Commendation

I would like to commend you for your significant contribution to the success of the Joint Institute Day on October 7th held at Lakes Community High School. I know that your presentation took many hours of thought, planning, and preparation.

As I visited the various rooms, I saw enthusiasm, passion, audience participation, and well-planned presentations. I appreciate that you shared your knowledge with fellow educators and brought positive attention to our school district.

Thanks again for your hard work and efforts.
