, and reciting the Pledge. West Virginia State Bd. of Educ. v. Barnette, 319 U.S. 624 (1943); Sherman v. Community Consolidated Sch. Dist. 21 of Wheeling Township, 980 F.2d 437 (7th Cir. 1992). Consider using permissive rather than mandatory language to introduce the recitation of the Pledge, such as, “You may now stand to recite the Pledge.” Schools may, of course, require that non-participants maintain order and decorum appropriate to the school environment.

The Silent Reflection and Student Prayer Act mandates a *brief period of silence* for all Illinois public school students at the opening of each school day. 105 ILCS 20/1. A student filed a federal lawsuit challenging the constitutionality of this law under the First Amendment, but the law was ultimately upheld by the Appeals Court. Sherman v. Koch, 623 F.3d 501 (7th Cir. 2010), *cert denied by* 565 U.S. 815 (2011). 105 ILCS 5/10-20.46 requires a moment of silence to recognize veterans during any type of event held at a district school on Nov. 11. Curriculum

Policy 6:50

School Wellness

Student wellness, including good nutrition and physical activity, shall be promoted in the District's educational program, school activities, and meal programs. This policy shall be interpreted consistently with Section 204 of the Child Nutrition and WIC Reauthorization Act of 2004.

Goals for Nutrition Education

Goals for Nutrition Education and Nutrition Promotion

The goals for addressing nutrition education and nutrition promotion include the following:

- Schools will support and promote good nutrition for students.
- Schools will foster the positive relationship between good nutrition, physical activity, and the capacity of students to develop and learn.
- Nutrition education will be part of the District's comprehensive health education curriculum.

See School Board policy 6:60, *Curriculum Content*.

Goals for Physical Activity

The goals for addressing physical activity include the following:

- Schools will support and promote an active lifestyle for students.
- Physical education will be taught in all grades and shall include a developmentally planned and sequential curriculum that fosters the development of movement skills, enhances healthrelated fitness, increases students' knowledge, offers direct opportunities to learn how to work cooperatively in a group setting, and encourages healthy habits and attitudes for a healthy lifestyle. See Board policy 6:60, *Curriculum Content*.
- During the school day, all students will be required to engage in a daily physical education course, unless otherwise exempted. See Board policy 6:60, *Curriculum Content*.
- The curriculum will be consistent with and incorporate relevant Illinois Learning Standards for Physical Development and Health as established by the Illinois State Board of Education.

Nutrition Guidelines for Foods Available in Schools During the School Day

Students will be offered and schools will promote nutritious food and beverage choices consistent with the current Dietary Guidelines for Americans and Food Guidance System published jointly by the U.S. Department of Health and Human Services and the Department of Agriculture. In addition, in order to promote student health and reduce childhood obesity, the Superintendent or designee shall control food sales that compete with the District's non-profit food service in compliance with the Child Nutrition Act. Food service rules shall restrict the sale of foods of minimal nutritional value, as defined by the U.S. Department of Agriculture, in the food service areas during the meal periods and comply with all applicable rules of the Illinois State Board of Education.

Guidelines for Reimbursable School Meals

Reimbursable school meals served shall meet, at a minimum, the nutrition requirements and regulations for the National School Lunch Program and/or School Breakfast Program.

Monitoring

The Superintendent or designee shall provide periodic implementation data and/or reports to the Board concerning this policy's implementation sufficient to allow the Board to monitor and adjust the policy. This report must include without limitation each of the following:

- An assessment of the District's implementation of the policy
- The extent to which schools in the District are in compliance with the policy
- The extent to which the policy compares to model local school wellness policies
- A description of the progress made in attaining the goals of the policy

6:50 Page 2 of 2

Community Input

The Superintendent or designee will invite suggestions and comments concerning the development, implementation, and improvement of the school wellness policy from parents, students, representatives of the school food authority, teachers of physical education, school health professionals, the school board, school administrators, and community.

School Wellness ¹

Student wellness, including good nutrition and physical activity, shall be promoted in the District's educational program, school-based activities, and meal programs.² This policy shall be interpreted consistently with Section 204 of the Child Nutrition and WIC Reauthorization Act of 2004 and the Healthy Hunger-Free Kids Act of 2010 (HHFKA).³

The Superintendent will ensure: ⁴

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law requires this subject matter to be covered in policy and controls its content. The federal Child Nutrition and WIC Reauthorization Act of 2004 (Child Nutrition Act) requires school districts participating in a program authorized by the National School Lunch Act (NSLA) (42 U.S.C. §1751 *et seq.*) or the Child Nutrition Act to have a school wellness policy. Pub. L. 108-265, Sec. 204. State law required the Ill. State Board of Education (ISBE) to "establish a State goal that all school districts have a wellness policy." 105 ILCS 5/2-3.139. ISBE complied in October 2007 by "instruct[ing] all public school districts to establish a School Wellness Policy." The federal and State laws list mandatory topics for the policy. The second sentence of this policy should be deleted if the district does not participate in the NSLA or the Child Nutrition Act.

See ISBE's numerous resources at: www.isbe.net/Pages/Nutrition-and-Wellness.aspx. Action for Healthy Kids is a national organization dedicated to overcoming the "epidemic of overweight, undernourished and sedentary youth by focusing on changes in schools;" see its resources at: www.actionforhealthykids.org/index.php.

This sample policy seeks to be both legally compliant and consistent with good governance principles. Both federal and State laws allow each school district to determine how the required topics are addressed. Good governance principles suggest that the board should establish goals with community and stakeholder input. The administration should determine how to achieve the goals. The board should monitor this policy by requesting and reviewing periodic implementation data.

The Ill. Dept. of Agriculture and ISBE are directed to create the Farm Fresh Schools Program. 105 ILCS 124/, Farm Fresh Schools Program Act; 30 ILCS 105/5.728, Farm Fresh Schools Program Fund. They are also directed to administer a grant program to further the Program's intent of "reduc[ing] obesity and improve[ing] nutrition and public health, as well as strengthen[ing] local agricultural economies by increasing access to and promoting the consumption of locally grown fruits and vegetables in schools and increasing physical activities and programs that promote pupil wellness." 105 ILCS 124/10.

² 7 C.F.R. §210.31(a) and (c)(1). The law does not require *school-based activities* to be listed in policy – only that boards implement them. Federal law requires consideration of *evidence-based strategies and techniques* when implementing school-based activities. A board that chooses to list these activities must update them as they change by readopting the policy.

For boards that have developed and wish to list their chosen evidence-based school-based activities, add the following sentence to the paragraph as the second sentence: "The District's school-based activities include: [*list the chosen evidence-based school-based activities*]."

This sample policy identifies the superintendent as the school official responsible to ensure compliance and oversee the policy. Goals for Nutrition Education and Nutrition Promotion ⁶

The goals for addressing nutrition education and nutrition promotion include the following:

- Schools will support and promote sound nutrition for students.
- Schools will foster the positive relationship between sound nutrition, physical activity, and the capacity of students to develop and learn.
- Nutrition education will be part of the District's comprehensive health education curriculum. See Board policy 6:60, *Curriculum Content*. ⁷

Goals for Physical Activity ⁸

The goals for addressing physical activity include the following:

- Schools will support and promote an active lifestyle for students.
- Physical education will be taught in all grades and shall include a developmentally planned and sequential curriculum that fosters the development of movement skills, enhances health-

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

For boards that wish to identify a school official other than the superintendent, delete ~~Superintendent~~ and replace it with the responsible school official's title.

The intent of the rule is that schools "notify households on an annual basis of the availability of the local school wellness policy information and provide information that would enable *interested households* to obtain additional details." Fed. Reg. Vol. 81, No. 146 at 50160. However, the rule states, "[i]nform the *public* about the content and implementation of the local school wellness policy, and make the policy and any updates to the policy available to the public on an annual basis."

To achieve the intent of this requirement, the regulations suggest several methods for districts, which include a common method many districts likely already use: post the policy on the websites for the *public*, and use the student handbook to distribute important information to *interested households*.

⁵ For boards that distribute their wellness policies via student handbooks and want to list that in the text of their policies, insert "and distributed to students and their parents/guardians through student handbooks". For sample handbook language, see the Illinois Principals Association *Online Model Student Handbook (MSH)* at: www.ilprincipals.org/resources/model-student-handbook.

⁶ Goals for nutrition education and nutrition promotion are required topics, but the local board may determine what goals are appropriate. Pub. L. 108-265, Sec. 204(a)(1) and Pub. L. 111-296; 105 ILCS 5/2-3.139(a)(2); and 7 C.F.R. §210.31(c)(1). Replace this policy's text with a board's own locally-developed nutritional education and promotion goals.

Nutrition promotion, required by Pub. L. 111-296, is not well-described or defined. The Food Nutrition Service (FNS) describes *nutrition promotion* more clearly in its technical assistance materials and the proposed 7 C.F.R. Part 210 rules (Fed. Reg. Vol. 79, No. 38 at 10695), dated Feb. 26, 2014, which state, "... evidence based techniques and scientifically-based nutrition messages targeted to a specific audience to inspire and motivate them to take action and use these techniques and messages to create environments and food service venues (classroom, cafeteria, a la carte, vending machines, school stores, snack bars, fundraisers, home, etc.) that encourage healthy nutrition choices, as well as enhance and encourage participation in school meal programs."

More specific materials about nutrition education and promotion, including songs, games, posters, videos, event-planning booklets, wellness communication toolkits, school garden activities, and a graphics library, have also been developed by the FNS' Team Nutrition at: www.fns.usda.gov/tn/resource-library.

Nutrition Guidelines for Foods Available During the School Day; Marketing Prohibited¹²

Students will be offered and schools will promote nutritious food and beverage choices during the school day that are consistent with Board policy 4:120, *Food Services* (requiring compliance with the nutrition standards specified in the U.S. Dept. of Agriculture's (USDA) *Smart Snacks* rules).¹³

In addition, in order to promote student health and reduce childhood obesity,¹⁴ the Superintendent or designee shall:

1. Restrict the sale of *competitive foods*, as defined by the USDA, in the food service areas during meal periods;
2. Comply with all ISBE rules; and
3. Prohibit marketing during the school day of foods and beverages that do not meet the standards listed in Board policy 4:120, *Food Services*, i.e., in-school marketing of food and beverage items must meet *competitive foods* standards.¹⁵

¹² The policy must include the nutrition guidelines selected by the board for "all foods available during the school day with the objective of promoting student health and reducing childhood obesity." Pub. L. 108-265, Sec. 204(a)(2); 105 ILCS 5/2-3.139(a)(1); and 7 C.F.R. §210.10 and 210.31(a), (c)(2), and (c)(3)(i)-(iv). 42 U.S.C. 1758b(b)(2)(A) requires that each local school wellness policy include nutrition guidelines for all foods and beverages available for sale on the school campus during the school day to ensure they are consistent with the statutory and regulatory provisions governing school meals (7 C.F.R. §§210.10, 220.8 and 220.10) and competitive foods (7 C.F.R. §210.11) as applicable.

Prior to July 2016 when 7 C.F.R. § 210.10 and 7 C.F.R. § 210.31(c) (respectively) became effective, the current *Dietary Guidelines for Americans* published jointly by the U.S. Depts. of Health and Human Services and Agriculture (USDA) were used as nutrition guidelines.

¹³ 7 C.F.R. §§210.10 (meal requirements for lunches and after-school snacks); 210.11(c) (general nutrition standards for competitive food, i.e., *Smart Snacks*); and 210.31(a) and (c) (encompassing all other nutrition requirements, including foods not sold to students during the school day (classroom parties)).

¹⁴ 7 C.F.R. §210.31(c)(3)(iv).

Competitive foods standards do not apply to foods and beverages available, but not sold in school during the school day; e.g., brown bag lunches, foods for classroom parties, school celebrations, and reward incentives.¹⁶

Exempted Fundraising Day (EFD) Requests ¹⁷

All food and beverages sold to students on the school campuses of participating schools during the school day must comply with the “general nutrition standards for competitive foods” specified in federal law.

ISBE rules prohibit EFDs for grades 8 and below in participating schools.

The Superintendent or designee in a participating school may grant an EFD for grades 9 through 12 in participating schools. To request an EFD and learn more about the District’s related procedure(s), contact the Superintendent or designee. The District’s procedures are subject to change. The number of EFDs for grades 9 through 12 in participating schools is set by ISBE rule.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹⁵ 7 C.F.R. §§210.11(a)(2) and 210.31(c)(3)(iii); 23 Ill. Admin. Code §305.5. For a definition of *competitive foods*, see 4:120-AP, *Food Services; Competitive Foods; Exemptions*.

¹⁶ 7 C.F.R. §210.31(c)(2). This sample policy does not apply competitive food standards to foods not sold in schools; i.e., foods that students bring into the school from home, etc.

The final [federal] rule does not require that local school wellness policy standards for foods provided in schools during the school day but not available for sale conform to the school meal requirements or the competitive foods standards. In fact, the preamble to the final rule reiterates this saying, “[a]gain, it should be noted that with regard to foods provided, but not sold, in schools, local jurisdictions have the discretion to adopt standards that conform to [the competitive food standards] or to adopt more or less stringent standards.” Similarly, the preamble to the final rule clearly states the rule does not require school boards to address standards for food brought from home for individual consumption. See Federal Register Vol. 81, No. 146 at 50158 at: www.gpo.gov/fdsys/pkg/FR-2016-07-29/pdf/2016-17230.pdf. Emphasis added.

This sample policy adopts less stringent standards for foods not sold in schools. For boards that wish to adopt standards that conform to the competitive food standards or apply even more stringent standards to foods available, but not sold during the school day, delete the last sentence of this subhead: ~~Competitive foods standards do not apply to foods and beverages available, but not sold in school during the school day; e.g., foods for classroom parties, school celebrations, and reward incentives.~~ and choose one of the following sentences to replace it:

Option 1: The District applies *competitive foods* standards listed in Board policy 4:120, *Food Services*, to foods available, but not sold, in schools.

Option 2: The District applies more stringent standards than the *competitive foods* standards to foods available, but not sold, in schools. These include [*list the chosen standards to foods available, but not sold, in schools*].

The AHG encourages school officials to consider prohibiting foods as a reward and using the *Smart Snacks* standards for foods available, but not sold during the school day. However, enforcing such standards against students who are sent to school with snacks from their parents/guardians is difficult and may be considered overreach. Further, such a standard may open the district to challenges. Consult the board attorney about enforcement of standards that meet the *competitive foods* standards – or even more stringent standards – upon foods available, but not sold during the school day, i.e., choosing Options 1 or 2, above.

¹⁷ Required by 23 Ill.Admin.Code §305.15(c)(2), 7 C.F.R. §§210.11(b)(4), (c)(2) and 210.30(c)(2) for participating schools that want to grant EFDs.

For elementary districts, delete these sentences: ~~The Superintendent or designee in a participating school may grant an EFD for grades 9 through 12 in participating schools. To request an EFD and learn more about the District’s related procedure(s), contact the Superintendent or designee. The District’s procedures are subject to change. The number of EFDs for grades 9 through 12 in participating schools is set by ISBE rule.~~

For high school districts, delete this sentence: ~~EFDs are prohibited for grades eight and below in participating schools.~~

Detailed procedures are subject to change and are too complicated for policy text. This policy seeks to balance the requirement to include procedures in the policy for requesting an EFD by providing information about the initial steps and directing the superintendent or designee to inform the requestor of the current procedure. For a list of the number of available EFDs and a more detailed sample step-by-step procedure to request them, see 4:120-AP, *Food Services; Competitive Foods; Exemptions*.

Guidelines for Reimbursable School Meals 18

Reimbursable school meals served shall meet, at a minimum, the nutrition requirements and regulations for the National School Lunch Program and/or School Breakfast Program. ¹⁹

Monitoring 20

At least every three years, the Superintendent shall provide implementation data and/or reports to the Board concerning this policy's implementation sufficient to allow the Board to monitor and adjust the policy (a triennial report).²¹ This triennial report must include without limitation each of the following:

- An assessment of the District's implementation of the policy
- The extent to which schools in the District are in compliance with the policy
- The extent to which the policy compares to model local school wellness policies
- A description of the progress made in attaining the goals of the policy
- How the District will make the results of the assessment available to the public
- Where the District will retain records of the assessment ²²

The Board will monitor and adjust the policy pursuant to policy 2:240, *Board Policy Development*.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹⁸ Inclusion in the policy is required for only those districts that participate in a program authorized by the NSLA or the Child Nutrition Act.

¹⁹ Child Nutrition Act of 1966 (42 U.S.C. §1771 et seq.) and NSLA (42 U.S.C. §1758).

²⁰ The policy must establish a plan for measuring implementation of the local wellness policy, including designation of one or more persons within the local educational agency at each school, as appropriate, charged with operational responsibility for ensuring that the school meets the local wellness policy. Pub. L. 108-265, Sec. 204(a)(4); 105 ILCS 5/2-3.139(a)(4); and 7 C.F.R. §210.31(c)(5), (6), and (e)(1). 105 ILCS 110/3.5(a) requires ISBE to develop and maintain a nutrition and physical activity best practices database. Materials may be found at: www.isbe.net/Pages/Nutrition-and-Wellness.aspx.

⁴² U.S.C. §1758b (Pub. L. 111-296) requires the public to receive periodic measures with the listed items. The accepted practice is annual reports. There is very little guidance to assist school districts in complying with this requirement, and school districts were expected to be working toward developing a reasonable method to implement this requirement by the end of the 2011-2012 school year. Without guidance, to ensure compliance, superintendents should contact their Regional Office of Education regarding their school districts' efforts to comply with this requirement. A guide to help school districts conduct an evaluation of local wellness policies is available, along with more guidance at: www.fns.usda.gov/tn/healthy/wellnesspolicy_tools.html.

²¹ 7 C.F.R. §210.31(e)(2)(i)-(iii) and (3).

²² Id. and §210.31(f); see also the Local Records Act, 50 ILCS 205/. It governs retention of district records; its definition of *public record* is narrower than the definition in the Freedom of Information Act. These communications must be retained only when they contain: (1) evidence of the district's organization, function, policies, procedures, or activities, or (2) informational data appropriate for preservation. Consult the board attorney for a more thorough analysis and a legal opinion about how to meet both of the federal records retention requirements discussed in f/n 25, below, and the Local Records Act.

Community Involvement 23

The Board and Superintendent will actively invite suggestions and comments concerning the development, implementation, periodic reviews, and updates of the school wellness policy from parents, students, representatives of the school food authority, teachers of physical education, school health professionals, the school board, school administrators, and the community. Community involvement methods shall align their suggestions and comments to policy 2:140, *Communications To and From the Board* and/or the **Community Engagement** subhead in policy 8:10, *Connection with the Community*. 24

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

23 A board must establish a plan in its wellness policy for involving parents, students, and representatives of the school food authority, teachers of physical education, school health professionals, the school board, school administrators, and the public in the development of the school wellness policy. Pub.L. 108-265, Sec. 204(a)(5), amended by 42 U.S.C. §1758b (Pub.L. 111-296); 105 ILCS 5/2-3.139(a)(3); 7 C.F.R. §210.31(c)(5) (requirement to describe involvement plan in policy), and 7 C.F.R. §210.31(d)(1)(requirement to allow certain stakeholders to participate in policy development, etc.).

School districts have discretion in exactly how they implement this requirement, and [e]ach [school district] is best suited to determine the distinctive needs of the community it serves. See Federal Register Vol. 81, No. 146 at 50155 at: www.gpo.gov/fdsys/pkg/FR-2016-07-29/pdf/2016-17230.pdf.

This requirement's awkward wording notwithstanding, a board may take compliance steps by:

1. Seeking community input or involvement during this policy's adoption and monitoring phases, and inviting suggestions and comments during the public comment portion of board meetings from time to time. This method aligns with 2:140, *Communications To and From the Board* and 2:240, *Board Policy Development*.
2. Establishing a "local school wellness committee." This method is discussed in the preamble to 7 C.F.R. §210.31(d)(1), which suggests "identifying individuals" to serve on a "local school wellness policy committee." **However, the final text of 7 C.F.R. §210.31(d)(1) does not specifically require districts to establish a local school wellness policy committee – only that they “permit [groups listed in the policy above] to participate”** See also the citation to the Federal Register, in the second paragraph of this f/n, above, discussing policy implementation discretion.

The default text of this policy follows item #1 above and does not establish a local school wellness committee. For a district that wants to appoint or approve a local school wellness committee, add the following optional sentence as the last sentence of this subhead: "As necessary, the Superintendent or designee will convene a Wellness Committee with at least one representative from each of the listed groups." Also list the Wellness Committee in 2:150-AP, *Superintendent Committees*. As much of the work of developing a plan to involve local stakeholders is administrative/staff work rather than governance work, best practice is for a Wellness Committee be an administrative committee, but consult the board attorney for guidance. See f/n 3 in policy 2:150, *Committees* for a discussion of Open Meetings Act implications of the Wellness Committee being a board committee.

If a board wants to comply with the USDA's *encouragement* to include Supplemental Nutrition Assistance Program Education (SNAP-ED) coordinators or educators in the group to provide input about the policy, add:

“, Supplemental Nutrition Assistance Program Education (SNAP-ED) coordinators, educators” to the end of the first sentence in this subhead, immediately before: “, and community.”

24 If a board has not adopted the **Community Engagement** subhead in policy 8:10, *Connection with the Community*, delete the phrase at the end of the second sentence: “Individuals shall align their suggestions and comments to policy 2:140, *Communications To and From the Board* and/or the **Community Engagement** subhead in policy 8:10, *Connection with the Community*.”

A board may also choose to post this policy on its website and include it in the student handbook.

Recordkeeping 25

The Superintendent shall retain records to document compliance with this policy, the District's records retention protocols, and the Local Records Act.

See f/n 22, above regarding the Local Records Act and 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*.

While 7 C.F.R. §210.31(f) does not require the policy text to state what records must be kept, a board that wants to include that information may insert the following text: "Records must include: (1) this policy; (2) documentation demonstrating compliance with community involvement, including requirements to make the policy and triennial assessments available to the public; and (3) documentation of the triennial assessment of this policy for each school under its jurisdiction."

Instruction

School Wellness

Student wellness, including good nutrition and physical activity, shall be promoted in the District's educational program, school-based activities, and meal programs. This policy shall be interpreted consistently with Section 204 of the Child Nutrition and WIC Reauthorization Act of 2004 and the Healthy Hunger-Free Kids Act of 2010 (HHFKA).

The Superintendent will ensure:

1. Each school building complies with this policy;
2. The policy is available to the community on an annual basis through copies of or online access to the Board Policy Manual; and
3. The community is informed about the progress of this policy's implementation.

Goals for Nutrition Education and Nutrition Promotion

The goals for addressing nutrition education and nutrition promotion include the following:

- Schools will support and promote sound nutrition for students.
- Schools will foster the positive relationship between sound nutrition, physical activity, and the capacity of students to develop and learn.
- Nutrition education will be part of the District's comprehensive health education curriculum. See Board policy 6:60, *Curriculum Content*.

Goals for Physical Activity

The goals for addressing physical activity include the following:

- Schools will support and promote an active lifestyle for students.
- Physical education will be taught in all grades and shall include a developmentally planned and sequential curriculum that fosters the development of movement skills, enhances health-related fitness, increases students' knowledge, offers direct opportunities to learn how to work cooperatively in a group setting, and encourages healthy habits and attitudes for a healthy lifestyle. See Board policy 6:60, *Curriculum Content* and Board policy 7:260, *Exemption from Physical Education*.
- During the school day, all students will be required to engage in a daily physical education course, unless otherwise exempted. See Board policy 6:60, *Curriculum Content* and Board policy 7:260, *Exemption from Physical Education*.
- The curriculum will be consistent with and incorporate relevant *Illinois Learning Standards for Physical Development and Health* as established by the Illinois State Board of Education (ISBE).

Nutrition Guidelines for Foods Available During the School Day; Marketing Prohibited

Students will be offered and schools will promote nutritious food and beverage choices during the school day that are consistent with Board policy 4:120, *Food Services* (requiring compliance with the nutrition standards specified in the U.S. Dept. of Agriculture's (USDA) *Smart Snacks* rules).

In addition, in order to promote student health and reduce childhood obesity, the Superintendent or designee shall:

1. Restrict the sale of *competitive foods*, as defined by the USDA, in the food service areas during meal periods;
2. Comply with all ISBE rules; and

3. Prohibit marketing during the school day of foods and beverages that do not meet the standards listed in Board policy 4:120, *Food Services*, i.e., in-school marketing of food and beverage items must meet *competitive foods* standards.

Competitive foods standards do not apply to foods and beverages available, but not sold in school during the school day; e.g., brown bag lunches, foods for classroom parties, school celebrations, and reward incentives.

Exempted Fundraising Day (EFD) Requests

All food and beverages sold to students on the school campuses of participating schools during the school day must comply with the “general nutrition standards for competitive foods” specified in federal law.

ISBE rules prohibit EFDs for grades 8 and below in participating schools.

The Superintendent or designee in a participating school may grant an EFD for grades 9 through 12 in participating schools. To request an EFD and learn more about the District’s related procedure(s), contact the Superintendent or designee. The District’s procedures are subject to change. The number of EFDs for grades 9 through 12 in participating schools is set by ISBE rule.

Guidelines for Reimbursable School Meals

Reimbursable school meals served shall meet, at a minimum, the nutrition requirements and regulations for the National School Lunch Program and/or School Breakfast Program.

Monitoring

At least every three years, the Superintendent shall provide implementation data and/or reports to the Board concerning this policy’s implementation sufficient to allow the Board to monitor and adjust the policy (a triennial report). This triennial report must include without limitation each of the following:

- An assessment of the District’s implementation of the policy
- The extent to which schools in the District are in compliance with the policy
- The extent to which the policy compares to model local school wellness policies
- A description of the progress made in attaining the goals of the policy
- How the District will make the results of the assessment available to the public
- Where the District will retain records of the assessment

The Board will monitor and adjust the policy pursuant to policy 2:240, *Board Policy Development*.

Community Involvement

The Board and Superintendent will actively invite suggestions and comments concerning the development, implementation, periodic reviews, and updates of the school wellness policy from parents, students, representatives of the school food authority, teachers of physical education, school health professionals, the school board, school administrators, and the community. Community involvement methods shall align their suggestions and comments to policy 2:140, *Communications To and From the Board* and/or the **Community Engagement** subhead in policy 8:10, *Connection with the Community*.

Recordkeeping

The Superintendent shall retain records to document compliance with this policy, the District’s records retention protocols, and the Local Records Act.

Section 6 - Instruction

Curriculum

Curriculum Content

The curriculum shall contain instruction on subjects required by State statute or regulation as follows:

1. In kindergarten through grade 8, subjects include: (a) language arts, (b) reading, (c) other communication skills, (d) science, (e) mathematics, (f) social studies, (g) art, (h) music, and (i) drug and substance abuse prevention. A reading opportunity of 60 minutes per day will be promoted for all students in kindergarten through grade 3 whose reading levels are one grade level or more lower than their current grade level. Before the completion of grade 5, students will be offered at least one unit of cursive instruction.
2. In grades 7 through 12, as well as in interscholastic athletic programs, steroid abuse prevention must be taught.
3. In kindergarten through grade 12, provided it can be funded by private grants or the federal government, violence prevention and conflict resolution must be stressed, including: (a) causes of conflict, (b) consequences of violent behavior, (c) non-violent resolution, and (d) relationships between drugs, alcohol, and violence. In grades kindergarten through 12, age-appropriate Internet safety must be taught, the scope of which shall be determined by the Superintendent or designee. The curriculum must incorporate policy 6:235, *Access to Electronic Networks* and, at a minimum, include: (a) education about appropriate online behavior, (b) interacting with other individuals on social networking websites and in chat rooms, and (c) cyberbullying awareness and response.
4. In all grades, character education must be taught including respect, responsibility, fairness, caring, trustworthiness, and citizenship in order to raise students' honesty, kindness, justice, discipline, respect for others, and moral courage.
5. In all schools, citizenship values must be taught, including: (a) patriotism, (b) democratic principles of freedom, justice, and equality, (c) proper use and display of the American flag, (d) the Pledge of Allegiance, and (e) the voting process.
6. In all grades, physical education must be taught including a developmentally planned and sequential curriculum that fosters the development of movement skills, enhances health-related fitness, increases students' knowledge, offers direct opportunities to learn how to work cooperatively in a group setting, and encourages healthy habits and attitudes for a healthy lifestyle. Unless otherwise exempted, all students are required to engage in a physical education course with such frequency as determined by the Board after recommendation from the Superintendent, but at a minimum of three days per five-day week. For exemptions and substitutions, see policies 6:310, *High School Credit for Non-District Experiences; Course Substitutions; Re-Entering Students* and 7:260, *Exemption from Physical Education*.
7. In all schools, health education must be stressed, including: (a) proper nutrition, (b) physical fitness, (c) components necessary to develop a sound mind in a healthy body, (d) dangers and avoidance of abduction, and (e) age-appropriate sexual abuse and assault awareness and prevention education in all grades. The Superintendent shall implement a comprehensive health education program in accordance with State law. In all schools, career/vocational education must be taught, including: (a) the importance of work, (b) the development of basic skills to enter the world of work and/or continue formal education, (c) good work habits and values, (d) the relationship between learning and work, and (e) if possible, a student work program that provides the student with work experience as an extension of the regular classroom. A career awareness and exploration program must be available at all grade levels.
8. In all schools, conservation of natural resources must be taught, including: (a) home ecology, (b) endangered species, (c) threats to the environment, and (d) the importance of the environment to life as we know it.
9. In all schools, United States history must be taught, including: (a) the principles of representative government, (b) the Constitutions of the U.S. and Illinois, (c) the role of the U.S. in world affairs, (d) the role of labor unions, and (e) the role and contributions of ethnic groups, including but not limited to, the African Americans, Albanians, Asian Americans, Bohemians, Czechs, French, Germans, Hispanics (including the events related to the forceful removal and illegal deportation of Mexican-American U.S. citizens during the Great Depression), Hungarians, Irish, Italians, Lithuanians, Polish, Russians, Scots, and Slovaks in the history of this country and State.

In addition, all schools shall hold an educational program on the United States Constitution on Constitution Day, each September 17, commemorating the September 17, 1787 signing of the Constitution. However, when September 17 falls on a Saturday, Sunday, or holiday, Constitution Day shall be held during the preceding or following week.

In grade 7 and all high school courses concerning U.S. history or a combination of U.S. history and American government, students must view a Congressional Medal of Honor film made by the Congressional Medal of Honor Foundation, provided there is no cost for the film.

10. In all schools, the curriculum includes a unit of instruction on the Holocaust and crimes of genocide, including Nazi atrocities of 1933-1945, Armenian Genocide, the Famine-Genocide in Ukraine, and more recent atrocities in Cambodia, Bosnia, Rwanda, and Sudan.
11. In all schools, the curriculum includes a unit of instruction on the history, struggles, and contributions of women.
12. In all schools, the curriculum includes a unit of instruction on Black History, including the history of the African slave trade, slavery in America, and the vestiges of slavery in this country, as well as the struggles and contributions of African-Americans
13. In all schools offering a secondary agricultural education program, the curriculum includes courses as required by 105 ILCS 5/2-3.80.
14. In all schools, instruction during courses as determined by the Superintendent or designee on disability history, awareness, and the disability rights movement.

Instruction

Curriculum Content ¹

The curriculum shall contain instruction on subjects required by State statute or regulation as follows:

1. In kindergarten through grade 8, subjects include: (a) language arts, (b) reading, (c) other communication skills, (d) science, (e) mathematics,² (f) social studies, (g) art, (h) music,³ and (i) drug and substance abuse prevention.⁴ A reading opportunity of 60 minutes per day will be promoted for all students in kindergarten through grade 3 whose reading levels are one grade level or more lower than their current grade level.⁵ Before the completion of grade 5, students will be offered at least one unit of cursive instruction.⁶ Beginning with the 2020-2021 school year, in grades 6, 7, or 8, students must receive at least one semester of civics education in accordance with Illinois Learning Standards for social science.⁷

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ Districts must have a policy on physical education (23 Ill.Admin.Code §1.425, amended by 42 Ill. Reg. 11540) and what grade level(s) students will be offered cursive writing instruction (105 ILCS 5/27-20.7, added by P.A. 100-548). Policies on the remaining topics in this policy are optional. State or federal law controls this policy's content. 23 Ill.Admin.Code §1.420, amended at 42 Ill. Reg. 11527, recommends that activities, including student internships and observations of government in action, be a part of the instructional program where appropriate.

State law mandates certain courses of study but local school boards may set requirements exceeding State-law mandated courses of study. 105 ILCS 5/10-20.8 and 5/27-1 *et seq.*

² 105 ILCS 5/2-3.156 requires the Ill. State Board of Education (ISBE) to coordinate, adapt and develop middle and high school math curriculum models. There is no consistent definition for *middle school* or *high school* in either State or federal law. Districts are not required to use ISBE's models and may develop their own mathematics curricula.

The purpose of the math curriculum models will be to aid school districts and teachers in implementing the *Common Core Standards*. The ISBE has adopted new math and English language arts (ELA) standards for K-12 education referred to as the *New Ill. State Learning Standards Incorporating the Common Core*. The goal of incorporating the *Common Core Standards* into the *State Goals for Learning* is to better prepare Ill. students for success in college and the workforce in a competitive global economy. See www.isbe.net/Documents/ccs-faq-0813.pdf.

The terms *Common Core Standards* and the *New Ill. State Learning Standards Incorporating the Common Core* are synonymous. Referencing the *Ill. Learning Standards* includes them both. That is because they are incorporated by reference into ISBE's rules and *State Goals for Learning*. A district that wants to include the term *Common Core Standards* in its policy may do so; however, districts should understand that referring to the *Common Core Standards* only will cover only math and ELA learning standards and goals and not any other subject areas that the *Ill. Learning Standards* cover. The best practice is to continue using *Ill. Learning Standards*, which includes the *Common Core Standards*.

³ 23 Ill.Admin.Code §1.430.

⁴ 105 ILCS 5/27-13.2. House Resolution 824 (98th General Assembly, 2014) urges all Illinois schools to educate youth about the dangers of using heroin and the rising numbers of accidental deaths from heroin overdoses through comprehensive drug education programs, including the *Drug Abuse Resistance Education* (DARE) program. No guidance on age appropriate instruction for heroin abuse is provided in the resolution.

⁵ 105 ILCS 5/10-20.53.

⁶ 105 ILCS 5/27-20.7, added by P.A. 100-548, requires districts to offer students a unit of cursive instruction before they complete grade 5. Other than before completing grade 5, the law is silent about what grade level(s) in which students must receive their unit of cursive instruction. This provides an opportunity for a board to have a conversation with the superintendent about local community expectations and direct him or her to determine the appropriate grade level(s) in which students will be offered a unit of cursive instruction.

Use the following alternative if the board wants to specify grade level(s) before the end of grade 5 in which cursive instruction will be offered:

A unit of cursive instruction will be offered in grade(s) _____.

⁷ 105 ILCS 5/27-3.10, added by P.A. 101-254, eff. 7-1-20. The statute specifically states that school districts may utilize private funding available for offering civics education.

2. In grades 9 through 12, subjects include:⁸ (a) language arts, (b) writing intensive course, (c) science, (d) mathematics,⁹ (e) social studies including U.S. history, American government and one semester of civics,¹⁰ (f) foreign language,¹¹ (g) music, (h) art, (i) driver and safety education,¹² and (j) vocational education.

Students otherwise eligible to take a driver education course must receive a passing grade in at least eight courses during the previous two semesters before enrolling in the course. The Superintendent or designee may waive this requirement if he or she believes a waiver to be in the student's best interest.¹³ The course shall include: (a) instruction necessary for the safe operation of motor vehicles, including motorcycles, to the extent that they can be taught in the classroom,¹⁴ (b) classroom instruction on distracted driving as a major traffic safety issue,¹⁵ (c) instruction on required safety and driving precautions that must be observed at emergency situations, highway construction and maintenance zones, and railroad crossings and their approaches,¹⁶ and (d) instruction concerning law enforcement procedures for traffic stops, including a demonstration of the proper actions to be taken during a traffic stop and appropriate interactions with law enforcement.¹⁷ Automobile safety instruction covering traffic regulations and highway safety must include instruction on the consequences of alcohol consumption and the operation of a motor vehicle.¹⁸ The eligibility requirements contained in State law for the receipt of a certificate of completion from the Secretary of State shall be provided to students in writing at the time of their registration. ¹⁹

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁸ 105 ILCS 5/27-22; 23 Ill.Admin.Code §1.440.

⁹ 105 ILCS 5/2-3.156. See f/n 2.

105 ILCS 5/27-22(e)(3), amended by P.A. 101-464, eff. 1-1-20, allows the substitution of an advanced placement computer science course for a year of mathematics. For specific requirements, see 6:300-E2, *State Law Graduation Requirements*, and 6:310, *High School Credit for Non-District Experiences; Course Substitutions; Re-entering Students*.

¹⁰ 105 ILCS 5/27-22. The statute specifically states that school districts may utilize private funding available for offering civics education.

¹¹ The General Assembly encouraged school boards to implement American Sign Language courses into the school foreign language curriculum. 105 ILCS 5/10-20.52. Senate Joint Resolution 68 (96th General Assembly, 2010) encourages school districts to explore the introduction of Arabic as a foreign language in their curriculums.

¹² The ISBE rule on driver education personnel is found at 23 Ill.Admin.Code §252.40, amended at 42 Ill. Reg. 8957. School districts may contract with a commercial driver training school (CDTS) for driver education. 105 ILCS 5/27-24.2, amended by P.A.s 100-465 and 101-450. To qualify to contract with a school district, a CDTS must: (a) hold a valid license issued by the Ill. Sec. of State; (b) provide teachers who meet the educator licensure and endorsement requirements under 105 ILCS 21B; and (c) follow the same evaluation and observation requirements that apply to non-tenured teachers under 105 ILCS 24a. Id. A district contracting with a CDTS must provide a list to ISBE of the CDTS instructors. Id. The list must include the name, personal ISBE identification number, birth date and driver's license number of each instructor who will teach driver education. Id. Although a formal waiver for outsourcing of driver's education is no longer required, districts must consider their applicable collective bargaining agreement(s), board policy, and the reduction in force (RIF) provisions of the School Code as they relate to outsourcing of instructional staff. Consult the board attorney for guidance.

A school district may decide to allow a student to take a portion of the driver education course through a distance learning course. This is determined on a case-by-case basis and must be approved by the district's administration, the student's driver's education teacher, and the student's parent/guardian. 105 ILCS 5/27-24.2, amended by P.A. 101-183, eff. 1-1-20.

¹⁹ The Ill. Vehicle Code, 625 ILCS 5/6-408.5, contains these requirements; they are paraphrased below and may be added to the policy or otherwise disseminated.

3. In grades 7 through 12, as well as in interscholastic athletic programs, steroid abuse prevention must be taught. ²⁰
4. In kindergarten through grade 12, provided it can be funded by private grants or the federal government, violence prevention and conflict resolution must be stressed, including: (a) causes of conflict, (b) consequences of violent behavior, (c) non-violent resolution, and (d) relationships between drugs, alcohol, and violence. ²¹
5. In grades kindergarten through 12, age-appropriate Internet safety must be taught, the scope of which shall be determined by the Superintendent or designee. The curriculum must incorporate policy 6:235, *Access to Electronic Networks*, and, at a minimum, include: (a) education about appropriate online behavior, (b) interacting with other individuals on social networking websites and in chat rooms, and (c) cyberbullying awareness and response. ²²
6. In all grades, character education must be taught including respect, responsibility, fairness, caring, trustworthiness, and citizenship in order to raise students' honesty, kindness, justice, discipline, respect for others, and moral courage.²³ Instruction in all grades will include

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

Before a certificate of completion will be requested from the Secretary of State, a student must receive a passing grade in at least eight courses during the two semesters last ending before requesting the certificate. A certificate of completion will not be requested for any person less than 18 years of age who has dropped out of school unless the individual provides:

1. Written verification of his or her enrollment in a high school equivalency or alternative education program or a high school equivalency certificate (formerly GED certificate);
2. Written verification that before dropping out, the individual had received passing grades in at least eight courses during the two previous semesters last ending before requesting a certificate;
3. Written consent from the individual's parent/guardian and the Regional Superintendent; or
4. Written waiver from the Superintendent of the School District in which the individual resides or resided at the time he or she dropped out of school, or from the chief school administrator with respect to a dropout who attended a non-public high school. A waiver may be given if the Superintendent or chief administrator deems it to be in the individual's best interests.

²⁰ 105 ILCS 5/27-23.3.

²¹ 105 ILCS 5/27-23.4.

²² 47 C.F.R. § 54.520 and 105 ILCS 5/27-13.3 control this section. "Grades kindergarten through 12" is used because federal law requires school districts that receive E-rate funding to certify that they have an Internet safety education policy for all minors. 47 C.F.R. §54.520(c)(1)(i). This federal law defines *minors* as any individual who has not attained the age of 17 years. 47 C.F.R. §54.520(a)(4)(i).

105 ILCS 5/27-13.3 only requires a unit on Internet safety for students in grades 3 or above. It recommends seven topics for the unit on Internet safety and required ISBE to "make available resource materials for educating children regarding child online safety." It also invites schools to "adopt an age-appropriate curriculum for Internet safety instruction of students in grades kindergarten through 12."

For boards that do not receive E-rate funds and do not want to exceed the requirements of the School Code, replace this section with the following sentence:

In grades 3 or above, the curriculum contains a unit on Internet safety, the scope of which shall be determined by the Superintendent or designee.

For boards that do not receive E-rate funds, but want to exceed the requirements of the 105 ILCS 5/27-13.3 to include grades K-2, replace this section with the following sentences:

In grades 3 or above, the curriculum contains a unit on Internet safety, the scope of which shall be determined by the Superintendent or designee. In kindergarten through grade 2, age-appropriate Internet safety must be taught.

²³ 105 ILCS 5/27-12.

examples of behaviors that violate policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*. ²⁴

7. In all schools, citizenship values must be taught, including: (a) patriotism, (b) democratic principles of freedom, justice, and equality, (c) proper use and display of the American flag, (d) the Pledge of Allegiance, and (e) the voting process. ²⁵
8. In all grades, physical education must be taught including a developmentally planned and sequential curriculum that fosters the development of movement skills, enhances health-related fitness, increases students' knowledge, offers direct opportunities to learn how to work cooperatively in a group setting, and encourages healthy habits and attitudes for a healthy lifestyle. Unless otherwise exempted, all students are required to engage in a physical education course with such frequency as determined by the Board after recommendation from the Superintendent,²⁶ but at a minimum of three days per five-day week.²⁷ For exemptions and substitutions, see policies 6:310, *High School Credit for Non-District Experiences; Course Substitutions; Re-Entering Students* and 7:260, *Exemption from Physical Education*. ²⁸

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

²⁴ Because of the negative outcomes associated with bullying in schools, the Ill. General Assembly has found "that [school districts] should educate students, parents, and [school district personnel] about what behaviors constitute prohibited bullying." 105 ILCS 5/27-23.7(a). This language aligns with policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, which requires bullying prevention instruction as part of a district's Bullying Prevention and Response Plan.

The Ill. General Assembly invited boards to "make suitable provisions for instruction in gang resistance education and training in all grades and include such instruction in the courses of study regularly taught in those grades." See 105 ILCS 5/27-23.10(c). A board that shares this concern may add the following option: "In addition, in all grades gang resistance education and training must be taught."

²⁵ 105 ILCS 5/27-3 requires the Pledge of Allegiance to be recited every day in elementary and secondary schools. See also *Palmer v. City of Chicago*, 466 F. Supp. 600 (N.D. Ill. 1979) (teacher would not teach and direct the Pledge of Allegiance to the flag of the United States for religious reasons and was terminated for not doing so because it was part of the curriculum). Requirements for displaying a U.S. flag at each school and in each classroom are found in 5 ILCS 465/3 and 465/3a.

Note that the Illinois statute does not require every student to recite the *Pledge* – that kind of mandatory participation would violate the U.S. Constitution. Schools may not coerce a student into saying the *Pledge*, nor may they punish students for refusing to participate in any aspect of the flag ritual, including standing, saluting the flag, and reciting the *Pledge*. *West Virginia State Bd. of Educ. v. Barnett*, 319 U.S. 624 (1943); *Sherman v. Community Consolidated Sch. Dist. 21 of Wheeling Township*, 980 F.2d 437 (7th Cir. 1992). Consider using permissive rather than mandatory language to introduce the recitation of the *Pledge*, such as, "You may now stand to recite the *Pledge*." Schools may, of course, require that non-participants maintain order and decorum appropriate to the school environment.

²⁶ The phrase "after recommendation by the Superintendent" is optional. If a superintendent does not bring this topic to the board for discussion, the board may not have a trigger to make the determination.

²⁷ 23 Ill.Admin.Code §1.425(b), amended at 42 Ill. Reg. 11540.

²⁸ 105 ILCS 5/27-5 requires school boards to provide for students' physical education and allows the P.E. course offered in grades 5 through 10 to include the health education courses required by State law. See also 23 Ill.Admin.Code §1.425, added at 40 Ill. Reg. 2990.

105 ILCS 5/27-6, amended by P.A. 100-465, describes when students may be excused from P.E. See also 23 Ill.Admin.Code §1.425(d), amended at 42 Ill. Reg. 11540.

105 ILCS 5/27-6, amended by P.A. 100-465, contains an exception to the minimum of three days per five-day week P.E. requirement for schools engaged in block scheduling; if this is applicable, substitute this sentence for the second-to-last sentence in this paragraph:

Unless otherwise exempted, all students are required to engage with such frequency as determined by the Board, but at a minimum of three days per five-day week, during the school day, except on block scheduled days, in a physical education course.

105 ILCS 5/27-6.5 describes physical fitness assessments required, beginning with the 2016-17 school year and every school year thereafter, for grades 3-12 in an effort to meet State Goal 20 of the Illinois Learning Standards for Physical

9. In all schools, health education must be stressed, including: (a) proper nutrition, (b) physical fitness, (c) components necessary to develop a sound mind in a healthy body, (d) dangers and avoidance of abduction, and (e) age-appropriate sexual abuse and assault awareness and prevention education in all grades. The Superintendent shall implement a comprehensive health education program in accordance with State law. **29**
10. In all schools, career/vocational education must be taught, including: (a) the importance of work, (b) the development of basic skills to enter the world of work and/or continue formal education, (c) good work habits and values, (d) the relationship between learning and work, and (e) if possible, a student work program that provides the student with work experience as an extension of the regular classroom. A career awareness and exploration program must be available at all grade levels. **30**
11. In grades 9 through 12, consumer education must be taught, including: (a) financial literacy, including consumer debt and installment purchasing (including credit scoring, managing credit debt, and completing a loan application); budgeting; savings and investing; banking (including balancing a checkbook, opening a deposit account, and the use of interest rates); understanding simple contracts; State and federal income taxes; personal insurance policies; the comparison of prices; higher education student loans; identity-theft security; and homeownership (including the basic process of obtaining a mortgage and the concepts of

Instruction

Curriculum Content

The curriculum shall contain instruction on subjects required by State statute or regulation as follows:

1. In kindergarten through grade 8, subjects include: (a) language arts, (b) reading, (c) other communication skills, (d) science, (e) mathematics, (f) social studies, (g) art, (h) music, and (i) drug and substance abuse prevention. A reading opportunity of 60 minutes per day will be promoted for all students in kindergarten through grade 3 whose reading levels are one grade level or more lower than their current grade level. Before the completion of grade 5, students will be offered at least one unit of cursive instruction. Beginning with the 2020-2021 school year, in grades 6, 7, or 8, students must receive at least one semester of civics education in accordance with Illinois Learning Standards for social science.
2. In grades 9 through 12, subjects include: (a) language arts, (b) writing intensive course, (c) science, (d) mathematics, (e) social studies including U.S. history, American government and one semester of civics, (f) foreign language, (g) music, (h) art, (i) driver and safety education, and (j) vocational education.

Students otherwise eligible to take a driver education course must receive a passing grade in at least eight courses during the previous two semesters before enrolling in the course. The Superintendent or designee may waive this requirement if he or she believes a waiver to be in the student's best interest. The course shall include: (a) instruction necessary for the safe operation of motor vehicles, including motorcycles, to the extent that they can be taught in the classroom, (b) classroom instruction on distracted driving as a major traffic safety issue, (c) instruction on required safety and driving precautions that must be observed at emergency situations, highway construction and maintenance zones, and railroad crossings and their approaches, and (d) instruction concerning law enforcement procedures for traffic stops, including a demonstration of the proper actions to be taken during a traffic stop and appropriate interactions with law enforcement. Automobile safety instruction covering traffic regulations and highway safety must include instruction on the consequences of alcohol consumption and the operation of a motor vehicle. The eligibility requirements contained in State law for the receipt of a certificate of completion from the Secretary of State shall be provided to students in writing at the time of their registration.

3. In grades 7 through 12, as well as in interscholastic athletic programs, steroid abuse prevention must be taught.
4. In kindergarten through grade 12, provided it can be funded by private grants or the federal government, violence prevention and conflict resolution must be stressed, including: (a) causes of conflict, (b) consequences of violent behavior, (c) non-violent resolution, and (d) relationships between drugs, alcohol, and violence.
5. In grades kindergarten through 12, age-appropriate Internet safety must be taught, the scope of which shall be determined by the Superintendent or designee. The curriculum must incorporate policy 6:235, *Access to Electronic Networks*, and, at a minimum, include: (a) education about appropriate online behavior, (b) interacting with other individuals on social networking websites and in chat rooms, and (c) cyberbullying awareness and response.
6. In all grades, character education must be taught including respect, responsibility, fairness, caring, trustworthiness, and citizenship in order to raise students' honesty, kindness, justice,

discipline, respect for others, and moral courage. Instruction in all grades will include examples of behaviors that violate policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*.

7. In all schools, citizenship values must be taught, including: (a) patriotism, (b) democratic principles of freedom, justice, and equality, (c) proper use and display of the American flag, (d) the Pledge of Allegiance, and (e) the voting process.
8. In all grades, physical education must be taught including a developmentally planned and sequential curriculum that fosters the development of movement skills, enhances health-related fitness, increases students' knowledge, offers direct opportunities to learn how to work cooperatively in a group setting, and encourages healthy habits and attitudes for a healthy lifestyle. Unless otherwise exempted, all students are required to engage in a physical education course with such frequency as determined by the Board after recommendation from the Superintendent, but at a minimum of three days per five-day week. For exemptions and substitutions, see policies 6:310, *High School Credit for Non-District Experiences; Course Substitutions; Re-Entering Students* and 7:260, *Exemption from Physical Education*.
9. In all schools, health education must be stressed, including: (a) proper nutrition, (b) physical fitness, (c) components necessary to develop a sound mind in a healthy body, (d) dangers and avoidance of abduction, and (e) age-appropriate sexual abuse and assault awareness and prevention education in all grades. The Superintendent shall implement a comprehensive health education program in accordance with State law.
10. In all schools, career/vocational education must be taught, including: (a) the importance of work, (b) the development of basic skills to enter the world of work and/or continue formal education, (c) good work habits and values, (d) the relationship between learning and work, and (e) if possible, a student work program that provides the student with work experience as an extension of the regular classroom. A career awareness and exploration program must be available at all grade levels.
11. In grades 9 through 12, consumer education must be taught, including: (a) financial literacy, including consumer debt and installment purchasing (including credit scoring, managing credit debt, and completing a loan application); budgeting; savings and investing; banking (including balancing a checkbook, opening a deposit account, and the use of interest rates); understanding simple contracts; State and federal income taxes; personal insurance policies; the comparison of prices; higher education student loans; identity-theft security; and homeownership (including the basic process of obtaining a mortgage and the concepts of fixed and adjustable rate mortgages, subprime loans, and predatory lending); and (b) the roles of consumers interacting with agriculture, business, labor unions and government in formulating and achieving the goals of the mixed free enterprise system.
12. In all schools, conservation of natural resources must be taught, including: (a) home ecology, (b) endangered species, (c) threats to the environment, and (d) the importance of the environment to life as we know it.
13. In all schools, United States (U.S.) history must be taught, including: (a) the principles of representative government, (b) the Constitutions of the U.S. and Illinois, (c) the role of the U.S. in world affairs, (d) the role of labor unions, (e) the role and contributions of ethnic groups, including but not limited to, the African Americans, Albanians, Asian Americans, Bohemians, Czechs, French, Germans, Hispanics (including the events related to the forceful removal and illegal deportation of Mexican-American U.S. citizens during the Great Depression), Hungarians, Irish, Italians, Lithuanians, Polish, Russians, Scots, and Slovaks in the history of this country and State, (f) a study of the roles and contributions of lesbian,

gay, bisexual, and transgender (LGBT) people in the history of the U.S. and Illinois, and (g) Illinois history.

In addition, all schools shall hold an educational program on the United States Constitution on Constitution Day, each September 17, commemorating the September 17, 1787 signing of the Constitution. However, when September 17 falls on a Saturday, Sunday, or holiday, Constitution Day shall be held during the preceding or following week.

14. In grade 7 and all high school courses concerning U.S. history or a combination of U.S. history and American government, students must view a Congressional Medal of Honor film made by the Congressional Medal of Honor Foundation, provided there is no cost for the film.
15. In all schools, the curriculum includes instruction as determined by the Superintendent or designee on the Holocaust and crimes of genocide, including Nazi atrocities of 1933-1945, Armenian Genocide, the Famine-Genocide in Ukraine, and more recent atrocities in Cambodia, Bosnia, Rwanda, and Sudan.
16. In all schools, the curriculum includes instruction as determined by the Superintendent or designee on the history, struggles, and contributions of women.
17. In all schools, the curriculum includes instruction as determined by the Superintendent or designee on Black History, including the history of the African slave trade, slavery in America, and the vestiges of slavery in this country, as well as the struggles and contributions of African-Americans.
18. In all schools offering a secondary agricultural education program, the curriculum includes courses as required by 105 ILCS 5/2-3.80.
19. In all schools, instruction during courses as determined by the Superintendent or designee on disability history, awareness, and the disability rights movement.
20. In kindergarten through grade 8, education must be available to students concerning effective methods of preventing and avoiding traffic injuries related to walking and bicycling.

Student Social and Emotional Development

Millburn C. C. School District 24 recognizes that a student's social and emotional development is a critical component for overall development, academic readiness and school success. Millburn District's instructional programs shall support the Illinois Learning Standards for social and emotional development.

Millburn District holds the following components of its instructional programs as priorities for fostering positive social and emotional development.

1. Early identification and intervention for those students who may be at risk for learning programs associated with social, emotional, or mental health problems.
2. Referral and assessment in cooperation with the district, through both schoolbased and community supports, for students who exhibit social and emotional difficulties.
3. Parent, district, and community involvement in promoting learning and social opportunities for the social and emotional growth of the student population.
4. Professional development and training for personnel in social, emotional, and academic learning.
5. Practices and strategies for age-appropriate social/emotional development and academic performance.

Millburn District has administrative procedures and protocols in place that address supportive services, the referral process and linkages with community agencies.

Instruction

Student Social and Emotional Development ¹

Social and emotional learning (SEL) is defined as the process through which students enhance their ability to integrate thinking, feeling, and behaving to achieve important life tasks. Students competent in SEL are able to recognize and manage their emotions, establish healthy relationships, set positive goals, meet personal and social needs, and make responsible and ethical decisions. ²

The Superintendent shall incorporate SEL into the District's curriculum and other educational programs consistent with the District's mission and the goals and benchmarks of the Ill. Learning Standards.³ The Ill. Learning Standards include three goals for students: ⁴

1. Develop self-awareness and self-management skills to achieve school and life success.
2. Use social-awareness and interpersonal skills to establish and maintain positive relationships.
3. Demonstrate decision-making skills and responsible behaviors in personal, school, and community contexts.

The incorporation of SEL objectives into the District's curriculum and other educational programs may include but is not limited to: ⁵

1. Classroom and school-wide programming to foster a safe, supportive learning environment where students feel respected and valued. This may include incorporating scientifically based, age-and-culturally appropriate classroom instruction, District-wide, and school-wide strategies that teach SEL skills, promote optimal mental health, and prevent risk behaviors for all students. ⁶

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State law requires this subject matter be covered by policy (405 ILCS 49/15(b)), and it required districts to submit it to the Ill. State Board of Education (ISBE) once by 8-31-04.

² This text paraphrases the definition in the Ill. Children's Mental Health Partnership's *Strategic Plan for Building a Comprehensive Children's Mental Health System* in Illinois, pg. 73, Appendix C, starting at pg. 69 at: www.nashp.org/wp-content/uploads/sites/default/files/abcd/abcd.il.icmhpstrategic20050908.pdf

³ Required by the Children's Mental Health Act of 2003, 405 ILCS 49/. ISBE incorporated social and emotional development standards into the Ill. Learning Standards. For more information see: www.isbe.net/pages/social-emotional-learning-standards.aspx. School social workers may implement a continuum of social and emotional education programs and services in accordance with students' needs, 405 ILCS 49/15(b).

⁴ 105 ILCS 5/2-3.147, added by P.A. 95-558 and repealed by P.A. 99-30, created the Ensuring Success in School Task Force. Supervised by ISBE, this task force developed policies, procedures, and protocols for school boards to adopt to address the education and related needs of students who are parents, expectant parents, or victims of domestic or sexual violence; the goal is to encourage these students to stay in school, stay safe while in school, and successfully complete their education. School boards and superintendents may want to create their own study group to prepare for implementing of the task force's policies, procedures, and protocols. A report of the task force's findings was made to the General Assembly and is available here: www.povertylaw.org/advocacy/women/pubs/essa-task-force-report.

⁴ The goals, along with their benchmarks, performance descriptors and indicators are available at the link in f/n 3, above.

⁵ The objectives are a matter of local school board discretion. A board may replace the sample objectives with its own local objectives. This sample policy lists the ISBE's SEL goals found on ISBE's website cited in f/n 3, above.

⁶ 20 ILCS 1705/76, added by P.A. 101-45, eff. 1-1-20, requires the Ill. Dept. of Public Health to create and maintain an online *Mental Health Database and Resource* page on its website with mental health resources to: (1) assist school social workers, school counselors, parents, teachers, and school support personnel with the goal of connecting them with mental health resources related to bullying and school shootings; and (2) encourage information sharing among educational administrators, school security personnel, and school resource officers. See the database at: www.dhs.state.il.us.

2. Staff development and training to promote students' SEL development. This may include providing all personnel with age-appropriate academic and SEL and how to promote it. ⁷
3. Parent/Guardian and family involvement to promote students' SEL development. This may include providing parents/guardians and families with learning opportunities related to the importance of their children's optimal SEL development and ways to enhance it. ⁸
4. Community partnerships to promote students' SEL development. This may include establishing partnerships with diverse community agencies and organizations to assure a coordinated approach to addressing children's mental health and SEL development.
5. Early identification and intervention to enhance students' school readiness, academic success, and use of good citizenship skills. This may include development of a system and procedures for periodic and universal screening, assessment, and early intervention for students who have significant risk factors for social, emotional, or mental health conditions that impact learning. ⁹
6. Treatment to prevent or minimize mental health conditions in students. This may include building and strengthening referral and follow-up procedures for providing effective clinical services for students with social, emotional, and mental health conditions¹⁰ that impact learning. This may include student and family support services, school-based behavioral health services, and school-community linked services and supports.
7. Assessment and accountability for teaching SEL skills to all students. This may include implementation of a process to assess and report baseline information and ongoing progress about school climate, students' social and emotional development, and academic performance. ¹¹

2. Use social-awareness and interpersonal skills to establish and maintain positive relationships.
3. Demonstrate decision-making skills and responsible behaviors in personal, school, and community contexts.

The incorporation of SEL objectives into the District's curriculum and other educational programs may include but is not limited to:

1. Classroom and school-wide programming to foster a safe, supportive learning environment where students feel respected and valued. This may include incorporating scientifically based, age-and-culturally appropriate classroom instruction, District-wide, and school-wide strategies that teach SEL skills, promote optimal mental health, and prevent risk behaviors for all students.
2. Staff development and training to promote students' SEL development. This may include providing all personnel with age-appropriate academic and SEL and how to promote it.
3. Parent/Guardian and family involvement to promote students' SEL development. This may include providing parents/guardians and families with learning opportunities related to the importance of their children's optimal SEL development and ways to enhance it.
4. Community partnerships to promote students' SEL development. This may include establishing partnerships with diverse community agencies and organizations to assure a coordinated approach to addressing children's mental health and SEL development.
5. Early identification and intervention to enhance students' school readiness, academic success, and use of good citizenship skills. This may include development of a system and procedures for periodic and universal screening, assessment, and early intervention for students who have significant risk factors for social, emotional, or mental health conditions that impact learning.
6. Treatment to prevent or minimize mental health conditions in students. This may include building and strengthening referral and follow-up procedures for providing effective clinical services for students with social, emotional, and mental health conditions that impact learning. This may include student and family support services, school-based behavioral health services, and school-community linked services and supports.
7. Assessment and accountability for teaching SEL skills to all students. This may include implementation of a process to assess and report baseline information and ongoing progress

Teaching about Controversial Issues

The Superintendent shall ensure that all school-sponsored presentations and discussions of controversial or sensitive topics in the instructional program, including those made by guest speakers, are:

- Age-appropriate. Proper decorum, considering the students' ages, should be followed.
- Consistent with the curriculum and serve an educational purpose.
- Informative and present a balanced view.
- Respectful of the rights and opinions of everyone. Emotional criticisms and hurtful sarcasm should be avoided.
- Not tolerant of profanity or slander. Disruptive conduct is prohibited and may subject a student to discipline.

The District specifically reserves its right to stop any school-sponsored activity that it determines violates this policy, is harmful to the District or the students, or violates State or federal law.

¹ This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. Before adopting this policy, a school board should review the scope of any clause on academic freedom contained in a collective bargaining agreement.

While this sample policy and its contents are discretionary with each board, its implementation should respect the constitutional rights of students and teachers to free speech and free association. The intent of this policy is to inform students, staff members, and the community that the board has established standards for the teaching and discussion of controversial topics in order to avoid culture wars from being fought in school.

² Public employee First Amendment issues involve the balance between the importance of the speech and the district's interest in maintaining order and effective school operations. The First Amendment "does not entitle primary and secondary teachers, when conducting the education of captive audiences, to cover topics, or advocate viewpoints, that depart from the curriculum adopted by the school system." Mayer v. Monroe County Community School Corp., 474 F.3d 477, 480 (7th Cir. 2007). Nor is the First Amendment likely to entitle a teacher to protection for purely personal speech that does not touch on a matter of public concern. See Pickering v. High School Dist. 205, 391 U.S. 563 (1968). However, when public employees speak as private citizens on their own time about matters of public concern, they may face only those speech restrictions that are necessary for their employers to operate efficiently and effectively. Education of Homeless Children

Each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education, as provided to other children and youths, including a public pre-school education. A "homeless child" is defined as provided in the McKinney Homeless Assistance Act and State law. The Superintendent shall act as or appoint a Liaison for Homeless Children to coordinate this policy's implementation.

A homeless child may attend the District school that the child attended when permanently housed or in which the child was last enrolled. A homeless child living in any District school's attendance area may attend that school.

The Superintendent or designee shall review and revise rules or procedures that may act as barriers to the enrollment of homeless children and youths. In reviewing and revising such procedures, consideration shall be given to issues concerning transportation, immunization, residency, birth certificates, school records and other documentation, and guardianship. Transportation shall be provided in accordance with the McKinney Homeless Assistance Act and State law. The Superintendent or designee shall give special attention to ensuring the enrollment and attendance of homeless children and youths who are not currently attending school. If a child is denied enrollment or transportation under this policy, the Liaison for Homeless Children shall immediately refer the child or his or her parent/guardian to the ombudsperson appointed by the Regional Superintendent and provide the child or his or her parent/guardian with a written explanation for the denial. Whenever a child and his or her parent/guardian who initially share the housing of another person due to loss of housing, economic hardship, or a similar hardship continue to share the housing, the Liaison for Homeless Children shall, after the passage of 18 months and annually thereafter, conduct a review as to whether such hardship continues to exist in accordance with State law.

³ Under the McKinney-Vento Homeless Assistance Act (42 U.S.C. §11434a(2)),

Homeless Children (A) means individuals who lack a fixed, regular, and adequate nighttime residence (within the meaning of section 11302(a)(1)); and (B) includes —

- i. children and youths who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; are abandoned in hospitals, or are awaiting foster care placement;
- ii. children and youths who have a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings (within the meaning of Section 11302(a)(2)(C));
- iii. children and youths who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and
- iv. *migratory* children (as such term is defined in section 6399 of title 20) who qualify as homeless for the purposes of this part because the children are living in circumstances described in clauses (i) through (iii).

Note: Section §11434a(2) no longer includes children "awaiting foster care placement" within the definition of *homeless children*.

Under the Ill. Education for Homeless Children Act (105 ILCS 45/1-5),

Homeless person, child, or youth includes, but is not limited to, any of the following:

- (1) An individual who lacks a fixed, regular, and adequate nighttime place of abode.
- (2) An individual who has a primary nighttime place of abode that is:
 - (A) a supervised publicly or privately operated shelter designed to provide temporary living accommodations (including welfare hotels, congregate shelters, and transitional housing);
 - (B) an institution that provides a temporary residence for individuals intended to be institutionalized; or
 - (C) a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings.

¹ State or federal law controls this policy's content. The following State laws and ISBE rules govern homebound and hospital instruction: 105 ILCS 5/14-13.01 (reimbursement for home and hospital instruction along with factors to qualify for it); 105 ILCS 5/18-4.5 (reimbursement for home and hospital instruction); 105 ILCS 5/10-19.05(e), added by P.A. 100-12 (an instructional session of one clock hour may be counted as ½ day of attendance, however, a student must receive four or more instructional clock hours to count as a full day of attendance); 23 Ill.Admin.Code §226.300 (home/hospital service for a special education student); 23 Ill.Admin.Code §1.520.

See ISBE guidance, *Home/Hospital Instruction and Reimbursement Questions and Answers* available at: www.isbe.net/Documents/Home-Hospital_QA.pdf.

² 105 ILCS 5/14-13.01, amended by P.A. 100-443, defines the standards for determining when a student is eligible to receive home or hospital instruction. A student qualifies when a physician, physician assistant, or advanced practice nurse *anticipates* a student's absence due to a medical condition. The law defines "ongoing intermittent basis" to mean a medical condition of such a nature and severity that it is anticipated that the student will be absent from school due to the medical condition for periods of at least two days at a time multiple times during the school year totaling at least 10 days or more of absences. 225 ILCS 65/50-10, amended by P.A. 100-513, revised the Nurse Practice Act to add *registered* to the definition of *advanced practice registered nurse*; accordingly, this policy reflects that change in terminology, even though Section 5/14-13.01 similarly has not been amended.

³ 105 ILCS 5/14-13.01(a), amended by P.A. 100-443, requires that all students provide a written statement from a physician, physician assistant, or advanced practice registered nurse stating the existence of a medical condition, the impact on the child's ability to participate in education, and the anticipated duration or nature of the child's absence from school. However, ISBE rules at 23 Ill.Admin.Code §226.300 (students qualifying for special education services) and 23 Ill.Admin.Code §1.520 (students not qualifying for special education services) have not yet been amended to reflect that this written statement may come from a physician assistant or an advanced practice registered nurse; they still state that such a written statement must come from a physician. ISBE's *Medical Certification for Home/Hospital Instruction* form, form 34-58, reflects that the written statement may come from a "physician licensed to practice medicine in all its branches, APRN, or PA." Available at: www.isbe.net/Documents/Medical-certification-home-hospital-instruction.pdf.

A student with health needs may be protected by the Individuals with Disabilities Education Act (20 U.S.C. §1401(3) or Section 504 of the Rehabilitation Act (29 U.S.C. §794(a)).

⁴ 105 ILCS 5/14-13.01(a-5), amended by P.A.s 100-443 and 100-863. There is no requirement that a student be absent from school for a minimum number of days before he or she qualifies for home or hospital instruction. 105 ILCS 5/14-13.01(a). The statute, amended by P.A. 100-443, allows schools to begin home or hospital instruction upon receipt of a written statement from a physician, physician assistant, or advanced practice registered nurse but requires it to begin no later than five school days after receipt of the written statement.

Both 23 Ill.Admin.Code §§226.300(g) and 1.520(f) require home or hospital instructors to meet the requirements listed in 23 Ill.Admin.Code §1.610, i.e., proper licensure as required by Section 21B-15 of the School Code (105 ILCS 5/21B-15).

Home and Hospital Instruction

A student who is absent from school, or whose physician, physician assistant, or advanced practice registered nurse anticipates that the student will be absent from school, because of a medical condition may be eligible for instruction in the student's home or hospital. Eligibility shall be determined by State law and the Illinois State Board of Education rules governing (1) the continuum of placement options for students who have been identified for special education services or (2) the home and hospital instruction provisions for students who have not been identified for special education services. Appropriate educational services from qualified staff will begin no later than five school days after receiving a written statement from: (1) a physician licensed to practice medicine in all of its branches, (2) a licensed physician assistant, or (3) a licensed advanced practice registered nurse. Instructional or related services for a student receiving special education services will be determined by the student's individualized education program.

A student who is unable to attend school because of pregnancy will be provided home instruction, correspondence courses, or other courses of instruction (1) before the birth of the child when the student's physician, physician assistant, or advanced practice registered nurse indicates, in writing, that she is medically unable to attend regular classroom instruction, and (2) for up to three months after the child's birth or a miscarriage.

Periodic conferences will be held between appropriate school personnel, parent(s)/guardian(s), and hospital staff to coordinate course work and facilitate a student's return to school.

English Language Learners

The District offers opportunities for resident English Language Learners to develop high levels of academic attainment in English and to meet the same academic content and student academic achievement standards that all children are expected to attain. The Superintendent or designee shall develop and maintain a program for English Language Learners that will:

1. Assist all English Language Learners to achieve English proficiency, facilitate effective communication in English, and encourage their full participation in school activities and programs as well as promote participation by the parents/guardians of English Language Learners.
2. Appropriately identify students with limited English-speaking ability.
3. Comply with State law regarding the Transitional Bilingual Educational Program (TBE) or Transitional Program of Instruction (TPI), whichever is applicable.
4. Comply with any applicable State and federal requirements for the receipt of grant money for English Language Learners and programs to serve them.
5. Determine the appropriate instructional program and environment for English Language Learners.
6. Annually assess the English proficiency of English Language Learners and monitor their progress in order to determine their readiness for a mainstream classroom environment.
7. Include English Language Learners, to the extent required by State and federal law, in the District's student assessment program to measure their achievement in reading/language arts and mathematics.
8. Provide information to the parents/guardians of English Language Learners about: (1) the reasons for their child's identification, (2) their child's level of English proficiency, (3) the method of instruction to be used, (4) how the program will meet their child's needs, (5) specific exit requirements of the program, (6) how the program will meet their child's individualized education program, if applicable, and (7) information on parent/guardian rights. Parents/guardians will be regularly apprised of their child's progress and involvement will be encouraged.

Parent Involvement

Parents/guardians of English Language Learners will be: (1) given an opportunity to provide input to the program, and (2) provided notification regarding their child's placement in, and information about, the District's English Language Learners programs.

English Learners ¹

The District offers opportunities for resident English Learners to achieve at high levels in academic subjects and to meet the same challenging State academic standards that all children are expected to meet. The Superintendent or designee shall develop and maintain a program for English Learners that will:

1. Assist all English Learners to achieve English proficiency, facilitate effective communication in English, and encourage their full participation in school activities and programs as well as promote participation by the parents/guardians of English Learners. ²
2. Appropriately identify students with limited English language proficiency. ³

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law controls this policy's content. The assessment and accountability provisions in the Elementary and Secondary Education Act (ESEA), as amended by the Every Student Succeeds Act, and State law include English Learners (20 U.S.C. §§6312, 6314, 6315, and 6318;). **Note:** Applicable regulations at 34 C.F.R. Part 200 have not been updated; amendments to the regulations are highly likely within the next year. 34 C.F.R. Part 200).

ESEA Title III, Part A, also known as the English Language Acquisition, Language Enhancement, and Academic Achievement Act, provides funding to support schools' efforts to help children who are English learners "achieve at high levels in academic subjects so that all English learners can meet the same challenging State academic standards that all children are expected to meet," (20 U.S.C. §6812(2)). Reimbursement for programs is contingent on the submission and approval of a program plan and request for reimbursement in accordance with the requirements in 105 ILCS 5/14C-12 and 23 Ill.Admin.Code Part 228. This policy uses "English Learners" (EL) rather than "English Language Learners (ELL)" or "Limited English Proficient (LEP)." LEP and ELL are no longer terms used generally among educators and researchers in the field of English language acquisition (37 Ill. Reg. 16804). ISBE now uses the term *English learners*, which are synonymous with LEP and ELL. P.A. 99-30 also deleted language from "English language learner."

For purposes of this policy, *English Learners* is synonymous with the School Code definition, which means: (1) all students in grades Pre-K through 12 who were not born in the United States, whose native tongue is a language other than English, and who are incapable of performing ordinary classwork in English; and (2) all students in grades Pre-K through 12 who were born in the United States of parents possessing no or limited English-speaking ability and who are incapable of performing ordinary classwork in English (105 ILCS 5/14C-2, amended by P.A. 99-30). **Note:** The Illinois Administrative Code definition of *English Learners* has not been amended since the effective date of P.A. 99-30 and still provides that *English Learners* means any student in preschool, kindergarten or any of grades 1 through 12, whose home language background is a language other than English and whose proficiency in speaking, reading, writing, or understanding English is not yet sufficient to provide the student with: (1) the ability to meet the State's proficiency level of achievement on State assessments; (2) the ability to successfully achieve in classrooms where the language of instruction is English, or (3) the opportunity to participate fully in the school setting (23 Ill.Admin.Code §228.10).

The Office for Civil Rights (OCR) at the U.S. Dept. of Education (ED) and the Civil Rights Division at the U.S. Department of Justice (DOJ) have issued joint guidance to assist school districts and all public schools in meeting their legal obligations to ensure that English learners can participate meaningfully and equally in educational programs and services. The guidance is available at: www2.ed.gov/about/offices/list/ocr/letters/colleague-el-201501.pdf. In support of this guidance, the Office of English Language Acquisition released an *English Learner (EL) Tool Kit* to assist school districts in providing EL students with the support necessary to achieve their full academic potential. The *Tool Kit* is available at: www2.ed.gov/about/offices/list/oela/english-learner-toolkit/index.html.

² This policy's first sentence and the first numbered paragraph both allow a school board to consider the goals for its English Learners programs; a board should amend the sample policy accordingly.

³ 23 Ill.Admin.Code §228.15. Districts must administer a home language survey to each student entering the district's schools for the first time within 30 days after the student's enrollment. The survey's purpose is to identify students of non-English background. ISBE's website contains useful information about communicating with parents/guardians of English Learners (www.isbe.net/Pages/Resources-for-Families-of-English-Learners.aspx), including sample Home Language Surveys and program letters in many languages (www.isbe.net/Pages/English-Learners-Forms-and-Notifications.aspx).

3. Comply with State law regarding the Transitional Bilingual Educational Program (TBE) or Transitional Program of Instruction (TPI), whichever is applicable. ⁴
4. Comply with any applicable State and federal requirements for the receipt of grant money for English Learners and programs to serve them. ⁵
5. Determine the appropriate instructional program and environment for English Learners. ⁶
6. Annually assess the English proficiency of English Learners and monitor their progress in order to determine their readiness for a mainstream classroom environment. ⁷
7. Include English Learners, to the extent required by State and federal law, in the District's student assessment program to measure their achievement in reading/language arts and mathematics. ⁸
8. Provide information to the parents/guardians of English Learners about: (a) the reasons for their child's identification, (b) their child's level of English proficiency, (c) the method of instruction to be used, (d) how the program will meet their child's needs, (e) how the program will specifically help their child learn English and meet age-appropriate academic achievement standards for grade promotion and graduation, (f) specific exit requirements of the program, (g) how the program will meet their child's individualized education program, if applicable, and (h) information on parent/guardian rights. Parents/guardians will be regularly apprised of their child's progress and involvement will be encouraged. ⁹

Parent Involvement ¹⁰

Parents/guardians of English Learners will be informed how they can: (1) be involved in the education of their children, and (2) be active participants in assisting their children to attain English proficiency, achieve at high levels within a well-rounded education, and meet the challenging State academic standards expected of all students.

Special Programs

Policy 6:170

Title I Programs

The Superintendent or designee shall pursue funding under Title I of the federal Strengthening and Improving of Elementary and Secondary Schools Act to supplement instructional services and activities in order to improve the educational opportunities of educationally disadvantaged or deprived children.

All District schools, regardless of whether they receive Title I funds, shall provide services that, taken as a whole, are substantially comparable. Teachers, administrators, and other staff shall be assigned to schools in a manner that ensures equivalency among the District's schools. Curriculum materials and instructional supplies shall be provided in a manner that ensures equivalency among the District's schools.

Title I Programs ¹

The Superintendent or designee shall pursue funding under Title I, Improving the Academic Achievement of the Disadvantaged, of the Elementary and Secondary Education Act, to supplement instructional services and activities in order to improve the educational opportunities of educationally disadvantaged or deprived children.

All District schools, regardless of whether they receive Title I funds, shall provide services that, taken as a whole, are substantially comparable. Teachers, administrators, and other staff shall be assigned to schools in a manner that ensures equivalency among the District's schools. Curriculum materials and instructional supplies shall be provided in a manner that ensures equivalency among the District's schools. ²

Title I Parent and Family Engagement

The District maintains programs, activities, and procedures for the engagement of parents/guardians and families of students receiving services, or enrolled in programs, under Title I. These programs, activities, and procedures are described in District-level and School-level compacts.

District-Level Parent and Family Engagement Compact ³

The Superintendent or designee shall develop a *District-Level Parent and Family Engagement Compact* according to Title I requirements. The *District-Level Parent and Family Engagement Compact* shall contain: (1) the District's expectations for parent and family engagement, (2) specific strategies for effective parent and family engagement activities to improve student academic achievement and school performance, and (3) other provisions as required by federal law. The Superintendent or designee shall ensure that the *Compact* is distributed to parents/guardians of students receiving services, or enrolled in programs, under Title I.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law controls this policy's content. **This policy is mandatory for any district that receives or desires to receive Title I funds.** Title I is part of the Elementary and Secondary Education Act (20 U.S.C. §6301 *et seq.*). It was amended by the Every Student Succeeds Act (ESSA, eff. 12-10-15).

² This paragraph, or similar language, is mandatory for each district receiving Title I funds (20 U.S.C. §6321(c)).

³ 20 U.S.C. §6318(a) requires each district receiving Title I funds to "develop jointly with, agree on with, and distribute to, parents of participating children a written parent and family engagement policy." This requirement is accomplished in this sample policy by mandating the superintendent or designee to develop a *District-Level Parent and Family Engagement Compact*, according to Title I requirements. A sample *District-Level Parent and Family Engagement Compact* is contained in 6:170-AP1, E1, *District-Level Parent and Family Engagement Compact*. A sample process for developing a parent and family engagement compact is contained in 6:170-AP1, *Checklist for Development, Implementation, and Maintenance of Parent and Family Engagement Compacts for Title I Programs*.

School-Level Parent and Family Engagement Compact ⁴

Each Building Principal or designee shall develop a *School-Level Parent and Family Engagement Compact* according to Title I requirements. This *School-Level Parent and Family Engagement Compact* shall contain: (1) a process for continually involving parents/guardians in its development and implementation, (2) how parents/guardians, the entire school staff, and students share the responsibility for improved student academic achievement, (3) the means by which the school and parents/guardians build and develop a partnership to help children achieve the State's high standards, and (4) other provisions as required by federal law. Each Building Principal or designee shall ensure that the *Compact* is distributed to parents/guardians of students receiving services, or enrolled in programs, under Title I.
