

Section 3 - General School Administration

Policy 3:40

Superintendent

Duties and Authority

The Superintendent is the District's executive officer and is responsible for the administration and management of the District schools in accordance with School Board policies and directives, and State and federal law. District management duties include, without limitation, preparing, submitting, publishing, and posting reports and notifications as required by State and federal law. The Superintendent is authorized to develop administrative procedures and take other action as needed to implement Board policy and otherwise fulfill his or her responsibilities. The Superintendent may delegate to other District staff members the exercise of any powers and the discharge of any duties imposed upon the Superintendent by Board policies or by Board vote. The delegation of power or duty, however, shall not relieve the Superintendent of responsibility for the action that was delegated.

Qualifications

The Superintendent must be of good character and of unquestionable morals and integrity. The Superintendent shall have the experience and the skills necessary to work effectively with the Board, District employees, students, and the community. The Superintendent must have and maintain a Professional Educator License with a superintendent endorsement issued by the Illinois State Educator Preparation and Licensure Board.

Evaluation

The Board will evaluate, at least annually, the Superintendent's performance and effectiveness, using standards and objectives developed by the Superintendent and Board that are consistent with the Board's policies and the Superintendent's contract. A specific time should be designated for a formal evaluation session with all Board members present. The evaluation should include a discussion of professional strengths as well as performance areas needing improvement.

The Superintendent shall annually present evidence of professional growth through attendance at educational conferences, in-service training, or similar continuing education pursuits.

Compensation and Benefits

The Board and the Superintendent shall enter into an employment agreement that conforms to Board policy and State law. This contract shall govern the employment relationship between the Board and the Superintendent. The terms of the Superintendent's employment agreement, when in conflict with this policy, will control.

The delegation of power or duty, however, shall not relieve the Superintendent of responsibility for the action that was delegated.³

The Superintendent must be of good character and of unquestionable morals and integrity. The Superintendent shall have the experience and the skills necessary to work effectively with the Board, District employees, students, and the community. The Superintendent must have and maintain a Professional Educator License with a superintendent endorsement issued by the Illinois State Educator Preparation and Licensure Board.⁴

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State law controls this policy's content. Unless the district has only one school with fewer than four teachers, the board must employ a superintendent or a chief executive officer as allowed under specific circumstances. 105 ILCS 5/10-21.4, amended by P.A. 99-846. This statute assigns some specific duties to the superintendent including to: (1) make recommendations to the board concerning the budget, building plans, the locations of sites, the selection, retention, and dismissal of teachers and all other employees, the selection of textbooks, instructional material, and courses of study; (2) report to the board, Ill. State Board of Education (ISBE), and chief administrative official any employee named in an abused child report; and (3) keep or cause to be kept the records and accounts as directed and required by the board, aid in making reports required by the board, and perform such other duties as the board may delegate to him/her. 105 ILCS 5/10-16.7 requires boards to direct, through policy, the superintendent, in his or her charge of the district's administration.

ISBE is required, subject to an annual appropriation by the General Assembly, to establish a new superintendent mentoring program. With limited exceptions, any individual serving as a first-time superintendent in Illinois must participate in the mentoring program for two school years. 105 ILCS 5/2-3.53b. The ISBE-selected provider will assign a mentor to a new superintendent based on similarity of grade level or type of district, learning needs, and geographical proximity. The mentor must not be required to evaluate the new superintendent on the basis of the mentoring relationship.

² See 2:250-E2, *Immediately Available District Public Records and Web-Posted Reports and Records*, for an annotated list of documents and reports that must be posted on the district's website, if the district has a website. While not comprehensive, see the IASB's *Annual School Calendar* for the required reports that do not need web-posting, available on the IASB website at: www.iasb.com/pdf/schoolcal.pdf

³ This paragraph strengthens the policy's connection to the IASB's *Foundational Principles of Effective Governance*. See www.iasb.com/principles.cfm. It allows the superintendent broad delegation authority even when a policy fails to specifically provide for delegation.

⁴ 105 ILCS 5/21B-20 and 5/21B-25 govern Professional Educator Licenses and superintendent endorsements. See also 23 Ill.Admin.Code §§25.355, **amended at 42 Ill. Reg. 8913** (endorsements on or after 9-1-16), 25.360 (through 8-31-19), 29.100 (Ill. Professional School Leader Standards), and 29.130 (Superintendent Standards).

Evaluation

The Board will evaluate, at least annually, the Superintendent's performance and effectiveness, using standards and objectives developed by the Superintendent and Board that are consistent with the Board's policies and the Superintendent's contract.⁵ A specific time should be designated for a formal evaluation session with all Board members present. The evaluation should include a discussion of professional strengths as well as performance areas needing improvement.

The Superintendent shall annually present evidence of professional growth through attendance at educational conferences, in-service training, or similar continuing education pursuits.⁶

Compensation and Benefits⁷

The Board and the Superintendent shall enter into an employment agreement that conforms to Board policy and State law. This contract shall govern the employment relationship between the Board and the Superintendent. The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁵ 105 ILCS 5/10-16.7 requires a board to evaluate the superintendent. See *The Superintendent Evaluation Process* at: www.iasb.com/training/superintendent-evaluation-process.pdf. While greater detail may be added to this paragraph (e.g., a timeline, self-evaluation provision, and discussion requirements), a board must be sure that the policy and the superintendent's contract are consistent.

⁶ The reporting requirements in this paragraph are optional, but school boards must "require evaluators to participate in an in-service training on the evaluation of licensed personnel provided or approved by [ISBE] prior to undertaking any evaluation and at least once during each license renewal cycle." 105 ILCS 5/24A-3.

⁷ According to 105 ILCS 5/10-23.8, a superintendent must be employed under either: (1) a one-year contract, in which case he or she gains and retains tenure rights; or (2) a multi-year performance-based contract, in which case he or she waives all tenure rights but does not lose any previously acquired tenure credit with the district. A multi-year performance-based contract must contain specific student performance and academic improvement goals and indicators; see 3:40-E, *Checklist for the Superintendent Employment Contract Negotiation Process*. Residency requirements, if desired, should be included in a superintendent's employment contract.

The employment contract should be *in writing* even though the School Code does not require it to be written. Contact the board attorney for assistance. An administrator who is not working under a written contract is presumed to have a contract of one year's duration. Bd. of Ed. of *Schaumburg Community Consolidated School Dist. No. 54 v. TRS*, 368 Ill.Dec. 341 (4th Dist. 2013)(interpreting 105 ILCS 5/10-23.8a). The Ill. Statute of Frauds may make it impossible to execute an *oral* multi-year administrator contract or to *orally* extend a multi-year written contract. 740 ILCS 80/1.

The Open Meetings Act requires all Ill. Municipal Retirement Fund (IMRF) employers, which includes school boards, to: (1) within six business days after approving a budget, web-post each employee's total compensation package if it exceeds \$75,000 per year; and (2) at least six days before approval, web-post an employee's total compensation package if it is \$150,000 or more. 5 ILCS 120/7.3. Conflicting opinions concern whether school districts must comply with these posting requirements for their employees who do not participate in IMRF. Contact the board attorney for advice.

Annually by Oct. 1, each school board must report to ISBE the base salary and benefits of the superintendent, administrators, and teachers it employs. 105 ILCS 5/10-20.47. Before this annual reporting to ISBE, the information must be presented at a regular school board meeting and then posted on the district's website, if any.

Section 2 - Board of Education

Policy 2:260

Uniform Grievance Procedure

A student, parent/guardian, employee, or community member should notify any District Complaint Manager if he or she believes that the School Board, its employees, or agents have violated his or her rights guaranteed by the State or federal Constitution, State or federal statute, or Board policy, or have a complaint regarding any one of the following:

1. Title II of the Americans with Disabilities Act
2. Title IX of the Education Amendments of 1972
3. Section 504 of the Rehabilitation Act of 1973
4. Title VI of the Civil Rights Act, 42 U.S.C. §2000d et seq.
5. Equal Employment Opportunities Act (Title VII of the Civil Rights Act), 42 U.S.C. §2000e et seq.
6. Sexual harassment (Illinois Human Rights Act, Title VII of the Civil Rights Act of 1964, and Title IX of the Education Amendments of 1972)
7. Bullying, 105 ILCS 5/27-23.7
8. Misuse of funds received for services to improve educational opportunities for educationally disadvantaged or deprived children
9. Curriculum, instructional materials, and/or programs
10. Victims' Economic Security and Safety Act, 820 ILCS 180
11. Illinois Equal Pay Act of 2003, 820 ILCS 112
12. Provision of services to homeless students
13. Illinois Whistleblower Act, 740 ILCS 174/1 et seq.
14. Misuse of genetic information (Illinois Genetic Information Privacy Act (GIPA), 410 ILCS 513/ and Titles I and II of the Genetic Information Nondiscrimination Act (GINA), 42 U.S.C. §2000ff et seq.)
15. Employee Credit Privacy Act, 820 ILCS 70/.

The Complaint Manager will attempt to resolve complaints without resorting to this grievance procedure and, if a complaint is filed, to address the complaint promptly and equitably. The right of a person to prompt and equitable resolution of a complaint filed hereunder shall not be impaired by the person's pursuit of other remedies. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. All deadlines under this procedure may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, "school business days" means days on which the District's main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student's parent(s)/guardian(s). The Complaint Manager shall assist the Complainant as needed.

Investigation

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. If the Complainant is a student under 18 years of age, the Complaint Manager will notify his or her parent(s)/guardian(s) that they may attend any investigatory meetings in which their child is involved. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law, this policy, or (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law or any collective bargaining agreement, or (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

Within 30 school business days of the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Superintendent. The Complaint Manager may request an extension of time. If a complaint of sexual harassment contains allegations involving the Superintendent, the written report shall be filed with the Board, which will make a decision in accordance with the following section of this policy. The Superintendent will keep the Board informed of all complaints.

Decision and Appeal

Within 5 school business days after receiving the Complaint Manager's report, the Superintendent shall mail his or her written decision to the Complainant by U.S. mail, first class, as well as the Complaint Manager.

Within 10 school business days after receiving the Superintendent's decision, the Complainant may appeal the decision to the Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Board. Within 30 school business days, the Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within 5 school business days of the Board's decision, the Superintendent shall inform the Complainant of the Board's action.

This grievance procedure shall not be construed to create an independent right to a Board hearing. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

Appointing Nondiscrimination Coordinator and Complaint Managers

The Superintendent shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others.

The Superintendent shall appoint at least one Complaint Manager to administer the complaint process in this policy. If possible, the Superintendent will appoint 2 Complaint Managers, one of each gender. The District's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

The Superintendent shall insert into this policy and keep current the names, addresses, and telephone numbers of the Nondiscrimination Coordinator and the Complaint Managers.

School Board

Uniform Grievance Procedure ¹

A student, parent/guardian, employee, or community member should notify any District Complaint Manager if he or she believes that the School Board, its employees, or its agents have violated his or her rights guaranteed by the State or federal Constitution, State or federal statute, or Board policy², or have a complaint regarding any one of the following:³

1. Title II of the Americans with Disabilities Act ⁴
2. Title IX of the Education Amendments of 1972
3. Section 504 of the Rehabilitation Act of 1973 ⁵
4. Title VI of the Civil Rights Act, 42 U.S.C. §2000d *et seq.*

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law requires this subject matter be covered by policy and controls this policy's content. This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. Employee grievance procedures are a mandatory subject of bargaining and cannot be changed without the employee exclusive representative's consent. This policy is in addition to, and not a substitute for, the employee grievance procedure contained in a collective bargaining agreement.

A grievance procedure is required by many civil rights acts and implementing regulations, including those listed. For the sake of consistency and ease of administration, this policy consolidates all board grievance procedures into one policy, except those contained in collective bargaining agreements. See the cross references for the policies referring to this uniform grievance procedure policy.

² Including the phrase "guaranteed by the State or federal Constitution, State or federal statute, or Board policy" broadens the scope of this policy beyond the items listed. Consult the board attorney regarding whether to retain this phrase and/or to otherwise limit the scope of this policy.

³ The Individuals with Disabilities Education Act (IDEA) is not included in the list of statutes that may serve as the basis of a grievance, and attorneys disagree whether it should be. Many believe that IDEA provides the exclusive remedy; others believe that including IDEA allows parents an opportunity to get their position before the board. Unique and specific complaint resolution mechanisms are expressly provided under IDEA, Article 14 of the School Code, and their respective implementing regulations. These mechanisms follow: (1) IDEA at 20 U.S.C. §1415 (procedural safeguards-mediation and due process); (2) IDEA regulations at 34 C.F.R. §§300.151-300.153 (state complaints), 300.506 (mediation), and 300.507 *et seq.* (due process); (3) School Code at §§14/8.02a (mediation and due process) and 14/8.02b (expedited due process); and (4) special education regulations at 23 Ill.Admin.Code §§226.560 (State complaints), 226.570 (mediation), and Subpart G (due process). A board that would like to include IDEA should consult the board attorney.

⁴ The Americans with Disabilities Act Amendments Act (ADAAA), Pub. L. 110-325, made significant changes to the Americans with Disabilities Act's definition of disability by broadening the scope of coverage. The ADAAA also overturned a series of U.S. Supreme Court decisions that interpreted the Americans with Disabilities Act of 1990 in a way that made it difficult to prove that impairments were a disability. The U.S. Equal Employment Opportunity Commission's (EEOC) regulations, 29 C.F.R. Part 1630, are at: www.eeoc.gov/laws/types/disability_regulations.cfm.

Boards should consult with their attorneys regarding how the ADAAA and its implementing regulations impact their districts.

Title II of the ADA of 1990 also includes website accessibility. Addressing website accessibility is complicated. Many entities addressing website accessibility use *Web Content Accessibility Guidelines* (WCAG) 2.0, a frequently cited accessibility standard that contains guidelines developed by a private group of accessibility experts. WCAG 2.0 is the standard the U.S. Dept. of Justice referenced in its recent Title II rulemaking; however, it is not adopted as the formal legal standard for public accommodation websites. While it is not adopted as the formal legal standard for public accommodation websites, it has been used in many consent decrees and settlement agreements. See www.w3.org/TR/WCAG20/.

⁵ See f/n 4's discussion of website accessibility above. To avoid allegations that a district violated Section 504 of the Rehabilitation Act of 1973 and Title II of the ADA of 1990, many attorneys suggest that school districts' websites meet the WCAG 2.0 guidelines. But see the discussion in f/n 2 of policy 8:70, *Accommodating Individuals with Disabilities*.

5. Equal Employment Opportunities Act (Title VII of the Civil Rights Act), 42 U.S.C. §2000e et seq.
6. Sexual harassment (State Officials and Employees Ethics Act⁶, Illinois Human Rights Act, Title VII of the Civil Rights Act of 1964, and Title IX of the Education Amendments of 1972)⁷

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁶ 5 ILCS 430/70-5(a), amended by P.A. 100-554, requires governmental entities (including school districts) to adopt an ordinance or resolution establishing a policy to prohibit sexual harassment. Unlike the powers granted by the Ill. General Assembly to municipalities to pass ordinances, school boards govern by rules referred to as *policies*. 105 ILCS 5/10-20.5. Further, school boards may only exercise powers given to them that are consistent with the School Code that may be requisite or proper for the maintenance, operation, and development of any school or schools under the jurisdiction of the board. 105 ILCS 5/10-20.

The policy must include, at a minimum:

- (1) a prohibition on sexual harassment;
- (2) details on how an individual can report an allegation of sexual harassment, including options for making a confidential report to a supervisor, ethics officer, Inspector General, or the Ill. Dept. of Human Rights;
- (3) a prohibition on retaliation for reporting sexual harassment allegations, including availability of whistleblower protections under the State Officials and Employees Ethics Act, the Whistleblower Act (740 ILCS 174/), and the Ill. Human Rights Act (775 ILCS 5/); and
- (4) the consequences:
 - (a) of a violation of the prohibition on sexual harassment; and
 - (b) for knowingly making a false report.

Id. See policy 5:20, *Workplace Harassment Prohibited*.

A new publication law, 50 ILCS 205/3c, added by P.A. 100-1040, requires a school district to post on its website and make available to news media specific information about severance agreements that it enters into because an employee or contractor was “found to have engaged in sexual harassment or sexual discrimination, as defined by the Ill. Human Rights Act or Title VII of the Civil Rights Act of 1964.” Consult the board attorney about the word *found*. It raises many practical application questions, e.g., when does the word *found* trigger a board’s compliance responsibility pursuant to this law. Such questions include, but are not limited to:

1. Must a school board make a *finding* to trigger this requirement? If the severance agreement is entered into post-termination, a record of board *findings* rarely exists.
2. Are charges for termination *findings*? Often superintendents submit charges for termination, but these are not technically *findings*.
3. Are charges based on a complaint manager’s report and determination(s) *findings* under the law when a board still has the ability to review and reject the complaint manager’s determination(s)?

Next, contrast the above publication law with the Government Severance Pay Act (GSPA), 5 ILCS 415/10(a)(2), added by P.A. 100-895, eff. 1-1-19. GSPA prohibits an employee of a school district with contract provisions for severance pay from receiving any severance if he or she is fired for *misconduct* by the board. GSPA defines *misconduct* to include sexual harassment and/or discrimination. Id. at 415/5.

Consult the board attorney about how to reconcile whether sexual harassment and/or sexual discrimination is misconduct for which a severance would be prohibited under the GSPA, and therefore, not available to be published under 50 ILCS 205/3c, added by P.A. 100-1040. And for further discussion and other applicable transparency laws that apply to this issue, see also f/n 9 in policy 5:20, *Workplace Harassment Prohibited*.

⁷ Consult the board attorney to ensure the district’s nondiscrimination coordinator and complaint managers are trained to appropriately respond to allegations of discrimination based upon bullying and/or sexual violence under Title IX’s sexual harassment umbrella. In September 2017, the U.S. Dept. of Education (DOE) withdrew its sexual violence Title IX guidance issued in 2011 and 2014, which mandated procedures for processing student-on-student sexual conduct, including using a preponderance of the evidence standard for student discipline. The DOE has issued interim guidance until new rulemaking is promulgated: *Q&A on Campus Sexual Misconduct* (OCR September 2017) at: www2.ed.gov/about/offices/list/ocr/docs/qa-title-ix-201709.pdf?utm_content=&utm_medium=email&utm_name=&utm_source=govdelivery&utm_term=. An earlier guidance document also highlights appropriate responses to sexual violence under Title IX. See *Revised Sexual Harassment Guidance: Harassment of Student by School Employees, Other Students, or Third Parties, January 2001* at: www2.ed.gov/offices/OCR/archives/pdf/shguide.pdf.

Consult the board attorney regarding proper filing and storage of these investigation documents, including whether certain student-related investigation documents are *sole possession records*, a Family Policy Compliance Office (FPCO)-created an exemption to the Family Education Rights Privacy Act (FERPA). See *Letter to Ruscio*, 115 LRP 18601 (FPCO 12-17-14).

8 105 ILCS 5/10-20.60, added by P.A. 100-29, requires schools to implement the Ill. sex equity grievance procedures when processing student complaints about breastfeeding accommodations. Complainants must be informed that the board's decision may be appealed to the Regional Superintendent and, thereafter, to the State Superintendent. 23 Ill.Admin.Code §200.40. **Note:** Certain claims brought under Sec. 10-20.60 may also be covered by the anti-discrimination protections of Title IX; consult the board attorney for further advice. Guidance from U.S. Dept. of Education on Title IX requirements for pregnant and parenting students (June 2013) is available at: www2.ed.gov/about/offices/list/ocr/docs/pregnancy.pdf.

9 All districts must have a policy on bullying. 105 ILCS 5/27-23.7. See policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*. The inclusion of *bullying* in the list of topics that may serve as the basis of a grievance furthers the obligation to communicate this policy to students and their parents/guardians.

10 Parents/guardians of educationally disadvantaged children may sue a district for misuse of funds allocated by State law for the benefit of such children. *Noyola v. Bd. of Educ.*, 171 Ill.2d 121 (Ill. 1997) (affirming the appellate court's conclusion in *Noyola v. Bd. of Educ.*, 284 Ill.App.3d 128 (1st Dist. 1996) that parents/guardians may pursue a claim to enforce the requirements of the School Code but holding that the proper action for enforcement is by means of mandamus not an implied right of action).

11 The Ill. Whistleblower Act (740 ILCS 174/) includes school districts in the definition of employer. It protects employees from employer retaliation for disclosing information to a government or law enforcement agency. Section 15 also contains language prohibiting employers from retaliating against employees who disclose information in a court, an administrative hearing, or before a legislative commission or committee, or in any other proceeding where the employee has reasonable cause to believe that the information reveals a violation of a State or federal law, rule or regulation. The Ill. Whistleblower Reward and Protection Act (740 ILCS 175/) includes school districts in its definition of *State*. A strict interpretation of this language appears to allow school boards to collect civil penalties and costs against someone making a false claim. Before disciplining any employee, boards should thoroughly investigate the ramifications of these acts in consultation with their attorney and liability insurance carriers.

12 The Genetic Information Nondiscrimination Act (GINA) (42 U.S.C. §2000ff et seq.) is a federal law. Title I addresses the use of genetic information pertaining to health insurance. Title II protects job applicants, current and former employees, labor union members, and apprentices and trainees from discrimination based on their genetic information. GINA covers employers with 15 or more employees.

GINA broadly defines genetic information to include information about an individual's genetic tests, their family members, and, among other things, the manifestation of a disease or disorder in the individual or the individual's family members. Information about an individual's or family member's age or gender is excluded from genetic information. Its remedies mirror those available under a Title VII of the Civil Rights Act claim: back pay, reinstatement, attorneys' fees and compensatory and punitive damages. Retaliation against an individual who brings a claim under GINA is also prohibited. Federal regulations are available at 29 C.F.R. Part 1635, and background information on these regulations is available at: www.eeoc.gov/policy/docs/qanda_geneticinfo.html. An FAQ titled, *FAQs on the Genetic Information Nondiscrimination Act* is available at: www.dol.gov/ebsa/faqs/faq-GINA.html.

The Ill. Genetic Information Protection Act (GIPA) (410 ILCS 513/, amended by P.A. 100-396) also prohibits employers from making employment decisions on the basis of any employee's genetic testing information and from penalizing employees who do not want to disclose their genetic information as part of a workplace wellness program. GIPA includes the federal GINA's definition of genetic information and creates more stringent obligations on Ill. employers. While the federal GINA exempts small employers (those with less than 15 employees), Illinois' GIPA covers all employers, even those with one employee. GIPA also provides penalties for negligent and intentional mishandling of genetic information. Note that Title II of GINA does not preempt GIPA's greater protections to Illinois employees.

16. Employee Credit Privacy Act, 820 ILCS 70/ 13

The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this policy, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to this grievance procedure. The Complaint Manager will not require a student or parent/guardian complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parents/guardians); this includes mediation.

Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable¹⁴ resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is pursuing another remedy subject to a complaint under this policy, the District will continue with a simultaneous investigation under this policy.

Deadlines

All deadlines under this policy may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, *school business days* means days on which the District's main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender.¹⁵ The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student's parent(s)/guardian(s). The Complaint Manager shall assist the Complainant as needed.

For any complaint alleging bullying and/or cyberbullying of students, the Complaint Manager shall process and review the complaint according to Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, in addition to any response required by this policy. For any complaint alleging sexual harassment or other violation of Board policy 5:20, *Workplace Harassment*

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

Before using any sort of genetic information, consult the board attorney for guidance regarding GINA's and GIPA's specific applications to the district and how these laws integrate with other related federal laws, such as the Family Medical Leave Act and the ADA, and State laws governing time off for sickness and workers' compensation.

¹³ 820 ILCS 70/. Unless a satisfactory credit history is an *established bona fide occupational requirement* of a particular position, an employer may not: (1) refuse to hire, discharge, or otherwise discriminate against an individual with respect to employment because of the individual's credit history or credit report; (2) inquire about an applicant's or employee's credit history; or (3) order or obtain an applicant's or employee's credit report from a consumer reporting agency. The Act identifies circumstances that permit a satisfactory credit history to be a job requirement, such as, when the position's duties include custody of or unsupervised access to cash or marketable assets valued at \$2,500 or more. A person who is injured by a violation of this Act may bring a civil action to obtain injunctive relief and/or damages. 820 ILCS 70/25. The court must award costs and reasonable attorneys' fees to a prevailing plaintiff.

¹⁴ The phrase "prompt and equitable resolution" comes from Title IX implementing regulation 34 C.F.R. §106.8(b) which requires schools to "adopt and publish grievance procedures providing for prompt and equitable resolution of student and employee complaints" of sex discrimination.

¹⁵ This is a best practice.

Prohibited, the Complaint Manager shall process and review the complaint according to that policy, in addition to any response required by this policy 2:260, *Uniform Grievance Procedure*.

Investigation

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf.¹⁶ The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation. If the Complainant is a student under 18 years of age, the Complaint Manager will notify his or her parent(s)/guardian(s) that they may attend any investigatory meetings in which their child is involved. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law or this policy, (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this policy about the status of the investigation. Within 30 school business days of the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Superintendent. The Complaint Manager may request an extension of time.

The Superintendent will keep the Board informed of all complaints.

If a complaint contains allegations involving the Superintendent, the written report shall be filed directly with the Board, which will make a decision in accordance with paragraph four of the following section of this policy.

Decision and Appeal

Within five school business days after receiving the Complaint Manager's report, the Superintendent shall mail his or her written decision to the Complainant and the accused by first class U.S. mail as well as to the Complaint Manager. All decisions shall be based upon the *preponderance of evidence* standard.¹⁷

Within 10 school business days after receiving the Superintendent's decision, the Complainant or the accused may appeal the decision to the Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Board.

Within 30 school business days, the Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within five school business days of the Board's decision, the Superintendent shall inform the Complainant and the accused of the Board's action.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹⁶ This policy gives complaint managers the flexibility to appoint another individual to conduct an investigation, which may be appropriate in cases where the neutrality or efficacy of the complaint manager is an issue, and/or where the district wishes to have the expertise and related attorney-client and work product privileges that an in-house or outside attorney may afford an investigation. Such alternative appointments are often made in consultation with the superintendent or other district-level administrator (except in cases involving complaints about those individuals).

¹⁷ *Preponderance of evidence* is a standard of proof in civil cases. It means "evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not." See *Black's Law Dictionary*, 9th ed. 2009.

For complaints containing allegations involving the Superintendent, within 30 school business days after receiving the Complaint Manager's report, the Board shall mail its written decision to the Complainant and the accused by first class U.S. mail as well as to the Complaint Manager.

This policy shall not be construed to create an independent right to a hearing before the Superintendent or Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.¹⁸

Appointing a Nondiscrimination Coordinator and Complaint Managers ¹⁹

The Superintendent shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others. The Nondiscrimination Coordinator also serves as the District's Title IX Coordinator.²⁰

The Superintendent shall appoint at least one Complaint Manager to administer the complaint process in this policy. If possible, the Superintendent will appoint two Complaint Managers, one of each gender. The District's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

The Superintendent shall insert into this policy and keep current the names, addresses, and telephone numbers of the Nondiscrimination Coordinator and the Complaint Managers.²¹

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹⁸ The Ill. sex equity regulations require districts to have "specific timelines for completion of each step and rendering of a written decision, and shall provide for final appeal of grievance decisions made at the system level to the system's governing board." 23 Ill.Admin.Code §200.40. To avoid arguments over these timelines, this sample policy provides that the failure to strictly follow the timelines does not prejudice any party. The grievance procedure is worthless if complaints are not thoroughly and promptly investigated.

¹⁹ Title IX regulations require districts to identify the name, address, and telephone number of the person who is responsible for coordinating the district's compliance efforts. OCR prefers that school districts make Title IX information and coordinators visible to the community, and it has provided materials designed to remind schools of their obligation to designate a Title IX coordinator. These materials include: (1) a *Dear Colleague Letter on Title IX Coordinators*; (2) a *Letter to Title IX Coordinators* that provides them with more information about their role; and (3) a *Title IX Resource Guide* that includes an overview of Title IX's requirements with respect to several key issues. See www2.ed.gov/policy/rights/guid/ocr/title-ix-coordinators.html.

While the names and contact information are required by law to be listed, they are not part of the adopted policy and do not require board action. This allows for additions and amendments to the names and contact information when necessary. It is important for updated names and contact information to be inserted into this policy and regularly monitored.

²⁰ Best practice is that throughout the board policy manual, the same individual be named as Nondiscrimination Coordinator. In contrast, Complaint Managers identified in individual policies may vary depending upon local district needs.

²¹ The board may include the following option to address publication of such contact information:

"The Superintendent or designee shall ensure that students, parents/guardians, employees, and members of the community are informed of the contact information for the District's Nondiscrimination Coordinator and Complaint Managers on an annual basis."

Publicizing the contact information for the Nondiscrimination Coordinator and Complaint Managers through personnel handbooks, student handbooks, and/or on the district's website is a best practice. The Illinois Principals Association maintains a handbook service that coordinates with **PRESS** material, *Online Model Student Handbook (MSH)*, at: www.ilprincipals.org/resources/model-student-handbook.

The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Board.

Within 30 school business days, the Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within five school business days of the Board's decision, the Superintendent shall inform the Complainant and the accused of the Board's action.

For complaints containing allegations involving the Superintendent, within 30 school business days after receiving the Complaint Manager's report, the Board shall mail its written decision to the Complainant and the accused by first class U.S. mail as well as to the Complaint Manager.

Section 2 - Board of Education

Policy 2:250

Access to District Public Records

Full access to the District's *public records* is available to any person as provided in the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures. The Superintendent or designee shall: (1) provide the Board with sufficient information and data to permit the Board to monitor the District's compliance with FOIA and this policy, and (2) report any FOIA requests during the Board's regular meetings along with the status of the District's response.

Freedom of Information Officer

The Superintendent shall serve as the District's Freedom of Information Officer and assumes all the duties and powers of that office as provided in FOIA and this policy. The Superintendent may delegate these duties and powers to one or more designees, but the delegation shall not relieve the Superintendent of the responsibility for the action that was delegated.

Definition

The District's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary material pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the School District.

Requesting Records

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the District's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. The Superintendent or designee shall instruct District employees to immediately forward any request for inspection and copying of a public record to the District's Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist;
2. The requested material is exempt from inspection and copying by the Freedom of Information Act; or
3. Complying with the request would be unduly burdensome.

Within five business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA. The Freedom of Information Officer may extend the time for a response for up to five business days from the original due date. If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the extension, and (2) either inform the person of the date on which a response will be made, or agree with the person writing on a compliance period.

The time periods are extended for responding to requests for records made for a *commercial purpose*, requests by a *recurrent requester*, or *voluminous requests*, as those terms are defined in Section 2 of FOIA. The time periods for responding to those requests are governed by Sections 3.1, 3.2, and 3.6 of FOIA.

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.

Fees

Persons making a request for copies of public records must pay any and all applicable fees. The Freedom of Information Officer shall establish a fee schedule that complies with FOIA and this policy and is subject to the Board's review. The fee schedule shall include copying fees and all other fees to the maximum extent they are permitted by FOIA, including without limitation, search and review fees for responding to a request for a *commercial purpose* and fees, costs, and personnel hours in connection with responding to a *voluminous request*.

Copying fees, except when fixed by statute, shall be reasonably calculated to reimburse the District's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. In no case shall the copying fees exceed the maximum fees permitted by FOIA. If the District's actual copying costs are equal to or greater than the maximum fees permitted by FOIA, the Freedom of Information Officer is authorized to use FOIA's maximum fees as the District's fees. No copying fees shall be charged for: (1) the first 50 pages of black and white, letter or legal sized copies, or (2) electronic copies other than the actual cost of the recording medium, except if the response is to a *voluminous request*, as defined in FOIA.

A fee reduction is available if the request qualifies under Section 6 of FOIA. The Freedom of Information Officer shall set the amount of the reduction taking into consideration the amount of material requested and the cost of copying it.

Provision of Copies and Access to Records

A public record that is the subject of an approved access request will be available for inspection or copying at the District's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the District's website including, but not limited to, the process for requesting a public record. The Freedom of Information Officer shall direct a requester to the District's website if a requested record is available there. If the requester is unable to reasonably access the record online, he or she may resubmit the request for the record, stating his or her inability to reasonably access the record online, and the District shall make the requested record available for inspection and copying as otherwise provided in this policy.

Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), District auditor, or other individual authorized by the School Board or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

School Board

Access to District Public Records ¹

Full access to the District's *public records* is available to any person as provided in the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures. The Superintendent or designee shall: (1) provide the Board with sufficient information and data to permit the Board to monitor the District's compliance with FOIA and this policy, and (2) report any FOIA requests during the Board's regular meetings along with the status of the District's response. ²

Freedom of Information Officer ³

The Superintendent shall serve as the District's Freedom of Information Officer and assumes all the duties and powers of that office as provided in FOIA and this policy. The Superintendent may delegate these duties and powers to one or more designees, but the delegation shall not relieve the Superintendent of the responsibility for the action that was delegated.

Definition ⁴

The District's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary material pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the School District.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ The Illinois Freedom of Information Act (FOIA) governs the subject matter in this policy. 5 ILCS 140/. School districts are required to make public records available to any person for inspection or copying, unless they fall within an exception. 5 ILCS 140/3(a). The f/ns only discuss sections of FOIA that are relevant to school districts. State law does not explicitly require boards to adopt a policy on access to their records. However, a board policy is the logical instrument to memorialize the actions that are required to implement FOIA. The laws limiting the disclosure of employee evaluations are discussed in f/n 7.

Any person denied access to a public record may request a review by the Ill. Public Access Counselor (PAC) established in the office of the Ill. Atty. Gen. 5 ILCS 140/9.5. As a result of the review, the PAC may issue an opinion binding on the requester and public body. IASB reports on the opinions relevant to school districts on its website at:

www.iasb.com/law/decisions.cfm?SubjectArea=Freedom%20of%20Information%20Act%20-%20FOIA.

² This sentence allows a board to monitor the district's compliance with FOIA. This is an important duty as illustrated by FOIA's provision stating: "It is a fundamental obligation of government to operate openly and provide public records as expeditiously and efficiently as possible." The School Code requires the FOIA report described in #2 (105 ILCS 5/10-16); it is optional, however, for districts governed by a board of school directors.

³ Each board must designate one or more official(s) or employee(s) to act as its freedom of information officer(s). 5 ILCS 140/3.5(referred to in the f/ns as **FOIA Officer**). A board may replace *Superintendent* in this paragraph with another job title, or may replace the paragraph with one of the alternatives below:

Alternative 1: The Board will appoint an employee to serve as the District's Freedom of Information Officer. That appointee assumes all the duties and powers of that office as provided in FOIA and this policy.

Alternative 2: The Superintendent shall appoint an employee, who may be himself or herself, to [continue as with alternative 1].

⁴ The definition is quoted from 5 ILCS 140/2(c). Substitute the following alternative for this paragraph if desired:

The definition of *public records*, for purposes of this policy, is the definition contained in Section 2(c) of FOIA without amendment.

Requesting Records ⁵

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the District's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. The Superintendent or designee shall instruct District employees to immediately forward any request for inspection and copying of a public record to the District's Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist; ⁶
2. The requested material is exempt from inspection and copying by the Freedom of Information Act; ⁷ or
3. Complying with the request would be unduly burdensome. ⁸

Within five business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA. ⁹ The Freedom of Information Officer may extend the time for a response for up to five business days from the original due date. ¹⁰ If an extension is needed, the

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁵ This section restates 5 ILCS 140/3(c). Districts may, but are not required to, accept oral requests. Compliance with an oral request may stave off the formal written request and permit more flexibility in the response. If the district wants to accept oral requests, delete must be made in writing and from the first sentence and add the following:

Oral requests may be accepted provided personnel are available to handle them, but otherwise must be made in writing.

The response to an oral request should be documented. Districts may provide a request form for convenience but may not require its use. See 2:250-E1, *Written Request for District Public Records*.

⁶ FOIA does not require a public body to create a record. 5 ILCS 140/1. However, compiling information already in the public body's possession into a different format in order to respond to a FOIA request does not constitute the creation of a new record (PAO 15-10). See also *Hites v. Waubensee Community College*, 56 N.E.3d 1049 (Ill App. 2, 2016) (holding that databases that house aggregations of data and do not merely store documents are subject to FOIA).

⁷ 5 ILCS 140/7 and 140/7.5 describe numerous explicit exceptions to the presumption that all public records are available for public inspection. Each record is "presumed to be open to inspection or copying" and the district will have "the burden of proving by clear and convincing evidence that it is exempt." 5 ILCS 140/1.2 and 140/11(f). A person who prevails in a court proceeding to enforce FOIA will be awarded attorney's fees; the public body may incur a civil penalty of between \$2,500 and \$5,000 for each occurrence of a willful or intentional violation of FOIA or other action in bad faith; and courts may impose additional penalties of up to \$1,000 for each day the violation continues if (1) the board fails to comply with the court's order after 30 days, (2) the court's order is not on appeal or stayed, and (3) the court does not grant the public body additional time to comply with the court's order to disclose public records. 5 ILCS 140/11(i) and (j), amended by P.A. 99-586. School officials should seek the board attorney's advice concerning the denial of a record request.

Two State laws limit the disclosure of employee personnel evaluations:

1. The Personnel Record Review Act prohibits the disclosure of performance evaluations. 820 ILCS 40/11.
2. The School Code prohibits the disclosure of public school teacher, principal, and superintendent performance evaluations except as otherwise provided in the certified employee evaluation laws. 105 ILCS 5/24A-7.1.

⁸ 5 ILCS 140/3(g).

⁹ 5 ILCS 140/3(d). Reasons for extensions are addressed at 5 ILCS 140/3(e). Public bodies must respond to FOIA requests. PAOs 16-05, 16-04, 16-04, and 16-03, and 16-01. Public bodies must also conduct a reasonable search for public records responsive to a FOIA request, which includes searching public employees' communications on personal devices or accounts for records pertaining to the transaction of public business. PAO 16-06.

¹⁰ 5 ILCS 140/3(e).

Freedom of Information Officer shall: (1) notify the person making the request of the reason for the extension, and (2) either inform the person of the date on which a response will be made, or agree with the person in writing on a compliance period. ¹¹

The time periods are extended for responding to requests for records made for a *commercial purpose*, requests by a *recurrent requester*, or *voluminous requests*, as those terms are defined in Section 2 of FOIA. The time periods for responding to those requests are governed by Sections 3.1, 3.2, and 3.6 of FOIA. ¹²

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request. ¹³

Fees ¹⁴

Persons making a request for copies of public records must pay any and all applicable fees. The Freedom of Information Officer shall establish a fee schedule that complies with FOIA and this policy and is subject to the Board's review. The fee schedule shall include copying fees and all other fees to the maximum extent they are permitted by FOIA, including without limitation, search and review fees for responding to a request for a *commercial purpose* and fees, costs, and personnel hours in connection with responding to a *voluminous request*.

Copying fees, except when fixed by statute, shall be reasonably calculated to reimburse the District's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. In no case shall the copying fees exceed the maximum fees permitted by FOIA. If the District's actual copying costs are equal to or greater than the maximum fees permitted by FOIA, the Freedom of Information Officer is authorized to use FOIA's maximum fees as the District's fees. No copying fees shall be charged for: (1) the first 50 pages of black and white, letter or legal sized copies, or (2) electronic copies other than the actual cost of the recording medium, except if the response is to a *voluminous request*, as defined in FOIA.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹¹ 5 ILCS 140/3(f). A board may replace the default paragraph with the following alternative:

The Freedom of Information Officer shall respond to record requests according to the time periods described in Section 3 of FOIA.

¹² The timelines are extended to respond to a: (1) *recurrent requester* (defined in 5 ILCS 140/2(g)); (2) request with a *commercial purpose* (defined in 5 ILCS 140/2(c-10)); and (3) *voluminous request* (defined in 5 ILCS 140/2(h)). To use the extended timelines, a district must follow the requirements in 5 ILCS 140/3.2 for responding to a *recurrent requester*; 5 ILCS 140/3.1 for responding to a request with a *commercial purpose*; and 5 ILCS 140/3.6 for responding to a *voluminous request*. See the administrative procedure, 2:250-API1, *Access to and Copying of District Public Records*, for additional information.

¹³ 5 ILCS 140/7. Redacting exempt portions is permitted, but not required, except that contractors' employees' addresses, telephone numbers, and social security numbers must be redacted before disclosure. 5 ILCS 140/2.10. Reviewing past responses to FOIA requests will promote uniform treatment of requests for similar records.

¹⁴ 5 ILCS 140/6. The first paragraph's intent is to be efficient and avoid paraphrasing a complex law. See 2:250-API1, *Access to and Copying of District Public Records*, for a fee schedule identifying the maximum fees permitted.

5 ILCS 140/6(a) states: "If a request is *not* a request for a *commercial purpose* or a *voluminous request*, a public body *may not* charge the requester for the costs of any search for and review of the records or other personnel costs associated with reproducing the records." (Emphasis added.) This implies that a search and review fee may be charged when responding to a request for a *commercial purpose* or a *voluminous request*. However, 5 ILCS 140/6(b) states that the search and review fee described in 5 ILCS 140/6(f) may be charged *only to* someone making a *commercial request*. 5 ILCS 140/6(f) contains the maximum amounts that may be charged for search and review but does not explain when they may be charged. The FOIA Officer will need to consult the board attorney concerning fees.

A fee reduction is available if the request qualifies under Section 6 of FOIA. The Freedom of Information Officer shall set the amount of the reduction taking into consideration the amount of material requested and the cost of copying it. ¹⁵

Provision of Copies and Access to Records

A public record that is the subject of an approved access request will be available for inspection or copying at the District's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer. ¹⁶

Many public records are immediately available from the District's website including, but not limited to, the process for requesting a public record.¹⁷ The Freedom of Information Officer shall direct a requester to the District's website if a requested record is available there. If the requester is unable to reasonably access the record online, he or she may resubmit the request for the record, stating his or her inability to reasonably access the record online, and the District shall make the requested record available for inspection and copying as otherwise provided in this policy. ¹⁸

Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), District auditor, or other individual authorized by the School Board or State or federal law to make such a request.¹⁹ Unless its

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹⁵ 5 ILCS 140/6(c) makes it mandatory to furnish records "without charge or at a reduced charge" if the request is in the *public interest* as defined by FOIA. If a board wants to indicate when a reduction is available by paraphrasing the statute, it may substitute the following alternative for the default paragraph:

A fee reduction is available if the person requesting the record states a specific purpose for the request and indicates that a fee reduction is in the public interest by having as its principal purpose the preservation of the general public's health, safety, welfare, or legal rights and is not for the principal purpose of personal or commercial benefit. The Freedom of Information Officer shall set the amount of the reduction, taking into consideration the amount of material requested and the cost of copying it.

¹⁶ Public bodies may adopt rules for the times and places where records will be made available. 5 ILCS 140/3(h). A board may amend this sentence to reflect other times and/or places where records will be made available.

¹⁷ 5 ILCS 140/4. A district may reduce FOIA requests by posting records on its website. Many records are required to be web-posted, see 2:250-E2, *Immediately Available District Public Records and Web-Posted Reports and Records*. If the district does not have a website, change this paragraph as follows:

Some public records are available for immediate access including a description of the process for requesting a public record, and a list of all types or categories of records under its control.

For a list of required web-postings, see 2:250-E2, *Immediately Available District Public Records and Web-Posted Reports and Records*. Using the district's website is also a convenient way to comply with FOIA's requirement to identify documents that are *immediately* available. 5 ILCS 140/3.5(a). Although not required to be web-posted, a list of all types or categories of records under its control must be prepared and made available. 5 ILCS 140/5; see 2:250-AP1, *Access to and Copying of District Public Records*.

¹⁸ 5 ILCS 140/8.5.

¹⁹ The Local Records Act, 50 ILCS 205/3, requires the preservation of records described in items #1-3. The preservation of records described in item #3 is also required by the Family Educational Rights and Privacy Act (20 U.S.C. §1232g) and the Ill. School Student Records Act (105 ILCS 10/), among other laws. An example of a record described in item #4 is a record subject to a *litigation hold* or a document preservation requirement pursuant to Federal Rules of Civil Procedure, Rules 16 and 26.

Categorizing email messages is complicated because two laws apply and the rules differ when a board member is a party. See sample policy 2:140, *Communications To and From the Board*, for a discussion of email between or among board members. When employees or agents are using email for school purposes, the email messages may be *public records*, but will not necessarily be subject to disclosure depending on the topic discussed. FOIA's list of exemptions from disclosure determines whether these emails are subject to disclosure. For exemptions, see 5 ILCS 140/7 and 140/7.5.

Not all email messages between or among employees must be preserved, even if they are *public records* for purposes of FOIA. The definition of *public record* in the Local Records Act (50 ILCS 205/3) is narrower than its definition in FOIA. Thus, staff email, like all district records, must be retained only when it contains material described in #1-4. While this is a slippery slope without definitive parameters, employee email that is conversational or personal, or contains brainstorming may generally be deleted.

The Prevailing Wage Act (820 ILCS 130/5, amended by P.A. 100-1177, eff. 6-1-19) requires contractors, while participating in public works, to keep certified payroll records of all laborers, mechanics, and other workers employed by them on the project and to submit this record no later than the 15th of the month to the public body, until the Ill. Dept. of Labor (IDOL) activates an electronic database for certified payrolls no later than 4-1-20, at which time contractors will submit certified payrolls only to that database. *Id.* The public body in charge of the project must keep the records submitted before 1-1-14 for a period of not less than three years. Records submitted on or after 1-1-14 must be kept for a period of five years or until the IDOL activates the electronic database for certified payrolls, whichever is less. *Id.* Records may be retained in paper or electronic format. These records are considered public records, except for contractors' employees' addresses, telephone numbers, social security numbers, race, ethnicity, and gender, and they must be made available in accordance with FOIA. *Id.* **Note:** 820 ILCS 130/5, amended by P.A. 100-1177, eff. 6-1-19, requires contractors to maintain records of the race, ethnicity, gender, and veteran status of workers on a public works project. FOIA, however, was not similarly amended to require public bodies to redact the workers' race, ethnicity, and gender from certified payroll records before disclosure. See 5 ILCS 140/2.10. The Ill. Atty. Gen. has previously issued at least one non-binding opinion finding that disclosure of a person's gender is not an unwarranted invasion of personal privacy under 5 ILCS 140/7(1)(c). Districts should consult with their board attorneys regarding what categories of information may be properly redacted in response to a FOIA request for certified payroll records.

20 50 ILCS 205/. Preservation and destruction of documents is covered in 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*. See also the Ill. Secretary of State's website for information on preserving and destroying records, www.cyberdriveillinois.com/departments/archives/records_management/.

School Board

Access to District Public Records

Full access to the District's *public records* is available to any person as provided in the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures. The Superintendent or designee shall: (1) provide the Board with sufficient information and data to permit the Board to monitor the District's compliance with FOIA and this policy, and (2) report any FOIA requests during the Board's regular meetings along with the status of the District's response.

Freedom of Information Officer

The Superintendent shall serve as the District's Freedom of Information Officer and assumes all the duties and powers of that office as provided in FOIA and this policy. The Superintendent may delegate these duties and powers to one or more designees, but the delegation shall not relieve the Superintendent of the responsibility for the action that was delegated.

Definition

The District's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary material pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the School District.

Requesting Records

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the District's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. The Superintendent or designee shall instruct District employees to immediately forward any request for inspection and copying of a public record to the District's Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist;
2. The requested material is exempt from inspection and copying by the Freedom of Information Act; or
3. Complying with the request would be unduly burdensome.

Within five business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA. The Freedom of Information Officer may extend the time for a response for up to five business days from the original due date. If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the extension, and (2) either inform the person of the date on which a response will be made, or agree with the person in writing on a compliance period.

The time periods are extended for responding to requests for records made for a *commercial purpose*, requests by a *recurrent requester*, or *voluminous requests*, as those terms are defined in Section 2 of FOIA. The time periods for responding to those requests are governed by Sections 3.1, 3.2, and 3.6 of FOIA.

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.

Fees

Persons making a request for copies of public records must pay any and all applicable fees. The Freedom of Information Officer shall establish a fee schedule that complies with FOIA and this policy and is subject to the Board's review. The fee schedule shall include copying fees and all other fees to the maximum extent they are permitted by FOIA, including without limitation, search and review fees for responding to a request for a *commercial purpose* and fees, costs, and personnel hours in connection with responding to a *voluminous request*.

Copying fees, except when fixed by statute, shall be reasonably calculated to reimburse the District's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. In no case shall the copying fees exceed the maximum fees permitted by FOIA. If the District's actual copying costs are equal to or greater than the maximum fees permitted by FOIA, the Freedom of Information Officer is authorized to use FOIA's maximum fees as the District's fees. No copying fees shall be charged for: (1) the first 50 pages of black and white, letter or legal sized copies, or (2) electronic copies other than the actual cost of the recording medium, except if the response is to a *voluminous request*, as defined in FOIA.

A fee reduction is available if the request qualifies under Section 6 of FOIA. The Freedom of Information Officer shall set the amount of the reduction taking into consideration the amount of material requested and the cost of copying it.

Provision of Copies and Access to Records

A public record that is the subject of an approved access request will be available for inspection or copying at the District's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the District's website including, but not limited to, the process for requesting a public record. The Freedom of Information Officer shall direct a requester to the District's website if a requested record is available there. If the requester is unable to reasonably access the record online, he or she may resubmit the request for the record, stating his or her inability to reasonably access the record online, and the District shall make the requested record available for inspection and copying as otherwise provided in this policy.

Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), District auditor, or other individual authorized by the School Board or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

¹ State law controls this policy's content. Local canvassing boards were abolished in 2006, and the statute requiring school boards to canvass the vote was repealed. The appropriate *election authority* (county clerk or election commission) canvasses the vote for school district elections. 10 ILCS 5/1-8. The election authority must canvass the vote within 21 days after the election. 10 ILCS 5/22-17 and 5/22-18. Sometime between receiving the results from the election authority, but within 28 days after the consolidated election, boards must hold an organizational meeting to elect officers and fix a time and place for the regular meetings. 105 ILCS 5/10-16. State law contains the schedule for consolidated elections. 10 ILCS 5/2A-1.1. See policy 2:30, *School District Elections*.

The following option may be added after the second sentence of the first paragraph. It allows a board to recognize that the consolidated election will be postponed for Passover (10 ILCS 5/2A-1.1a); the exact provision is already in 2:30, *School District Elections*:

If, however, that date conflicts with the celebration of Passover, the consolidated election is postponed to the first Tuesday following the last day of Passover.

² The oath required by 105 ILCS 5/10-16.5 is "administered as determined by the board." There are lots of variations on how to accomplish this task. One alternative follows:

The meeting is called to order by the Board President, provided he or she is still in office and, if not, by the Vice President. This individual also serves as the meeting's presiding officer. The presiding officer administers the oath of office.

³ *Id.* A secret vote for officer elections is not permitted. 5 ILCS 120/1.

⁴ The Open Meetings Act and the School Code have different provisions regarding the establishment of a regular meeting schedule. The Open Meetings Act requires each public body to prepare and make available a regular meeting schedule at the beginning of each calendar or fiscal year. 5 ILCS 120/2.03. The School Code states that this task is accomplished during the organizational meeting. By *announcing* the schedule at the beginning of each calendar or fiscal year and by *fixing* the schedule at the organizational meeting, a board can implement both laws.

⁵ For districts that elect board officers for one-year terms, an optional provision follows:

During an April Board meeting in even-numbered years, the Board considers organizational matters, such as, selecting individual members to fill offices with terms that expire this or the next month and fixing a time and date for its regular meetings.

Organizational School Board Meeting

During a March meeting in odd-numbered years, the School Board establishes a date for its organizational meeting to be held sometime after the election authority canvasses the vote, but within 28 days after the consolidated election. The consolidated election is held on the first Tuesday in April of odd-numbered years. At the organizational meeting the following shall occur:

1. Each successful candidate, before taking his or her seat on the Board, shall take the oath of office as provided in Board policy 2:80, *Board Member Oath and Conduct*.
2. The new Board members shall be seated.

Policy 2:150

Committees

The School Board may establish committees to assist with the Board's governance function and, in some situations, to comply with State law requirements. These committees are known as Board committees and report directly to the Board. Committee members may include both Board members and non-Board members depending on the committee's purpose. The Board President makes all Board committee appointments unless specifically stated otherwise. Board committee meetings shall comply with the Open Meetings Act. A Board committee may not take final action on behalf of the Board – it may only make recommendations to the Board.

Special Board Committees

A special committee may be created for specific purposes or to investigate special issues. A special committee is automatically dissolved after presenting its final report to the Board or at the Board's discretion.

Standing Board Committees

A standing committee is created for an indefinite term although its members will fluctuate. Standing committees are:

1.Board Policy Committee. This committee researches policy issues, and provides information and recommendations to the Board.

2.Parent-Teacher Advisory Committee. This committee assists in the development of student discipline policy and procedure, and provides information and recommendations to the Board. Its members are parents/guardians and teachers, and may include persons whose expertise or experience is needed. The committee reviews such issues as administering medication in the schools, reciprocal reporting between the School District and local law enforcement agencies regarding criminal offenses committed by students, student discipline, disruptive classroom behavior, school bus safety procedures, and the dissemination of student conduct information.

3.Behavioral Interventions Committee. This committee develops and monitors procedures for using behavioral interventions in accordance with Board policy 7:230, *Misconduct by Students with Disabilities*, and provides information and recommendations to the Board. At the Board President's discretion, the Parent-Teacher Advisory Committee shall perform the duties assigned to the Behavioral Interventions Committee.

Committees ¹

The School Board may establish committees to assist with the Board's governance function and, in some situations, to comply with State law requirements. These committees are known as Board committees and report directly to the Board. Committee members may include both Board members and non-Board members depending on the committee's purpose. Special Board Committees

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law controls this policy's content in that some committees are required by State law, such as, Parent-Teacher Advisory Committee and Behavioral Interventions Committee. Board committees are *public bodies* for purposes of the Open Meetings Act (OMA) (5 ILCS 120/1.02) and the Freedom of Information Act (FOIA) (5 ILCS 140/2).

A board must appoint or approve a Concussion Oversight Team and charge it with establishing protocols for return-to-play and return-to-learn for students who have suffered a concussion or head injury. Youth Sports Concussion Safety Act, 105 ILCS 5/22-80(d), added by P.A. 99-245 and amended by P.A. 99-486. As this is administrative/staff work rather than governance work, the best practice is to have the Concussion Oversight Team be an *administrative* committee, but consult the board attorney for guidance. Section 22-80(d) identifies who must be on each Concussion Oversight Team. A physician, to the extent possible, must be on the Team. If the school employs an athletic trainer and/or nurse, they must be on the Team to the extent practicable. The Team must include, at a minimum, one person who is responsible for implementing and complying with the return-to-play and return-to-learn protocols adopted by the Team. Other licensed health care professionals may be appointed to serve on the Team. See 7:305, *Student Athlete Concussions and Head Injuries*.

² Alternatively, strike the "unless" clause and substitute: "subject to Board approval." Be sure this treatment is consistent with policy 2:110, *Qualifications, Term, and Duties of Board Officers*.

³ OMA includes *committees* and *subcommittees* in its definition of *public body*. 5 ILCS 120/1.02. According to a binding opinion from the Public Access Counselor, a "committee of a public body is considered to be a separate public body for purposes of compliance with the requirements of OMA." PAO 13-2. This means that board committees must independently fulfill OMA's requirements. For example, a board committee must comply with notice and agenda requirements. Since board committees seldom meet regularly, compliance steps need careful planning. Board committees should plan for an efficient way to "approve the minutes of its open meeting within 30 days after that meeting or at [its] second subsequent regular meeting, whichever is later." 5 ILCS 120/2.06(b). The only exceptions are for: (1) the Performance Educational Review Act (PERA) joint committee (105 ILCS 5/24A-4(b), amended by P.A. 100-768, eff. 1-1-19); (2) the Reduction In Force (RIF) joint committee (105 ILCS 5/24-12(c), amended by P.A. 100-768, eff. 1-1-19); and (3) when a committee is engaged in collective bargaining negotiations or grievance arbitrations (115 ILCS 5/18, amended by P.A. 100-760, eff. 1-1-19).

Sample policy 2:200, *Types of School Board Meetings*, designates the superintendent, on behalf of each board committee, to receive the mandatory training on OMA compliance required by 5 ILCS 120/1.05(a) and administered by the Ill. Attorney General's Public Access Counselor. See policies 2:200, *Types of School Board Meetings*, and 2:220, *School Board Meeting Procedure*, for meeting requirements and protocol. Every board member must also complete OMA training as required by 5 ILCS 120/1.05(b) and (c).

⁴ Additional committee guidelines may be added, such as:

Committees shall operate under the following guidelines:

- The Board President shall appoint no more than two Board members to serve on a committee.
- The President and the committee members shall establish the committee's meeting dates, time, and place.
- The Superintendent may attend all committee meetings.

A special committee may be created for specific purposes or to investigate special issues. A special committee is automatically dissolved after presenting its final report to the Board or at the Board's discretion. ⁵

Standing Board Committees ⁶

A standing committee is created for an indefinite term although its members will fluctuate. Standing committees are:

1. Board Policy Committee.⁷ This committee researches policy issues, and provides information and recommendations to the Board.
2. Parent-Teacher Advisory Committee.⁸ This committee assists in the development of student behavior policy and procedure, and provides information and recommendations to the Board. Its members are parents/guardians and teachers, and may include persons whose expertise or experience is needed. The committee reviews such issues as administering medication in the schools, reciprocal reporting between the School District and local law enforcement agencies regarding criminal offenses committed by students, student discipline, disruptive classroom behavior, school bus safety procedures, and the dissemination of student conduct information.
3. Behavioral Interventions Committee.⁹ This committee develops and monitors procedures for using behavioral interventions in accordance with Board policy 7:230, *Misconduct by Students with Disabilities*, and provides information and recommendations to the Board. At the Board President's discretion, the Parent-Teacher Advisory Committee shall perform the duties assigned to the Behavioral Interventions Committee.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁵ A board may list examples as in the following option:

Examples of special committees include the following: (1) Committee to Evaluate Procurement of Architectural, Engineering, and Land Surveying Services (see 2:170-AP, *Administrative Procedure - Qualification Based Selection*), and (2) Facility Naming Committee (see policy 4:150, *Facility Management and Building Programs*).

⁶ The board may create and list other standing committees, e.g., an audit committee as authorized by 105 ILCS 5/10-22.45. Be sure that the creation of a committee in this policy aligns with the policy concerning the applicable topic. If an audit committee is included here, a board may want to reference it in policy 4:80, *Accounting and Audits*, and vice-versa.

⁷ A board policy committee is optional; its creation is consistent with policy 2:240, *Board Policy Development*.

⁸ 105 ILCS 5/10-20.14 requires all districts to establish and maintain a parent-teacher advisory committee to develop, with the board, policy guidelines on student discipline. The parents on this committee, as well as other non-staff members, may not have access to student records unless the student cannot be identified or prior consent is obtained. 105 ILCS 10/6. The district's parent-teacher advisory committee must also: (1) in cooperation with local law enforcement agencies, develop guidelines for reciprocal reporting of criminal offenses committed by students; and (2) in cooperation with school bus personnel, develop school bus safety procedures. 105 ILCS 5/10-20.14. Completion of the statutory requirements imposed on the Parent-Teacher Advisory Committee, as well as the Behavioral Interventions Committee, should be documented.

⁹ Boards must establish and maintain a behavioral interventions committee to develop procedures that reflect consideration of ISBE's guidelines on the use of behavioral interventions with students with disabilities. 105 ILCS 5/14-8.05(c). An alternative follows:

The Behavioral Interventions Committee, coordinated by the Executive Director of the Special Education Cooperative, develops and monitors procedures for using behavioral interventions in accordance with Board policy 7:230, *Misconduct by Students with Disabilities*. Committee reports and recommendations are made to the Board upon its request.

Nothing in this policy limits the authority of the Superintendent or designee to create and use committees that report to him or her or to other staff members. **10**

10 OMA generally does not apply to *superintendent a/k/a* administrative committees. See University Professionals v. Stukel, 344 Ill.App.3d 856 (1st Dist. 2003)(staff committees are not subject to OMA). The Act will be applicable, however, in some circumstances. For example, a staff committee containing three or more board members will be subject to OMA. 5 ILCS 120/1.02. Consult the board attorney for advice. Communications To and From the Board

The School Board welcomes communications from the community. Staff members, parents, and community members should submit questions or communications for the School Board's consideration to the Superintendent. Questions or communications may be simultaneously submitted by email to the superintendent and the Board at boardofeducation@millburn24.net. The Superintendent shall provide the Board with a summary of these questions or communications and provide, as appropriate, his or her feedback regarding the matter. If contacted individually, Board members will refer the person to the appropriate level of authority, except in unusual situations. Board members' questions or communications to staff or about programs will be channeled through the Superintendent's office. Board members will not take private action that might compromise the Board or District. There is no expectation of privacy for any communication sent to the Board or its members individually, whether sent by letter, email, or other means.

Board Member Use of Electronic Communications

For purposes of this section, electronic communications includes, without limitation, electronic mail, electronic chat, instant messaging, texting, and any form of social networking. Electronic communications to, by, and among Board members, in their capacity as Board members, shall not be used for the purpose of discussing District business. Electronic communications among Board members shall be limited to: (1) disseminating information, and (2) messages not involving deliberation, debate, or decision-making. Electronic communications may contain:

- Agenda item suggestions
- Reminders regarding meeting times, dates, and places
- Board meeting agendas or information concerning agenda items
- Individual responses to questions posed by community members, subject to the other limitations in this policy

School Board

Communications To and From the Board ¹

The School Board welcomes communications from staff members, parents, students, and community members. Individuals may submit questions or communications for the School Board's consideration to the Superintendent or may use the electronic link to the Board's email address(es) that is posted on the District's website. ² In accordance with the Open Meetings Act and the Oath of Office taken by Board members, individual Board members will not (a) reply to an email on behalf of the entire Board, or (b) engage in the discussion of District business with a majority of a Board-quorum. ³

The Superintendent or designee shall: ⁴

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State law controls portions of this policy but does not require a policy on any topic covered.

An alternative to the opening sentence follows: "The School Board welcomes communications from the school community."

² School districts that maintain an Internet website, other than a social media or social networking website, must post a "mechanism, such as a uniform single email address, for members of the public to electronically communicate with elected officials," (50 ILCS 205/20, added by P.A. 98-930, eff. 1-1-2015). This must be done within 90 days of 1-1-2015. The sample policy's default language may be used even when the district provides each board member with an individual e-mail address. The language permits every board member to read all emails sent to the board or its members. This promotes good governance because all members are provided the same information and communications as illustrated below:

- When the district provides individual email addresses to board members, it can post a hyperlink on the district home page to an email address that will forward the communication **to all** ⁷ board members' email addresses simultaneously.
- When the district does **not** provide individual email addresses to board members, it can post a hyperlink on the district's home page to one email address that every board member may access.

Other ways to comply should be avoided unless they allow all board members to have equal access to communications. For example, posting a hyperlink on the district home page **to a list of** individual board member email addresses will **not** ensure that all board members have equal access to emails.

Whenever a district provides email addresses to individual board members, all emails sent to individual email addresses are subject to disclosure under the Freedom of Information Act. *City of Champaign v. Madigan*, 992 N.E.2d 629 (Ill.App.4th, 2013).

If the district does not maintain an Internet website, delete all text in the first paragraph after the word *Superintendent* and delete the entire second paragraph, i.e.:

or may use the electronic link to the Board's email address(es) posted on the District's website. In accordance with the Open Meetings Act and the Oath of Office taken by Board members, individual Board members will not (a) reply to an email on behalf of the entire Board, or (b) engage in the discussion of District business with a majority of a Board-quorum.

The Superintendent or designee shall:

1. Ensure that the home page for the District's website contains an active electronic link to the email address(es) for the School Board, and
2. Provide the Board, such as in the Board meeting packet, with all emails that are received and any feedback regarding them.

³ The oath of office in 105 ILCS 5/10-16.5 requires board members to swear or affirm that they "shall recognize that a board member has no legal authority as an individual and that decisions can only be made by a majority vote at a public board meeting." Deliberations of the board must be conducted openly; a meeting occurs whenever a majority of a quorum discusses public business; meetings must occur at a properly noticed board meeting that is open to the public (5 ILCS 120/1, 1.02, and 2). For additional information, see f/ns below and 2:140-E, *Guidance for Board Member Communications, Including Email Use*.

⁴ Directive #1 to the superintendent restates the statutory requirement to post a hyperlink to the email address on the district's home page (50 ILCS 205/20, added by P.A. 98-930, eff. 1-1-2015). Directive #2 is optional; it adds a step to increase efficient responses to communications concerning the operation or management of the district or a school.

1. Ensure that the home page for the District's website contains an active electronic link to the email address(es) for the School Board, and
2. Provide the Board, such as in the Board meeting packet, with all emails that are received and any feedback regarding them.

If contacted individually, Board members will refer the person to the appropriate level of authority, except in unusual situations. Board members' questions or communications to staff or about programs will be channeled through the Superintendent's office. Board members will not take individual action that might compromise the Board or District. There is no expectation of privacy for any communication sent to the Board or its members, whether sent by letter, email, or other means.

Board Member Use of Electronic Communications ⁵

For purposes of this section, *electronic communications* includes, without limitation, electronic mail, electronic chat, instant messaging, texting, and any form of social networking. ⁶ Electronic communications among a majority or more of a Board-quorum shall not be used for the purpose of discussing District business. Electronic communications among Board members shall be limited to: ⁷ (1) disseminating information, and (2) messages not involving deliberation, debate, or decision-making. The following list contains examples of permissible electronic communications:

- Agenda item suggestions
- Reminders regarding meeting times, dates, and places
- Board meeting agendas or information concerning agenda items
- Individual emails to community members, subject to the other limitations in this policy

LEGAL REF.: 5 ILCS 120/.
 50 ILCS 205/20.

CROSS REF.: 2:220 (School Board Meeting Procedure), 3:30 (Chain of Command), 8:110
 (Public Suggestions and Concerns)

A public body is not required to reply to communications. Likewise, the Freedom of Information Act does not require questions to be answered. *Chicago Tribune Co. v. Dept. of Financial & Professional Reg.*, 8 N.E.3d 11 (Ill.App. 4th, 2014).

⁵ With some exceptions, the Open Meetings Act requires that a board conduct its deliberations and business during meetings that the public may attend. A meeting means "any gathering, whether in person or by video or audio conference, telephone call, electronic means (such as, without limitation, electronic mail, electronic chat, and instant messaging), or other means of contemporaneous interactive communication, of a majority of a quorum of the members of a public body held for the purpose of discussing public business." 5 ILCS 120/1.02. Thus, any *electronic communication* discussing district business that circulates among a majority of a quorum of the board may qualify as a meeting for purposes of the Open Meetings Act and may be illegal. A violation of the Open Meetings Act is a Class C misdemeanor (5 ILCS 120/4).

The Local Records Act, 50 ILCS 205/, governs retention of district records; its definition of *public record* is more narrow than the definition in the Freedom of Information Act. These communications must be retained only when they contain: (1) evidence of the district's organization, function, policies, procedures, or activities, or (2) informational data appropriate for preservation. While this is a slippery slope without definitive parameters, electronic communication among board members that are permissible under this policy may generally be deleted; consult the board attorney for a more thorough analysis and a legal opinion.

⁶ The examples of *electronic communications* are optional and may be amended.

⁷ Complying with these restrictions will help avoid an Open Meetings Act violation.

Communications To and From the Board

The School Board welcomes communications from staff members, parents, students, and community members. Individuals may submit questions or communications for the School Board's consideration to the Superintendent or may use the electronic link to the Board's email address(es) that is posted on the District's website. Section 2 - Board of Education

Policy 2:120

Board Member Development

The School Board desires that its individual members learn, understand, and practice effective governance principles. The Board is responsible for Board member orientation and development. Board members have an equal opportunity to attend State and national meetings designed to familiarize members with public school issues, governance, and legislation.

The Board President and/or Superintendent shall provide all Board members with information regarding pertinent education materials, publications, and notices of training or development.

Mandatory Board Member Training

Each Board member is responsible for his or her own compliance with the mandatory training laws that are described below:

1. Each Board member elected or appointed to fill a vacancy of at least one year's duration must complete at least four hours of professional development leadership training in education and labor law, financial oversight and accountability, and fiduciary responsibilities within the first year of his or her first term.
2. Each Board member must complete training on the Open Meetings Act no later than 90 days after taking the oath of office for the first time. After completing the training, each Board member must file a copy of the certificate of completion with the Board. Training on the Open Meetings Act is only required once.
3. Each Board member must complete a training program on evaluations under the Performance Evaluation Reform Act (PERA) before participating in a vote on a tenured teacher's dismissal using the optional alternative evaluation dismissal process. This dismissal process is available after the District's PERA implementation date.

The Superintendent or designee shall maintain on the District website a log identifying the complete training and development activities of each Board member, including both mandatory and non-mandatory training.

Professional Development; Adverse Consequences of School Exclusion; Student Behavior

The Board President or Superintendent, or their designees, will make reasonable efforts to provide ongoing professional development to Board members about the adverse consequences of school exclusion and justice-system involvement, effective classroom management strategies, culturally responsive discipline, and developmentally appropriate disciplinary methods that promote positive and healthy school climates, i.e., *Senate Bill 100 training topics*.

Board Self-Evaluation

The Board will conduct periodic self-evaluations with the goal of continuous improvement.

New Board Member Orientation

The orientation process for newly elected or appointed Board members includes:

1. The Board President or Superintendent, or their designees, shall give each new Board member a copy of or online access to the Board Policy Manual, the Board's regular meeting minutes for the past year, and other helpful information including material describing the District and explaining the Board's roles and responsibilities.
2. The Board President or designee shall schedule one or more special Board meetings, or schedule time during regular meetings, for Board members to become acquainted and to review Board processes and procedures.
3. The Board President may request a veteran Board member to mentor a new member.
4. All new members are encouraged to attend workshops for new members conducted by the Illinois Association of School Boards.

Candidates

The Superintendent or designee shall invite all current candidates for the office of Board member to attend: (1) Board meetings, except that this invitation shall not extend to any closed meetings, and (2) pre-election workshops for candidates.

School Board

Board Member Development ¹

The School Board desires that its individual members learn, understand, and practice effective governance principles.² The Board is responsible for Board member orientation and development. Board members have an equal opportunity to attend State and national meetings designed to familiarize members with public school issues, governance, and legislation.

The Board President and/or Superintendent shall provide all Board members with information regarding pertinent education materials, publications, and notices of training or development.

Mandatory Board Member Training ³

Each Board member is responsible for his or her own compliance with the mandatory training laws that are described below:

1. Each Board member elected or appointed to fill a vacancy of at least one year's duration must complete at least four hours of professional development leadership training in education and labor law, financial oversight and accountability, and fiduciary responsibilities within the first year of his or her first term. ⁴
2. Each Board member must complete training on the Open Meetings Act no later than 90 days after taking the oath of office for the first time. After completing the training, each Board member must file a copy of the certificate of completion with the Board. Training on the Open Meetings Act is only required once. ⁵
3. Each Board member must complete a training program on evaluations under the Performance Evaluation Reform Act (PERA) before participating in a vote on a tenured teacher's dismissal using the optional alternative evaluation dismissal process. This dismissal process is available after the District's PERA implementation date. ⁶

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State law governs the mandatory board member training provisions in this sample policy.

⁵ 5 ILCS 120/1.05(b) and (c). IASB is an authorized provider of this training.

⁶ 105 ILCS 5/24-16.5. This mandatory training requirement was phased-in as districts implemented evaluations that incorporate student growth as a significant factor, otherwise known as Performance Evaluation Reform Act (PERA) evaluations. The implementation timeline for PERA evaluations varied from district to district but all districts must implement PERA evaluations. After the implementation of PERA evaluations, a district may use an optional alternative evaluative dismissal process using the PERA evaluation. Before voting on a dismissal based upon an optional alternative evaluative dismissal process, a board member must complete a training program on PERA evaluations. IASB is an authorized provider of this training. For more information about PERA, see *PERA Overview for School Board Members*, iasb.com/law/pera.cfm.

The Superintendent or designee shall maintain on the District website a log identifying the complete training and development activities of each Board member, including both mandatory and non-mandatory training. ⁷

Professional Development; Adverse Consequences of School Exclusion; Student Behavior ⁸

The Board President or Superintendent, or their designees, will make reasonable efforts to provide ongoing professional development to Board members about the adverse consequences of school exclusion and justice-system involvement, effective classroom management strategies, culturally responsive discipline, appropriate and available supportive services for the promotion of student attendance and engagement, and developmentally appropriate disciplinary methods that promote positive and healthy school climates.

Board Self-Evaluation

The Board will conduct periodic self-evaluations with the goal of continuous improvement. ⁹

New Board Member Orientation ¹⁰

The orientation process for newly elected or appointed Board members includes:

1. The Board President or Superintendent, or their designees, shall give each new Board member a copy of or online access to the Board Policy Manual, the Board's regular meeting minutes for the past year, and other helpful information including material describing the District and explaining the Board's roles and responsibilities.
2. The Board President or designee shall schedule one or more special Board meetings, or schedule time during regular meetings, for Board members to become acquainted and to review Board processes and procedures.
3. The Board President may request a veteran Board member to mentor a new member. ¹¹
4. All new members are encouraged to attend workshops for new members conducted by the Illinois Association of School Boards.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁷ 105 ILCS 5/10-16a requires each school district to post on its website, if any, the names of all board members who have completed the minimum of four hours of training described in #1. Recognizing that a board may want to highlight all training and development achievements, the sample policy extends this reporting requirement to all training and development activities. For a website reporting template, see 2:120-E2, *Website Listing of Development and Training Completed by Board Members*.

A board may choose to strictly follow the statute by using the following alternative: "The Superintendent or designee shall post on the District website the names of all Board members who have completed the professional development leadership training described in number 1, above."

⁸ Optional. 105 ILCS 5/10-22.6(c-5), amended by P.A. 100-810, eff. 1-1-19. Information about professional development opportunities is available through IASB's Online Learning Center (OLC). Inquire at: onlinelearning@iasb.com.

⁹ Boards are not required to conduct self-evaluations, but may hold a closed meeting with representatives of a State association authorized under Article 23 of the School Code for the purpose of discussing self-evaluation practices and procedures, or professional ethics. 5 ILCS 120/2(B)(6).

¹⁰ New board member orientation is a critical step in helping new board members become effective and in promoting a smooth functioning *new team*. Board Member Conflict of Interest 1

No School Board member shall: (1) have a beneficial interest directly or indirectly in any contract, work, or business of the District unless permitted by State or federal law;² or (2) solicit or accept gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State law and federal regulations control this policy's content. Conflict of interest is comprehensively discussed in the Ill. Council of School Attorneys' publication, **Answers to FAQs, Conflict of Interest and Incompatible Offices**, www.iasb.com/law/COL_FAQ.pdf.

² The School Code prohibits a school board member from having an interest in a contract with the district he or she serves. Exceptions to this rule permit a board member to provide materials, merchandise, property, services, or labor if: (1) the board member has less than a 7½% share in the ownership of the business; the board member publicly discloses the interest; the board member abstains from voting on the contract; the contract is approved by a majority vote; the contract is awarded after sealed bids to the lowest responsible bidder if the amount of the contract exceeds \$1500, or awarded without bidding if the amount of the contract is less than \$1500; and the award of the contract would not cause the aggregate amount of all such contracts so awarded in the same fiscal year to exceed \$25,000; OR (2) the contract is approved by a majority vote, provided that any such interested member shall abstain from voting; the amount of the contract does not exceed \$1000 or the award of the contract does not cause the aggregate amount of such contracts to the same individual to exceed \$2000 in the same fiscal year, or \$5,000 in the same fiscal year if the labor or materials to be provided are not otherwise available in the district; and the interested member publicly discloses the interest. See 105 ILCS 5/10-9 for other exceptions.

A board member does not have a prohibited interest in a contract with the district he or she serves "if the board member is an employee of a business that is involved in the transaction of business with the school district, provided that the board member has no financial interests other than as an employee," (105 ILCS 5/10-9).

The Public Officer Prohibited Activities Act prohibits a governing body member from being "in any manner financially interested directly in his own name or indirectly in the name of any other person, association, trust, or corporation, in any contract or the performance of any work in the making or letting of which such officer may be called upon to act or vote," (50 ILCS 105/3). Exceptions to this prohibition are similar to those in the School Code.

Generally, an individual may be a board member at a school district that employs his or her spouse. Indeed, 105 ILCS 5/10-22.3a specifically allows a board member to participate in a group health insurance program provided to a district employee if the board member is that employee's dependent, i.e., spouse or child. However, this is a fact-sensitive inquiry; a board member should seek legal counsel before voting on anything related to his or her spouse. See the **Answers to FAQs**, referenced in f/n 1.

A violation of the School Code or Public Officer Prohibited Activities Act is a Class 4 felony. Due to the severity of this penalty as well as to avoid the appearance of impropriety, a legal opinion should be obtained before a board member becomes financially interested in any contract with his or her district. Abstaining on the vote, or absence from the meeting when the vote is taken, does not negate an otherwise illegal conflict of interest.

2 C.F.R. §200.318(c)(1) prohibits employees, officers, or agents of a school district from participating in the selection, award, or administration of a contract supported by a federal award if they have a real or apparent *conflict of interest*. Conflicts of interest arise when one of the following individuals has a financial or other interest in the entity selected for the award:

- a. School district employee, officer, or agent;
- b. Any member of the employee, officer, or agent's immediate family;
- c. The employee, officer, or agent's business partner; and
- d. An organization that employs or is about to employ one of above.

For a discussion of what an *apparent conflict of interest* means, see the discussion about avoiding the *appearance of impropriety* discussed in the Ill. Council of School Attorneys' publication, **Answers to FAQs, Conflict of Interest and Incompatible Offices** cited above in f/n 1.

If the district has a parent, affiliate, or subsidiary organization that is not a state, local government, or Indian tribe, the non-federal entity must also maintain written standards of conduct covering organizational conflicts of interest. *Organizational conflicts of interest* means that because of relationships with a parent company, affiliate, or subsidiary organization, the non-federal entity is unable or appears to be unable to be impartial in conducting a procurement action involving a related organization. 2 C.F.R. §200.318(c)(2).
