Acceptable Use of
District Technology Network Policy

and

Internet Access

Parent/Guardian's Agreement:

In order for your student to use the District's computer labs and the Internet for technology classes, class projects and research, the District requires that a student's parent/guardian read the attached District policy and sign the following agreement:

As the parent/guardian of this student, I have read the District's Acceptable Use Policy and Internet procedures on the following page. I understand that computer access for students of School District 24 is provided for educational purposes. I understand that the district has taken action as required by federal law to protect against minors' access to materials on the Internet that are harmful, obscene, child pornography, or otherwise inappropriate. However, I fully understand that the District cannot prevent such access in all cases, and I agree that I will not hold the District or its employees responsible for materials my son or daughter acquires or sees as a result of the use of the Internet from school facilities.

☐ **YES, I DO** give permission for my child to use the computers and the Internet while on school property.

☐ **NO, I DO NOT** give permission for my child to use the computers and the Internet while on school property.

For school communication purposes, do you have regular access to the Internet?

☐ YES, I have regular Internet access.   ☐ NO, I do not have regular Internet Access
